††UNSTARRED QUESTIONS AND ANSWERS

NEW TOWNSHIP AT HISSAR

952. **Shrimati Sneh Lata :** Will the Minister for Public Works be pleased to state—

(a) the total amount originally sanctioned for the development of New Township, Hissar together with the amount actually spent by the P.W.D. in this respect ;

(b) the details of development works originally provided in the sanctioned estimate together with the details of works actually carried out ;

(c) the net amount of saving on the original sanctioned estimate due to the transfer of the Township to the Municipal Committee, Hissar ?

Chaudhri Suraj Mal : (a) The total amount originally sanctioned for the development of New Township, Hissar....Rs. 9,81,950.

The amount actually spent by the P.W.D. in this respect is Rs. 9,48,338.

(b) Details of development works originally provided for in the sanctioned estimate are as under :—

(1) Land Acquisition;

(2) Road Works;

(3) Arboriculture;

(4) Water-supply ; and

(5) Drainage.

All works provided for in the estimate have almost been completed.

(c) With the transfer of the Township to the Municipal Committee, Hissar in March, 1953, the maintenance of roads, etc., has become the responsibility of the Committee. The drainage works were, however, taken over by the Municipality in April, 1956. The net saving as a result of the change in the charge of the Township both on maintenance of roads since March, 1953 and of drainage since April, 1956 to date is roughly estimated at Rs 26,000 to Rs. 29,000.

††*Note*: 1. For proceedings and replies to Starred Questions for the 10th September, 1958, please see Debate Vol. II—No. 1, dated the 10th September, 1958 printed separately.

DAMAGE TO LANDS AND CROPS ON ACCOUNT OF HARIKE BARRAGE

982. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state with reference to the reply to part (c) of Starred Question No. 1258 included in the list of Starred Questions for 27th February, 1958, whether any notices of suits have so far been disposed of ; if so, with what result ; if not, the reasons therefor and time by which these are likely to be dispose l of ?

Sardar Gian Singh Rarewala : The notices of suit referred to in Assembly Question No. 1258 were, on further investigation, found to be for the damage caused by natural flooding in the river, for which Government was not responsible. As such no action was called for on the notices.

B.T. TEACHERS OF ERSTWHILE PEPSU STATE

983. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state with reference to the re ly to part (b) of Starred Question No. 1258 included in the list of Starred Questions for the 25th February, 1958 whether any decision in the matter has so far been taken; if so, the number of B.T. teachers who have been adjusted ; if not, the reasons therefor ?

Shri Amar Nath Vidyalankar : The Department has since evolved different proposals to meet the demands of these teachers and they are under the active consideration of the Government and Government hopes to arrive at a decision very shortly.

GRANT OF LOAN TO RAM GARHIA SPORTS INDUSTRIAL CO-OPERATIVE SOCIETY, LTD., BARIDPUR, DISTRICT KAPURTHALA

984. Sardar Atma Singh : Will the Minister for Health and Panchayats be pleased to state with reference to reply to part (b) of Starred Question No. 1247 entered in the list of Starred Questions for 21st February, 1958, whether any steps have so far been taken by the Bank for starting recovery proceedings against the Society , if so, what and with what result ; if not, the reasons therefor ?

Sardar Gurbanta Singh : A registered notice was issued to the President of the Society by the Bank. After the service of the registered notice upon the Ram Garhia Sports Co-operative Industrial Society Ltd., Bridpur, Rs 359.84 were repaid by it to the Kapurthala Central Co-operative Bank. As this society was not functioning properly, an enquiry under section 39 of the Punjab Co-operative Societies Act, 1954 was ordered by the Assistant Registrar, Co-operative Societies, Kapurthala. Therefore it was ordered that the society should be wound up under section 44 of the Act on 4th July, 1958. Now after the expiry of the period of appeal against the winding up order Liquidator will settle all the accounts of the Society (including Central Bank loan). As the Society has been ordered to be wound up it is not desirable for the Bank to take any further action.

SCUFFLE AMONGST TEACHERS IN THE GOVERNMENT HIGH SCHOOL, MALAUT MANDI (FEROZEPUR)

991. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state—

(a) whether he received any report regarding an alleged scuffle sometime in June or July, 1958, among the teachers in the Government High School, Malaut Mandi, district Ferozepore, if so, the details thereof ;

(b) whether any enquiry into the incident referred to in part (a) above has been held ; if so, by whom and with what results ?

Shri Amar Nath Vidyalankar : (a) Yes. A copy of the complaint is laid on the Table.

(b) Yes. The enquiry was held by Shri H. K. Nijhawan, Deputy Inspector of Schools, Jullundur Division, Jullundur. Both the parties to the scuffle were found at fault. The Inspector of Schools, was authorised to transfer to unpopular stations all the teachers involved including the Incharge Headmaster. He was further asked to record adverse remarks in their personal files and to watch their activity at the new stations. The transfers have since been effected.

RESPECTED VIDYALANKAR JI,

IT has come to my notice that on 23rd June, 1958, one Shri Kapur Singh, B.A., B.T., of Government High School, Malaut, district Ferozepur, was beaten by Shri Amrit Lal, Incharge Headmaster of the School. He secured the help of other teachers Shri Puran Mal, Shri Joginder Singh and Ram Nath. He was dragged by his keshas and hairs of his beard were also snatched. On hearing the noise, some teachers and students came who got him freed from the clutches of these teachers. It is said that Shri Kapur Singh requested the Headmaster to allow him to see the Inspector of Schools at Jullundur which he refused. It is also reported that the Headmaster who belongs to Jullundur has himself seen the Inspector of Schools. It is also reported that the uncle of the Headmaster is a Steno in the office of the Inspector of Schools. If all these things are correct, the matter is very serious and if immediate steps are not taken it will arouse communal feelings among the teachers of both the communities and Kapur Singh will not get justice.

Therefore, I shall feel obliged if you kindly order an immediate enquiry and depute some senior officer from the Director, Public Instruction's office for the purpose. I hope you will kindly see to it and get the needful done at your earliest convenience.

Yours sincerely,

(Sd.) ATMA SINGH, M.L.A.

Shri A. N. Vidyalankar,
Education Minister, Punjab,
Chandigarh.

CONSTRUCTION OF DRAINS IN SULTANPUR AREA

993. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) the total amount provided in the budget for the year 1958-59 for the construction of drains in Sultanpur area ;

(b) whether the construction work of the said drains has been started if not, the reasons therefor together with the time within which it is expected to be started ;

(c) the total number of representations, if any, received by the Government from time to time for the construction of drains referred to in part (a) above together with the action so far taken thereon ?

S. **Gian Singh Rarewala :** (a) Rs 40,000.

(b) The construction of the said drain has not yet been started because the scheme has not yet been finally approved by the Technical Committee. It is scheduled to be completed before floods of 1959.

(c) About fifteen representations were received from time to time for the construction of this drain. As a result of these representations the scheme has been investigated in detail and its construction will be taken up shortly.

SHIFTING OF GOVERNMENT PRIMARY SCHOOL, AHLIKALAN, DISTRICT KAPURTHALA

994. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state—

BOGUS CASES OF ALLOTMENT OF LANDS IN THE STATE

999. Sardar Atma Singh : Will the Minister for Revenue be pleased to state—

(a) whether it is a fact that Government started a general check in the Rehabilitation Department to find out bogus cases of allotment of lands in the State; if so, the result thereof ;

(b) whether it is also a fact that the general check-up referred to above was stopped at a late stage ;

(c) whether there is any proposal under the consideration of Government to restart the check-up referred to in part (a) above ; if so, when ?

Rao Birendra Singh : (a) Yes. It was started in July, 1952 and continued till May, 1953 as a result of which excess/bogus allotment of 1,200 S.A. was cancelled in 1,167 cases.

(b) Yes. The Scrutiny was stopped under the orders of the Government of India for the following reasons:—

(a) the expenditure and the labour involved in the operation was not considered commensurate with the results achieved ; and

(b) a penal clause to deal with such cases was being included in the proposed legislation [Displaced Persons (Compensation and Rehabilitation) Bill] relating to the payment of compensation.

Subsequently, in April, 1956 a separate Complaints Section was set up to unearth bogus/excess allotments. Out of 20,227 complaints received in this Section 16,620 have been finally disposed of resulting in the cancellation of allotment of 29,158 Standard Acres.

(c) Yes. There is a proposal to prepare a Directory showing the area abandoned by each allottee in Pakistan and the area allotted to him in the Punjab in lieu thereof. This proposal, if approved by the Government of India, will automatically lead to the detection of excess or bogus allotment secured by any allottee.

COMPENSATORY ALLOWANCE FOR CLASS IV GOVERNMENT SERVANTS STATIONED AT SIMLA

1001. Sardar Atma Singh : Will the Minister for Finance be pleased to state—

(a) the rate at which Government employees posted at Simla are getting the compensatory allowance ;

(b) whether it is a fact that in the case of Class IV Government employees certain cut has been made in the said rate of compensatory allowance ; if so, the reasons therefor ;

(c) whether there is any proposal under the consideration of Government to restore the cut referred to in para (b) above ;

(d) whether it is also a fact that the payment of Rs. 2 as House-rent Allowance which was admissible to Class IV employees stationed at Simla has been stopped ; if so, the reason therefor ?

Dr. Gopi Chand Bhargava : (a) The Government servants stationed at Simla are being paid compensatory allowance at the rates as indicated in the attached statement.

(b) Yes. As compensatory allowance is determined after taking into account *inter alia* the rent payable by a Government servant for the accommodation provided at the Hill s tation, it has been decided to reduce the rate of Hill Compensatory Allowance by 1/4 in respect of all Government servants including Class IV Government servants who are provided with rent-free accommodation or are allowed house-rent allowance in lieu thereof. The reduction in the case of latter category of Government servants is not, however, to exceed the amount of house-rent allowance admissible to them.

(c) Yes.

(d) No. Does not arise.

1005. Sardar Atma Singh : Will the Minister for Industries and Local Government be pleased to state—

(a) the total amount spent on the building constructed at Sheikhupura district Kapurthala, for opening a sericulture centre and the year of the construction ;

(b) whether the said building has been utilised for the purpose for which it was constructed; if not, the reasons therefor ;

(c) whether any steps are being taken to open the centre referred to in part (a) above in the said buildings; if so, the time by which it is likely to be opened ;

(d) the purpose for which the building referred to in part (a) above is being used at present ?

Shri Mohan Lal : (a) Rs. 11,971. Year 1956-57.

(b) No. The mulberry trees were not available in the surroundings of this rearing room nor is any piece of land attached to this building where mulberry garden could be established.

(c) No.

(d) It is lying vacant.

BREACHES IN DHUSSI BUND IN GURDASPUR DISTRICT

1006. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) the total number of breaches which occurred in the Dhussi Bund in Gurdaspur District during the current floods ;

(b) whether it is a fact that a group of M.L.As. have demanded an enquiry in this connection ; if so, whether an enquiry has been held and the result thereof ;

(c) the total amount spent upon the construction of the said Bund together with the estimated loss caused to it by the breaches, referred to in part (a) above ?

Sardar Gian Singh Rarewala : (a) One breach took place in Gurdaspur District opposite village Ghonewala on the Dhussi Bund along the left bank of river Ravi.

(b) No.

(c) Rs. 1,452 were spent on the construction of the Bund in the Ghonewala area and the damage to the Bund on account of the breach is estimated to be the same as the cost of the Bund.

DAMAGE TO THE BUILDING OF CIVIL HOSPITAL, JULLUNDUR, BY STONING ON 9TH FEBRUARY, 1958

1007. Sardar Atma Singh : Will the Chief Minister be pleased to state—

(a) whether it is a fact that some people stoned the building of the Civil Hospital, Jullundur, on 9th February, 1958, if so, the total damage caused thereby to the said building and the amount, if any, spent on repairing it;

(b) whether it is a fact that a case regarding the incident mentioned in part (a) above was registered with the Police; if so, the stage at which the case is at present ?

Sardar Partap Singh Kairon : (a) Yes. Damage to the extent requiring repairs which cost about Rs. 100 was caused.

(b) Yes. The persons challaned against were, however, acquitted by the Court.

REFUND OF SECURITY DEPOSITS OF CONTRACTORS IN PATIALA I.B. CIRCLE

1008. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) whether the Superintending Engineer, Patiala Circle Irrigation Branch, Patiala, issued any instructions during the year 1957-58 for the refund of the security deposits of contractors in the State; if so, the amount of such deposits together with the names of contractors concerned ;

(b) whether the said instructions have been complied with; if not, the reasons therefor and the names of the officers who have not so far complied with the said instructions ;

(c) the time by which the deposits are expected to be refunded in full ?

Sardar Gian Singh Rarewala : (a) No.

(b) Question does not arise.

(c) Does not apply in the context of reply against item (a). However, normally all security deposits are refunded after the payment of the final bills, but three months after the completion of work.

RAISING OF STANDARD OF GOVERNMENT HIGH SCHOOL, SULTANPUR LODHI, DISTRICT KAPURTHALA

1009. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state—

(a) whether any orders were issued by Government for raising the standard of Government High School, Sultanpur Lodhi, in Kapurthala District, to Higher Secondary ; if so, the date on which these orders were issued ;

(b) whether it is a fact that the said orders were withdrawn subsequently; if so, the reasons therefor ?

Shri Amar Nath Vidyalankar : (a) On the 17th March, 1958, instructions were issued that all the High Schools which had since been paid any grant under the Multipurpose scheme were expected to switch over to the new pattern of Secondary Education with effect from the 1st April, 1958. The instructions did not apply to Government High School, Sultanpur Lodhi, district Kapurthala as no grant had been paid to it.

(b) When it was discovered that some schools, which had been given a grant of Rs. 15,000 for the core subjects had also switched over to the pattern, it was pointed out that the previous directive did not apply to them. The grant for the core subjects was not adequate for the effective teaching of elective groups.

OFFICERS BELONGING TO SCHEDULED CASTES AND BACKWARD CLASSES IN EDUCATION DEPARTMENT

1011. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state—

(a) the total nuber of Class I Officers at present in the Punjab Education Depament together with the number amongst them of those belongingrtmthe Scheduled Castes and Backward Classe in the State ;

(b) whether the number of posts referred to in the latter part of (a) above is in accordance with the percentage fixed by Government; if not, the reasons therefor together with the steps, if any, being taken to make it up ;

(c) the total number of officers belonging to the Scheduled Castes and Backward Classes in the Education Department, who are in P.E.S., Class II;

[S. Atma Singh]

(d) whether there is any proposal under the consideration of Government to promote the officers referred to in part (c) above to class I; if so, the time by which they are likely to be promoted ;

(e) whether Government received any representation from the officers mentioned in part (c) above, asking for promotion to class I; if so, the action taken thereupon so far ?

Shri Amar Nath Vidyalankar : (a) Forty-one. None of them belongs to a Scheduled Caste or a Backward Class. One Scheduled Caste Officer is working against a P.E.S., Class I post, but he has not yet been promoted as such.

(b) No. The reason is that suitable qualified scheduled castes officers are not available when the posts are advertised and reserved for them. When a post in P.E.S., Class I is advertised, due care is taken that reservation is made for scheduled castes according to Government orders.

(c) Four.

(d) There is no such proposal as promotion is governed by the normal rules of the Department and no reservation is made for Scheduled Castes.

(e) No such representation has been received.

(b) the estimated yearly loss to the State on account of the diversion of trade referred to in part (a) above ?

Dr. Gopi Chand Bhargava : (a) Yes, Sir. The Punjab Government addressed the Government of India in January, 1957 for the introduction of sales-tax on all goods in Himachal Pradesh, to prevent diversion of trade from this State. The Government of India have intimated that the question of levy of sales-tax on special goods consumed by affluent section of society is under consideration.

(b) The estimated yearly loss to the State Government cannot be worked out readily as there is no separate record of sales-tax assessed on luxury goods.

REDUCTION IN THE RATES OF ELECTRICITY SUPPLIED FOR INDUSTRIAL AND AGRICULTURAL PURPOSES

1013. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) whether there is any proposal under the consideration of Government to reduce the rate of surcharge on consumption of electricity by Industrial concerns in the State ; if so, whether any Committee to examine this matter has been constituted ;

(b) whether there is any proposal under consideration of Government to give relief to consumers of electricity for Agricultural purposes ?

Sardar Gian Singh Rarewala : (a) and (b) No. There is no such proposal with the Government at present. The Government have, however, constituted a Committee to examine the impact of electricity duty on various Industries and on Agriculture, in a comprehensive manner. The question whether any relief on account of this duty is needed would be examined by Government after receipt of the recommendations of the Committee.

DEFECT IN KOTLA POWER-HOUSE

1014. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) whether the transformer at the Kotla Power-House developed any trouble ; if so, the date when this trouble came to the notice of the Government and the date when the defect was removed ;

(b) the reasons why the defect referred to in part (a) above occurred ; and the expenditure incurred on having it removed ;

(c) the steps, if any, taken to avoid any repetition of such defects occurring ;

(d) whether the entire machinery at the said Power-house has been examined ; if so, the result of the examination ?

Sardar Gian Singh Rarewala : (a) (i) Yes.

(ii) 19th May, 1958.

(iii) It was tested and put into Commission on 6th August, 1958. Since then the transformer is working satisfactorily.

(b) (i) Due to some manufacturing defects.

(ii) Temporary repair has been carried out incurring an expenditure up to the extent of Rs. 21,860. Replacement of the damaged parts which are being imported from America will involve cost to the tune of Rs. 2 lakhs.

(c) Staff is vigilant and regular maintenance work is being carried out on all the machines installed in all the Power-houses.

(d) Yes. Satisfactory.

DIFFERENCE IN THE SCALES OF PAY OF GAZETTED RANKS IN THE EDUCATION DEPARTMENT

1015. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state with reference to the reply to part (a) of Starred Question No. 2040 included in the List of Starred Question for 17th March, 1958 whether any decision in the matter of revision of grades of P.E.S. I and P.E.S. II (Women's Branch) so as to bring them to the level of grades of pay of Men's Branch has so far been taken; if not, the reasons therefor together with the time by which a decision is likely to be taken ?

Shri Amar Nath Vidyalankar : Yes. It has since been decided to revise the grades of pay of Women's Branch of P.E.S., Classes I and II, to bring them to the level of grades of Men's Branch.

GAZETTED OFFICERS IN THE EDUCATION DEPARTMENT POSTED AT ONE PLACE FOR MORE THAN THREE YEARS

1016. Sardar Atma Singh : Will the Minister for Education and Labour be pleased to state the number of Gazetted Officers (Executive) in the Education Department who have remained posted at one place for periods of more than three years together with the reasons therefor in each case ?

Shri Amar Nath Vidyalankar : Three. There are no orders that all officers who have stayed at one station for a period of three years must be transferred.

APPEALS PENDING WITH THE SETTLEMENT OFFICERS KAPURTHALA

1017. TUBE-WELL IRRIGATION IN BET AREA OF KAPURTHALA DISTRICT

1020. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state whether there is any scheme under the consideration of Government for providing Tube-well Irrigation in the Bet area of Kapurthala District, i.e., between Bayin and Beas from G.T. Road up to the Harike Pond area ; if so, the steps, if any, so far taken in this connection ?

Sardar Gian Singh Rarewala : A scheme for the installation of 50 tube-wells in the Bet area of Kapurthala District, that is, between Bayin and Beas from G.T. Road up to the Harike Pond area was duly examined. The scheme suffered from the following defects :—

(1) The area is subjected to flooding both from Bayin and Beas Rivers ;

(2) The area so far broken up is already being served by surface wells. The rest of the area has not been broken.

The soil analysis carried out by the Agriculture Department indicated that soil contained salts which would need heavy leaching, which could not be done by tube-well water. In view of the above considerations, the scheme has been postponed for the present.

DHUSSI BUND IN KAPURTHALA DISTRICT

1021. Sardar Atma Singh : Will the Minister for Irrigation and Power be pleased to state—

(a) the total amount so far spent by Government on the construction of Dhussi Bund in Kapurthala District along the river Beas with the length of the Bund completed so far ;

(b) whether there is any proposal under the consideration of Government for the extension of the said Bund from Talwandi Chaudhrian to Ahli Kalan; if so, the time by which its construction is proposed to be taken in hand ?

Sardar Gian Singh Rarewala : (a) The total amount spent so far by Government on the construction of Dhussi Bund in Kapurthala District is Rs. 9,37,420 and the length so far completed is 26 miles.

(b) The proposal for extending the Bund from Talwandi Chaudhrian to Ahli Kalan is under investigation.

EMPORIA IN THE STATE

1034. Sardar Atma Singh : Will the Minister for Industries and Local Government be pleased to state—

(a) the names of places in the State where emporia have so far been opened ;

(b) the year-wise income from and expenditure on the said emporia since they were opened ;

(c) whether any of the emporia referred to above are running at a loss; if so, the reason therefor together with the steps proposed to be taken by Government to make them self-sufficient ?

Shri Mohan Lal : (a) Chandigarh, Patiala, Malerkotla, Phagwara, and New Delhi (outside Punjab State).

(b) As the accounts of the emporia were not kept on commercial basis, the figures of income are not available. A statement of expenditure and receipt is laid on the Table of the House. These figures also include expenditure on making advance payments to consignees and receipt recoveries on final sale of goods in case of erstwhile PEPSU State Emporia.

(c) Emporia are not set up as commercial concerns for earning profits. The objective to be served by emporia is to popularize the products of Cottage and Small Scale Industries by sale and display in the show-rooms, participation in exhibitions, dissemination of the market intelligence to the producers and bringing them into contact with buyers. The scheme of the emporia is a propaganda and development scheme even though some earnings are made by them on the sale of goods by levy of a certain percentage of commission.

INSTALLATION OF WOOD-SEASONING PLANT AT KARTARPUR, DISTRICT JULLUNDUR

1063. Sardar Atma Singh : Will the Minister for Industries and Local Government be pleased to state—

(a) whether there is any proposal under the consideration of Government to instal a Wood-Seasoning Plant at Kartarpur, District Jullundur ; if so, its total estimated cost and the time by which it is likely to be set up ;

(b) the details of the scheme regarding the working of this plant and the manner in which artisans will derive benefit from it ?

Shri Mohan Lal : (a) Yes. There is a proposal under consideration for the establishment of a Wood-Seasoning Plant at Kartarpur, district Jullundur. The total estimated cost of the plant is likely to be Rs 2,70,000 during the Second Five-Year Plan period. Efforts are being made to establish the Plant at an early date. It was intended to establish the plant during the current year, but public response has been poor, and the scheme may not mature until 1959-60.

(b) The scheme, as included in the State's Second Five-Year Plan, involves the establishment of a Seasoning Kiln at Kartarpur, in order to provide for the supply of seasoned wood to the furnishing industry there. It was estimated that a sum of Rs 40,000 would be required for land and building, a further sum of Rs 55,000 would be required for machinery. The remaining provision is for recurring expenditure, working capital, etc. The financial provision made allows for establishment of the Centre as a Government-run Common Facility Centre. It was desired, however, to establish a co-operative or an association to run this Plant, and efforts have been made in this direction. No definite results have been achieved so far even though liberal financial aid has been offered as an incentive. If a co-operative or an association does not come forward to take advantage of the offer, Government would proceed to establish the Plant as a Common Facility Centre.

WATER-LOGGING IN THE STATE

1095. Shri Multan Singh : Will the Minister for Irrigation and Power be pleased to state —

(a) the water-logged area in each district in the State at present ;

(b) the steps if any, taken by Government to combat water-logging in each district ?

S. Gian Singh Rarewala : (a) Information regarding water-logged areas district-wise is not available. The latest statistics show that area of about 32 lac acres in the State has sub-soil water level at a depth within 5 feet of the natural surface and about 38 lac acres has the sub-soil water level varying from 5 to 10 feet below the natural surface and another twenty lac acres has a depth of water table varying from 10 to 15 feet.

(b) As a first step towards anti-water-logging measures the State has undertaken the construction of surface drains and flood protection embankments along rivers. Schemes are being prepared for the State as a whole irrespective of the district in which the area lies. Those areas where the problem is more acute are dealt with first.

DECISIONS OF THE INTEGRATION COUNCIL

1136. Sardar Atma Singh : Will the Chief Minister be pleased to state—

(a) the details of decisions, if any, taken in the meeting of the Integration Council held at Pinjore near Chandigarh on 15th July, 1958 ;

(b) whether the said decisions have so far been implemented, if so, the details thereof, if not, the reasons therefor ?

Sardar Partap Singh Kairon : (a) A copy of the proceedings of the sixth meeting of the Integration Council held on 15th July, 1958, in Pinjore Gardens is laid on the Table.

(b) All the decisions contained therein, except the following have been implemented in so far as the Integration Department are concerned :—

26th meeting of the Integration Committee

Item No.	Subject	Decision
Item No. VII ..	Unification of pay-scales of Punjab and Pepsu employees	Action has already been initiated and orders are being issued in consultation with Finance Department.

Proceedings of the 6th meeting of the Integration Council held on the 15th July, 1958, at 9.00 a.m. in Pinjore Gardens

Present—

(1) Chief Minister, Punjab ;

(2) Planning and Community Project Minister ;

(3) Irrigation and Power Minister ;

(4) Consolidation and Health Minister ;

(5) Public Works Minister ;

(6) Seth Ram Nath.

Additional Chief Secretary, Punjab, Integration Secretary, Finance Secretary, Deputy Secretary, Finance and Shri Ranbir Singh, Chairman, Punjab Public Service Commission, were also present.

The agenda was duly considered and the following decisions were taken :—

	Subject	Decision
	23rd meeting of the Integration Committee held on 14th March, 1958	
Item No. I ..	Consideration of the question of grant of special allowance to the Excise and Taxation Inspectorate staff on Punjab pattern in the new State.	Approved.
Item No. II ..	Finalisation of joint seniority list of Excise Inspectors and Excise Sub-Inspectors of the Excise and Taxation Department	The list as already finalised should stand.
Item No. III ..	Revision of pay-scale of the post of Probation Officer in the Prisons Department	Approved.
	24th meeting of the Integration Committee held on 18th April, 1958	
Item No. II ..	Consideration of grant of Rs 5 per mensem to Class IV employees who have not been provided residential accommodation at Chandigarh	Approved.
Item No. III ..	Reversion of Shri A.C. Garg as Agricultural Inspector from Agricultural Services, Class II, of erstwhile Pepsu	The item was postponed. The Administrative Department should be asked to furnish details as to why this post could not be further continued and why this scheme could not now be further extended.
Item Nos. IV and VI ..	Reveiw of pay-scales revised by the Government of erstwhile Pepsu beyond Punjab norm	Approved.
Item No. V ..	Addition in the equation statement of the Civil Secretariat to include the post of Special Assistant for the purpose of equation	Approved.
Item No. VIII ..	Equation of Block Level Extension Officer, Pepsu, with Block Level Extension Officer, Punjab	Approved.
	25th meeting of the Integration Committee held on 10th May, 1958	
Item No. I ..	Application of Rules to the employees of the erstwhile States of Punjab and Pepsu—Unification of Joining Time Rules.	Approved.

[Chief Minister]

	Subject	Decision
Item No. II ..	Creation of post of D. L. R. and Deputy Secretary to Government, Punjab, Law Department	Approved.
	26th meeting of the Integration Committee held on 5th June, 1958	
Item No. I ..	Working of State Advisory Committee under the S. R. Act.	Noted.
Item No. II ..	Setting up of an Advisory Committee by the Government of India under S. R. Act, 1956, for appeals relating to Integration	Noted.
Item No. III ..	Confirmation of employees pending finalisation of joint seniority lists	It was agreed that confirmations should be done according to the joint seniority lists as finalised by the Integration Council but they should be made conditional and subject to decisions of the Government of India on appeals against joint seniority lists.
Item No. IV ..	Consideration of the question of reversion of one Head Assistant of Excise and Taxation Commissioner, Punjab's Office, consequent upon the reversion of senior incumbent at present on deputation	It was agreed that one supernumerary post be created for Shri Jai Singh, fror lien and one temporary post for posting purposes till such time as he gets absorbed against one of the cadre posts
Item No. V ..	Reconsideration of question as to how the effect of decisions on the representations and appeals against fixation of *inter-se*-seniority in the parent State taken after 1st November, 1956, incorporated in the joint seniority lists of Punjab and Pepsu employees	It was decided that it is difficult to formulate any hard and rigid rules to incorporate the effect of decisions taken by the Administrative Departments on appeals against parent State list in the joint seniority list already finalized. The Departments while taking decisions in such cases should also give a chance to other employees coming between the man appealing and the man appealed against and give them hearing before coming to any final decisions. Any such decision taken should be referred to the Integration Committee for submission to the Integration Council for considering incorporation of the effect of the appeals in the joint seniority lists. The adoption of a particular rule in this respect will be considered after looking into some of these cases to see whether the formulation of a particular rule is possible to govern such cases.

	Subject	Decision
Item No. VII	.. Unification of pay-scales of Punjab and Pepsu employees	The decision of the Integration Committee was approved. It was agreed that in cases of those officiating in higher scales for less than 3 years their number and approximate financial implications involved may carefully be worked out before arriving at a final decision. In the case of hard cases, where a junior man promoted to a higher pay after integration started getting more pay than the one promoted to the same rank before the Integration, it was agreed that the Punjab scale should be allowed to such senior man from the date from which his junior started getting. This was also agreed to in principle by the F.S. It would however, be necessary to refer such cases alongwith particulars to the Finance Department before this decision is enforced. This should be done by the Integration Department instead of leaving it to the Administrative Department.
Item No. VIII	.. Supplementary Provisional Cadre of the P. W. D., Electricity Branch	Approved.

Seniority Lists

Item No. VI(4)	Industries Department	(a) Deputy Directors, A.D.Is and D.I.Os	The *ad-hoc* seniority to Shri O. P. Sikand, Deputy Director, Industries was approved.
		(b) Various services of the Sericulture Organisation	It was agreed that there was no hardship involved to Shri Dev Raj Gupta and therefore no *ad hoc* decision was considered necessary.
		(c) Boiler Inspectors ..	The equation of two posts was approved and it was agreed that Shri Braham Singh Panesar should be placed senior to Shri Harbhajan Lal.
		(d) Ministerial Establishment of the Stores Purchase Organisation—Superintendent to Clerk	It was agreed that the list as prepared on cadre to cadre basis be approved and that Shri Kailash Behari Lal should be given *ad-hoc* seniority above Shri Tharia Lal. It was, however, observed that the resultant effect of this *ad hoc* seniority on Tharia Lal should be kept in mind by the Administrative Department for such sympathetic action in future as may be possible.
Item No. VI(5)	Health Department	P. C. M. S., Class II (Women)	The list as finalised by the Integration Committee was approved and the case of Dr. Mrs. Chaudhri was particularly considered and it was found that only because of her having worked on a ex-cadre post in a higher grade could not entitle her to an *adhoc* seniority in this cadre.
Item No. VI(6)	Co-operative Department	Deputy Registrar to Sub-Inspector	The list as finalised by the Integration Committee was approved and it was agreed that the *ad hoc* seniority should be given to Shri Khosla as agreed to by the Committee.

Proceedings of the 22nd meeting of the Integration Committee, held on the 21st February 1958 at 3.00 p. m. in the Committee-Room of the Punjab, Civil Secretariat, Chandigarh

Present :

(1) Chief Secretary to Government, Punjab.

(2) Integration Secretary to Government, Punjab.

(3) Shri Prem Sarup, I.A.S. Deputy Secretary, Finance. Deputy Secretary, Integration, was also present.

The following officers attended on behalf of the Departments :—

(1) Shri R. S. Kang, I. A. S., Secretary to Government, Punjab, Health and Local Government Departments.

(2) Shri H. B. Lal, I. A. S., Secretary to Government, Punjab, Industries Department.

(3) Dr. J. N. Thandani, I.A.S., Director of Industries, Punjab.

(4) Shri V. P. Gautam, I. A. S., Deputy Secretary, Revenue.

(5) Dr. Jagdish Singh, Director of Health Services.

(6) Shri V. P. Malhotra, Under-Secretary, Co-operatives.

(7) Shri Mehar Singh, Deputy Registrar, Co-operatives.

(8) Shri Gulab Chand Jain, Assistant Secretary to Government, Punjab.

ITEM I.—PROTECTION OF SERVICE CONDITIONS TO BE AFFORDED TO STATE SERVICE PERSONNEL AFFECTED BY RE-ORGANISATION OF STATES;

It was decided that the Government of India should be informed in reply to their letter that we agree with their point of view in principle ; but considering that the joint seniority lists have not been and could not have been finalised uptil now in all cases, it would not be possible to follow these instructions to the letter. It is not necessary to ask the Government of India for their advice. They should be just informed about it.

ITEM II.—CONSIDERATION OF SUPPLEMENTARY PROVISIONAL CADRE OF THE PUNJAB CIVIL SECRETARIAT, INCLUDING RAJ BHAWAN.

Approved.

ITEM III.—ALLOCATION OF EMPLOYEES TO CORRESPONDING DEPARTMENTS IN THE NEW STATE AS A RESULT OF BIF-URCATION OF ERSTWHILE PEPSU DEPARTMENTS, CASE OF SHRI BODH RAJ TULI CLERK.

It was decided that :

(i) the lien of such a permanent employee may be fixed in the permanent department in the new State corresponding to the bifurcated department of erstwhile Pepsu from which he proceeded, so to say, on deputation to a temporary department where not done already ; and

(ii) such an employees should, when necessary, revert to the permanent department, where his lien is thus fixed, irrespective of the fact, whether he was specifically allocated to that department at the time of merger or not.

The temporary employees allocated to a temporary department as a result of the bifurcation should have no such right of reversion and should be treated at par with temporary employees of erstwhile Punjab of that Department.

The case of Shri Tuli should be decided on these lines.

[Chief Minister]

ITEM IV.—EQUATION AND JOINT SENIORITY LIST OF PERSONAL ASSISTANTS OF ERSTWHILE PEPSU AND STENOGRAPHERS OF ERSTWHILE PUNJAB VIDHAN SABHA SECRETARIAT

It was noted. The list should be completed and printed, as approved by the Speaker Vidhan Sabha.

ITEM V—CONSIDERATION OF EXTENSION OF POSTS CREATED TILL FURTHER ORDERS ABSORPTION OF SURPLUS PERSONNEL.

It was felt that, with the exception of 4 posts of Peons in the Excise and Taxation Department, there appears to be no likelihood of others being absorbed as surpluses. The Departments concerned, should, therefore, be asked to have posts created for these employees in their own Departments. With a view to ensure that these employees get their salaries, it was further decided that the tenure of the present temporary posts may be extended upto 30th June, 1958, or until such time that the posts are created by the Departments, whichever is earlier.

The Peons of the Excise Department shall remain on the surplus list and efforts should be made to absorb them as early as possible. Their tenure is also extended upto 30th June 1958 for the present or the date of absorption whichever is earlier.

SUPPLEMENTARY AGENDA—ITEM I.--POSTING OF SHRI BHAGWANT SINGH BAJWA.

The matter may be referred to the Integration Council.

ITEM VI.—(MAIN AGENDA) CONSIDERATION OF SENIORITY LISTS OF THE VARIOUS DEPARTMENTS

(1) *Civil Secretariat.*—The following list was considered :—

Group of services consisting of Superintendents to Assistants.

In addition to the various comments received from the various employees, certain Superintendents and Deputy Superintendents who wanted to be heard in person, were given a hearing. Shri Jyoti Parshad, Superintendent of Pepsu, was also given a hearing amongst them. The following general points had been made out in the comments and were put up by the employees personally also :—

(i) Some employees have challenged the grouping from Superintendent to Assistant and have stated that it should have been from Superintendent to Clerk. According to Integration Rules (Rule 14, Proviso 1), a service has to be excluded from the group, where the normal method of recruitment is not by promotion in either of the erstwhile States. In Pepsu, it was clearly provided in the Secretariat Rules that 75 per cent of the posts of Assistants should be filled by direct recruitment. On the basis of this, it has already been decided by the Joint Integration Council that the grouping should be from Superintendent to Assistant. There is, therefore, no force in this contention and no reason to alter the previous decision;

(ii) Some of the Punjab employees have represented that their service rendered as Senior Clerk should be counted as equivalent to Assistant, particularly when service of Pepsu employees, rendered as Clerk in the covenanting States had been counted as equivalent to Assistant. This point has also been considered already at length and it was decided by C. M. (Integration Council) that this could not be allowed. Brief reasons for this are :—

(a) Pre-Pepsu equated service has been allowed, as had been done by Pepsu Government at the time of formation of Pepsu and this cannot be challenged now. There is a provision about it in the Service Integration Rules (Rule 19) ;

(b) There was no institution of Assistants in the covenanting States and Clerks in higher grades were doing the work of Assistants ;

(c) In Punjab, the institution of Senior Clerk was abolished in 1954 and all of them were kept in the category of Clerks, like Junior Clerks with the result that on 31st October, 1956, they were all Clerks.

In view of this, the decision already taken may stand and there is no reason to alter this.

(iii) Some employees have represented that seniority of Superintendents has not been fixed strictly in accordance with their total length of service in the group ;

The whole case was considered by C. M. (Integration Council) after hearing both parties and he agreed to the *ad hoc* joint list of Superintendents, as now circulated. This ensures to a large extent the chances of promotion to the post of Assistant Secretary on both sides. All the points ususally considered for *ad ho* decision were duly taken into account ;

There is, therefore, now no force in the comments against these *ad hoc* decisions taken in accordance with Rules.

(iv) *Shri Jyoti Parshad, Superintendent (Pepsu)*.—He has represented that he had been given a higher grade of Rs 400—750 in Pepsu and as such, he should be considered as senior most Superintendent, from Pepsu. At present, his post of Budget Superintendent in the grade of Rs 400—750 has been taken along with other Superintendents, of Pepsu, even though it was ex-cadre and has been equated with Punjab Superintendents. Considering that he was not given seniority over other Pepsu Superintendents, in Pepsu by virtue of his higher grade, he could not be treated as senior to them in the joint seniority list in the new State. After hearing him and considering all pros and cons, it was decided that his post should remain ex-cadre, as it was in Pepsu and he should retain his present pay and pay-scale of Rs 400—750, in which he was confirmed. He shall not figure in the joint seniority list but will be made to work against some post of Superintendent in the Secretariat. The equation statement shall also stand amended by excluding the post of Shri Jyoti Parshad from it. This was considered to be most equitable to Shri Jyoti Parshad as well as all others concerned.

(v) Some Punjab employees have represented that Shri Ranjit Singh, Superintendent Pepsu, be given seniority according to his length of service. He was Personal Assistant to Chief Secretary, Kapurthala, from 1946. These posts were in a very much higher grade than clerical grades which were integrated as Assistants on the formation of Pepsu. He has, therefore, been treated as Direct Recruit to a higher service and his seniority has been fixed accordingly. Thereafter, the list of all Superintendents, has been prepared on an *ad hoc* basis, as stated above and so this point loses much of its force, in view of this decision.

Similar comment has been made in respect of Shri R. D. Syal, Superintendent, from Pepsu. He was also integrated as Assistant-in-charge at the formation of Pepsu, which was higher than Assistant. He has also, therefore, been treated as Direct Recruit correctly. Incidentally, he has been taken in the P. U. A. S. (P.C.S.) .

(vi) Some Pepsu employees have represented that Shri Jagdish Ram Rattan, Pepsu Deputy Superintendent, be treated as Direct Recruit, or else he may be given *ad hoc* seniority, as he is depressing a large number of Pepsu Deputy Superintendents, and Assistants. It has been verified that his is a case of promotion, and not of Direct Recruit. The depression in the parent State caused by him only counter balance to some extent the hardship of Punjab employees in other respects and there seems to be no case for *ad hoc* decision in his favour. There is, therefore, no force in this representation.

(vii) The Deputy Superintendents of Pepsu have represented that they have been placed below some of the Punjab Assistants and they should be given *ad hoc* seniority and placed amongst the cadre of Deputy Superintendents. The case of Deputy Superintendents, also had already been fully considered after hearing them and it was decided by the C. M. (working as Integration Council) that they should be made to work as Deputy Superintendents, like Punjab Deputy Superintendents and retain their status ; but in the matter of seniority, they should remain where they are. It was particularly noted that there was no real hardship in this case, because in the case of Pepsu Deputy Superintendents, and Assistants, their pre-Pepsu equated service as Clerks in certain grades, which were fairly low had also been counted for seniority, whereas on the Punjab side, service rendered as Senior Clerk in a much higher grade, has not been counted for seniority. On merits, therefore, the Committee felt that there was no hardship involved in the case of Pepsu Deputy Superintendents and Assistants and, therefore, they considered that seniority as already fixed, should stand.

[Chief Minister]

Shri Kartar Singh Dhinds a who is at present working as Superintendent in Rehabilitation Department has represented that in Pepsu he was senior to Shri 'Hazura Singh and some others who have been integrated as Superintendents, in the Civil Secretariat and therefore, he should also be shown in the list of Superintendents above Shri Hazura Singh. The facts of his case are that the Pepsu Government, confirmed him as Personal Assistant some time in 1955 and as such in the parent State list which were finalised by erstwhile Pepsu Government for integration purposes, he was included in the list of Personal Assistants and Stenographers. He has accordingly been duly integrated in the joint seniority list of Personal Assistants and Stenographers. There is no occasion to change the parent State seniority list on the integration side at this stage. If Shri Dhindsa has any complaint against his having been wrongly confirmed as Personal Assistant in 1955 by the erstwhile Pepsu Government it is for the successor or Administrative Department to look into this and they will obviously do so in due course, in case such a representation is made to them.

(viii) The remaining comments are mostly on the following points :—

(a) against parent State seniority ;

(b) counting of service in other departments ;

(c) counting of War Service, where not already allowed.

(d) counting of broken periods of service ;

(e) pre-Pepsu service not to be counted ;

(f) special qualifications to be considered ;

(g) making of service records available ;

(h) against equations ;

(j) factual errors.

Factual errors have been corrected, where duly verified. The rest, being against principles of integration, cannot be considered.

Subject to the above remarks the list, as prepared by the Department was approved.

(2) *Financial Commissioner, Revenue*.—The following list was considered :—

Clerks, including Junior Scale Stenographers, and Steno-typists.

The various comments made by the employees were considered. They were either about factual errors, which have been corrected or about the parent State list, which could not be considered. The list has been prepared by the Department in accordance with the positions.

stood on 31st October, 1956. It was found to be in order and approved.

(3) *Consolidation Department*.—The following lists were considered :—

(i) Inspectors.

(ii) Sub-Inspectors.

In the case of Inspectors, the comments are either against parent State or against certain factual errors or omissions which have been duly corrected, or will be corrected after verification before printing the list. Subject to this, the list, as prepared by the Department was found to be in order and approcved.

In the case of Sub-Inspectors, it was found that quite a large number of Pepsu employees working as Kanungoes or Camp Clerks have not been included in the list. The department pointea out that their particulars were not readily available. They were told to suply all these particulars and the revised list by incorporating all the missing names whithin 15 days, whereafter the list would be considered again.

(4) *Industries Department.*—The following lists were considered.—

(a) Deputy Directors, A.D.Is. and D.I. Os.

(b) Various services of the Sericulture Organisation.

(c) Boiler Inspectors.

(d) Ministerial Establishment of the Stores purchase Organisation Superintendent to Clerk.

(a) The merits of the case of Shri O. P. Sikand, Deputy Director of Pepsu, were particularly examined. Considering that he was Deputy Director from Pepsu in grade Rs 300—850, it was agreed that *ad hoc* seniority recommended for him by the Administrative Secretaries of the two erstwhile States should be accepted and he should retain his seniority at serial No. 8, as shown in the list.

(b) In this case, the Administrative Secretaries of the two erstwhile States had recommended that Shri Dev Raj Gupta of Pepsu should be given *ad hoc* seniority at serial No. 4 though his natural seniority comes at serial No. 7. The main ground, on which they have made this proposal seems to be that he was taken as a direct recruit in grade Rs 116—250, which is higher than the corresponding grade of Punjab, viz, Rs 80—200. It was also pointed out that he was Intermediate, whereas others were Matriculates. The Committee felt that the two posts having been equated, these considerations were really not very weighty and keeping particularly the age and also the fact that there are practically no openings in this organisation it was decided that there was no justification to give *ad hoc* seniority to Shri Gupta. He should remain at serial No. 7, i.e., below Shri Fateh Singh of Punjab.

(c) Shri Brahma Singh Panesar, Boiler Inspector of Pepsu, had represented that his post should be equated with that of Boiler Inspector of Punjab and he should be placed senior to Shri Harbhajan Lal, Boiler Inspector, Punjab, because he had longer service. The two Administrative Secretaries had agreed that these posts may remain unequated and in view of this recommendation, the second post in the provisional cadre of the new State had been provided as Junior Boiler Inspector. The main reason was that the grade of Boiler Inspector, Pepsu, was Rs 200—500 and in Punjab, it was Rs 300—600. The Committee felt that in this very Department, Development Officers of Punjab in grade Rs 200—500 have been duly equated with Development Officers of Pepsu in grade Rs 300—600 and the joint seniority has been fixed according to the length of service. On that anology and keeping in view the fact that the Administrative Department has taken another decision to change the designation of the second post from Pepsu as Boiler Inspector instead of Junior Boiler Inspector, it was decided that the two posts should be duly equated and in view of this equation, the joint seniority should be fixed according to the length of service. In this manner Shri Brahma Singh Panesar would be placed above Shri Harbhajan Lal of Punjab. It was seen that in age also, Shri Brahma Singh was older than Shri Harbhajan Lal.

(d) The Department has prepared the seniority on cadre to cadre basis, as mutually agreed to by the two Administrative Secretaries, even though grouping could be done. Considering, however, that certain anomalies would have occurred because of certain clerks becoming senior to Assistants, according to grouping, and also the fact that except for Shri Kailash Behari Lal, nobody else has represented against this point, it was decided that the list, as already prepered on cadre to cadre basis should be accepted.

Shri Kailash Behari Lal of Pepsu has represented that if grouping had been done, he would have been above the Punjab Head Assistants. Shri Nihal Singh of Punjab, shown as Head Assistant in the list, had actually been promoted as Superintendent before integration and, therefore, he should be shown as Superintendent in the lists which are now being finalised. Shri Kailash Behari Lal should be placed above Shri Tharia Lal, Head Assistant on an ad-hoc basis. He is older than Shri Tharia Lal in age also. This would set right the hardship caused to him by abandoning the grouping.

Subject to the above remarks, the lists, as prepared by the Department, are approved.

(5) *Health Department.*—The following lists were considered :—

(i) P.C.M.S., Class I and II (Men).

(ii) P.C.M.S. Class II (Women).

[Chief Minister]

In the case of list (i), the chances of promotion, as worked out by Administrative Department were considered. It was, however, decided that it would not be correct to change the parent State seniority lists by giving benefit of 6 months' accelerated service, which is still to be given by the Administrative Department. Similarly, such of the officers who have been, or are likely to be superseded, shall have to be kept in the list, where they are, even though they may be ignored for the purpose of calculating the chances of promotion. It has to be remembered that the joint seniority lists have to be finalised according to the position, as it stood on 31st October, 1956, and any orders passed subsequently would be incorporated by the Department themselves in accordance with the rules and instructions on the point. The Committee felt that the chances should be worked out afresh, keeping in view these principles and put up to them again. It was decided that the Integration Department should attempt this, in consultation with the Administrative Department.

As regards list (ii) above, the main comment is from Dr. Mrs. Chowdhry of Punjab, who has claimed some special treatment in view of the higher grade (Rs 500—800) in which she has been working for the last 7 or 8 years, being on contract, as Medical Superintendent Lady Reading Hospital, Simla. It was felt that she was a permanent P.C.M.S. class II officer in Punjab and has to be integrated accordingly. She is actually to revert to her post very shortly. It was found that she has been correctly placed in the joint seniority list according to her length of service.

All other comments were either against parent State seniority or against principles of integration. The list, as prepared by the Department, was found to be correct and approved.

(6) *Co-operative Department.*—The following list was considered :—

Group of services from Deputy Registrar to Sub-Inspector.

The main point, on which representations have been made by certain Punjab and Pepsu officers was that grouping should have been from Inspector to Deputy Registrar, because Inspectors on both sides were not normally promoted from Sub-Inspector. It was found that if grouping had been resorted to from Inspector to Deputy Registrar, 8 out of 10 Assistant Registrars of Pepsu would have gone below Punjab Inspectors. In the case of 4 of them, 25 Punjab Inspectors would be above them. This would have caused hardship and would have required further *ad hoc* decisions. A Pepsu Deputy Registrar is at serial No. 35 of the list, i.e., below Punjab Assistant Registrars and some Inspectors also. In the case of grouping from Inspector to Assistant Registrar, he will be at No. 22 and still below about 17 Assistant Registrars of Punjab. It was felt that he has in any case to be given *ad hoc* seniority, whatever be the grouping. Keeping all these facts in view, it was decided that the number of representations, according to present list, is very small and the effect of the change in grouping would be more adverse on the Pepsu side and would require further *ad hoc* decisions. As such, it was decided that the grouping should remain, as already agreed to by the Heads of Departments and the Administrative Secretaries of the two erstwhile States.

In the case of Shri Khosla, Deputy Registrar of Pepsu, it was decided that he should be placed at No. 5 on an *ad hoc* basis, i.e., next to Shri Mehar Singh, the last Deputy Registrar of Punjab.

A few comments were only against principles of integration, which could not be considered. Subject to the above remarks, the list, as prepared by the Department, was found to be in order and approved.

(7) *Irrigation Branch.*—Postponed.

Proceedings of the 23rd meeting of the Integration Committee, held on the 14th March, 1958, at 3.00 p.m., in the Committee room, Punjab Civil Secretariat, at Chandigarh.

Present :—

(1) Chief Secretary to Government, Punjab.

(2) Integration Secretary to Government, Punjab.

(3) Finance Secretary to Government, Punjab.

(4) Shri Prem Sarup, I.A.S., Deputy Secretary, Finance.

"ty Secretary, Integration, was also present.

The following officers attended on behalf of the Departments :—

(1) Shri R. S. Kang, I.A.S., Secretary to Government, Punjab, Health and Local Government Departments.

(2) Shri Ishwar Chandra, I.A.S., Deputy Secretary, Irrigation and Power.

(3) Shri Badri Nath Chopra, Deputy Secretary, Finance.

(4) Mian Bhag Singh, Deputy Secretary, Revenue.

(5) Shri J. S. Basur, I.A.S., Excise and Taxation Commissioner, Punjab.

(6) Dr. Jagdish Singh, Director, Health Services, Punjab.

(7) Shri A. S. Kalha, Chief Engineer, Punjab, P.W.D., Irrigation Branch.

(8) Shri P. K. Kathpalia, Under-Secretary, Irrigation.

ITEM I.—CONSIDERATION OF THE QUESTION OF GRANT OF SPECIAL ALLOWANCE TO THE EXCISE AND TAXATION INSPECTORATE STAFF ON PUNJAB PATTERN IN THE NEW STATE

It was decided that now that the question of temporary allowance and dearness have been settled and made uniformly appliacable, the special allowances of this Department should also be made uniform in accordance with the Punjab norm. In case of Excise Peons, when posted in chemical works, there is no special allowance attached on the Punjab side, whereas there was a special allowance of Rs 5 per mensem in the case of Pepsu. The Pepsu incumbents at present getting this allowance should continue to get it, so long as they remain posted to these posts in chemical works. If they are transferred elsewhere in due course, they will not be entitled to this allowance and peons appointed afresh to chemical works-whether belonging to Punjab or Pepsu, shall not be entitled to this allowance. It was also decided that this decision should be enforced from 1st April, 1958.

ITEM II.—FINALISATION OF JOINT SENIORITY LIST OF EXCISE INSPECTOR AND EXCISE SUB-INSPECTOR OF THE EXCISE AND TAXATION DEPARTMENT

It was found that these Pepsu Excise Sub-Inspectors had been reverted for some time, because they had not passed the Departmental examination and when they passed this examination subsequently, they were again posted to their posts and given the original seniority. Since the orders of the Pepsu Government are quite clear that the Excise Sub-Inspectors should be considered as having been integrated as Excise Sub-Inspectors with effect from 1st September, 1948 like all others and given their seniority amongst them as originally decided and also keeping in view the fact that the grades of Clerks were not generally different from that of Excise Sub-Inspectors, it was decided that this broken period should not be taken into account for the purpose of joint seniority ; and that the joint seniority list already finalised, should stand,

ITEM III.—REVISION OF PAY SCALE OF THE POST OF PROBATION OFFICER IN THE PRISONS DEPARTMENT

It was decided that the revised grade of the Probation Officer should be made applicable to the Probation Officer, from erstwhile Pepsu also, with effect from 1st November, 1956, because they are performing similar duties and the decision to revise the scale was taken in January, 1957.

ITEM IV.—CONSIDERATION OF JOINT SENIORITY LISTS OF THE VARIOUS DEPARTMENTS

(1) *Treasury Organisation.*—The following list was considered :—

Treasury Officers.

The list as prepared by the Department, was examined in the light of the comments received from the employees, as well as in the light of the decisions already taken by the Integration Committee/Council. It has already been decided that the service of Punjab employees rendered in grade Rs 200—500 should be counted for the purpose

[Chief Minister]
of seniority. It had also been decided in the previous meeting that the three Pepsu officers may be placed at serial Nos. 3 to 5 on an ad *hoc* basis. In the actual list now prepared, however, Shri Jairam Singh of Punjab, who has been placed at No. 2 has lesser service than all the three Pepsu officers for purposes of this joint serniority list. At the same time some of the Punjab Officers, namely Sarvshri Gurbachan Singh (7), Miglani (8), and Malik (9) placed below the Pepsu officers have longer service than the Pepsu Officers. Shri Shiv Ram Khanna of Pepsu (4) has represented that he should not be placed below Shri Jairam Singh, who has lesser service, while these Punjab officers have represented that they should not be below Pepsu officers, because they have longer service than them. Taking all facts into account. it was decided that since parent State list cannot be changed, and the Punjab officers are depressed by Shri Jairam Singh in the parent State itself. The list prepared according to the date of entry into service will be reasonable. That means that Sarvshri Amrik Singh, Shivram Khanna and Avtar Singh of Pepsu will be at serial Nos. 2, 3 and 4 and Shri Jairam Singh at No. 5. The rest of the list will remain, as prepared by the Department.

(2) *Health Department.*—The following list was considered :—

P.C.M.S., Class I and II (Men).

Most of the comments received in this case are against parent State list or against principles of integration, which cannot be considered at this stage. The only important point, which has been agitated is that about 6 Pepsu Assistant Surgeons have been so placed in the joint seniority list that their chances of promotion have been improved by nearly four to five years, as compared to the chances which they had in the parent State, and consequently, the chances of 8 or 9 officers of Punjab have been reduced by four to five years, as compared with their chances in the erstwhile State, The Administrative Department had recommended that these Punjab officers should be given *ad hoc* senioriy above Pepsu doctors, so that these chances may be reasonably restored and there may be no undue hardship to anybody. They have also said that the exact extent to which the *ad hoc* decisions would be called for, may be decided by the Integration Committee/Council.

The matter has been considered at very great length in consultation with Secretary, Health and Local Goevrnment, and Director, Health Services. Cases on both sides, which were considered as likely to be superseded at the moment, have not been considered for calculating the chances. One more important factor had to be taken into account and that was that Dr. Sham Singh Sekhon, Dr. M. L. Balaggana of Punjab had qualified for enhanced seniority by 6 months before integration. Somehow or other, the orders could not be passed earlier. These orders have now been passed by the Government. It was, therefore, decided that even though orders have been passed after integration, the effect of these orders should be incorporated, because it has to be incorporated immediately by the Department. Any chances of promoti on worked out by ignoring that fact would not give a realistic picture. To this extent the parent State list may be taken as changed.

Keeping these and all other factors into consideration, it was decided to fix the seniority of the doctors on an *adhoc* basis, as noted below :—

Name	State	Position in the present list	Position on *ad hoc* basis
Dr. K. C. Anand	.. Punjab	33	30
Dr. Sohan Singh	.. Do	34	21
Dr. K. C. Kandhari	.. Do	35	32
Dr. S. P. Jain	.. Do	36	33
Dr. S. S. Sekhon	.. Do	41	34

Name	State	Position in the present list	Position on *ad hoc* basis
Dr. M. L. Bilaggana ..	Punjab	43	35
Dr. Harkishen Singh ..	Do	39	36
Dr. H. S. Kanwar ..	Do	40	37
Dr. Ishwar Sarup ..	Pepsu	30	38
Dr. R. K. Rao ..	Do	31	39
Dr. C. S. Ahluwalia ..	Punjab	42	40
Dr. Inder Sen Jaitly ..	Do	45	41
Dr. Gurbux Singh Babbar ..	Do	46	42
Dr. Ugar Sen ..	Pepsu	32	43
Dr. Gurbux Singh ..	Do	37	44
Dr. Harnand Singh Dhillon ..	Punjab	48	45
Dr. Hom Chand ..	Pepsu	28	46
Dr. Pritam Singh ..	Do	44	47
Dr. Jagat Ram ..	Do	47	48

The rest of the list, above serial No. 30 and below serial No. 48, shall remain as prepared by the Department.

The Committee also took special notice of the seniority of Dr. Bhagwant Singh of Pepsu at serial No. 29 but taking the various factors in view, decided that he should remain where he is and no *ad hoc* decision was called for in his case.

(3) *Irrigation Branch.*—The following list was considered :—

Ministerial staff.

The Department had originally prepared the joint seniority list of ministerial services by grouping them from Clerk to Superintendent. They further proposed that after this grouping, various officials going above or below their equated cadres, should be placed within their cadres. The list, as drawn up on this basis, was duly circulated by them, and comments were also invited. There were 8 representations against this, grouping, mostly from Pepsu employees, alleging that the staff working on the Ministerial side in the P.W.D., Irrigation Branch, in Pepsu, was part of the Civil Secretariat, like other Departments. Since in the case of Civil Secretariat and those other departments, it has already been decided to group the services from Assistant to Superintendent on the basis, that 75 per cent of recruitment to the post of Assistant was to be direct according to Rule 7 of the Pepsu Civil Service Rule, the grouping in the case of Irrigation Branch, should also be from Assistant to Superintendent. The Committee has considered this matter at great length and in two or three meetings. A fresh list was also got prepared by grouping from Assistant to Superintendent, and then keeping the employees who go above or below their cadres, within their cadres, on *ad hoc* basis. The comparative effect on the employees on this list has also been very carefully examined. There is no denying the fact that the grouping from Clerk to Superintendent benefits the Punjab employees by and large and the grouping from Assistant to Superintendent benefits the Pepsu employees very excessively. In fact, it improves their chances to further promotions to a very large extent, as compared to their chances in the parent State. However, considering all the facts and the effect thereof on the various lists, it was decided that, because the grouping has been from Assistant to Superintendent in the case of the Civil Secretariat, the same grouping should be adopted in the case of P.W.D., Irrigation Branch, also. With a view to remove the

[Chief Minister]

hardships on both sides as a result of this grouping, some *ad hoc* proposals were considered but it was decided that the same should be further discussed and examined by the Deputy Secretary, Integration, and Chief Engineer, Irrigation Branch, and thereafter put up to the Integration Committee again.

There are certain representations that service on the Punjab side, as Calculators, Signallers, Tracers, etc., rendered in Circles, has also been counted as clerical service for joint seniority. It was found that this service had always been counted as clerical when these employees used to be transferred from the Circles to the Head Office and they were given credit for it or fixing their seniority in the Head Offices. As such, this benefit cannot now be questioned for the purpose of joint seniority.

(4) *Electricity Department*.—The following list was considered :—

P. S. E., Class I.

Originally, the joint seniority of P.S.E., Classes I and II, had been drawn up by grouping and that list was circulated for comments. The Pepsu Officers represented that most of them had been recruited directly in the open competition through the Public Service Commission and, therefore, they should not be grouped with Class II service and their seniority should be fixed with P.S.E., Class I, on cadre to cadre basis. The Administrative Department have examined this point and have agreed with the point of view of the Pepsu officers, because according to Rule 14, Proviso (2) of the Integration Rules, if the method of recruitment to a higher service in a group in the Pepsu State, was normally—not by promotion from a lower service in the group, such lower service shall be removed from the group on both sides. They have therefore, drawn up a fresh list, on the basis of cadre to cadre, and according to this, all the five Pepsu officers have got their position fixed in the joint list according to their length of service, as Executive Engineers in Class I. The comments previously made by them, therefore, have been met and do not call for any further action.

Some of the Punjab officers have represented that Executive Engineers in Junior Class I on Punjab side should also be treated at par with Pepsu Executive Engineers. This obviously cannot be done, because Class I (Junior) is a lower scale, being Rs 375—950, and is not equivalent to P.S.E., I (Senior) in the Punjab itself. There is no counter-part of Class I (Junior) on Pepsu side. The Executive Engineers in Class I have, therefore, been put together and all officers of Class I (Junior) have been put below them according to their parent State seniority. There are a few representations against principles of integration, which cannot be considered.

Factual errors, where pointed out and duly verified by the Department, have been corrected.

The list, as now drawn up by the Department on cadre to cadre basis was found to be in order and approved.

(5) *Planning Department*.—The following list was considered :—

Overseers.

Only two employees have represented and both their representations are against parent State seniority which cannot be considered. The list, as drawn up by the Department, was found to be in order and approved.

Proceedings of the 24th meeting of the Integration Committee held on 18th April, 1958 at 3.00 p.m. in the Committee-room of the Punjab Civil Secretariat, Chandigarh

Present.—

(1) Chief Secretary to Government, Punjab.

(2) Integration Secretary to Government, Punjab.

(3) Joint Secretary to Government, Punjab, Finance Department.

(4) Shri Prem Sarup, Deputy Secretary, Finance (General).

Deputy Secretary, Integration, was also present.

The following attended on behalf of the Departments :—

(1) Secretary to Government, Punjab, Health and Local Government Departments.

(2) Secretary to Government, Punjab, P.W.D., B. &R.

(3) Shri Ishwar Chander, I.A.S., Deputy Secretary, Irrigation and Power.

(4) Director of Health Services, Punjab.

(5) Director of Agriculture, Punjab.

(6) Ch. Amar Singh, Under-Secretary (Agriculture).

(7) Shri Jawinda, Executive Engineer, P.W.D., Irrigation Branch (Establishment).

ITEM No. I—DECLARATION OF ERSTWHILE PEPSU STATE GOVERNMENT SERVANTS AS QUASI-PERMANENT UNDER THE PEPSU SERVICE RULES

It was decided that the matter should be further examined from the point of view of the adverse effects, if any, on the existing rights of the Punjab employees if the Pepsu employees are made quasi-permanent under the Pepsu Service Rules.

ITEM No. II.—CONSIDERATION OF GRANT OF RS 5 PER MENSEM TO CLASS IV EMPLOYEES WHO HAVE NOT BEEN PROVIDED RESIDENTIAL ACCOMMODATION AT CHANDIGARH

It was agreed that the concession of Rs 5 per mensem to Class IV employees should be further continued with effect from 1st January, 1958 till such date, as a house may be allotted to an employee.

ITEM No. III.—REVERISION OF SHRI A. C. GARG AS AGRICULTURAL INSPECTOR FROM AGRICULTURAL SERVICES, CLASS II OF ERSTWHILE PEPSU

It was felt that there was a slight element of hardship to Sarvshri Garg and Tejinder Singh ; but keeping in view the very clear rules of the Administrative Department, it was considered that nothing could be done. The Administrative Department rules are that when a particular temporary scheme, against which an official is selected and posted, comes to an end, the incumbent holding the post reverts to his original post, if any, irrespective of the seniority in that temporary post. In this Department, there is a further rule that no appointments can be made except by selection through Public Service Commission. The result is that whenever there is any new post, the case has again to be referred to the Public Service Commission and selection has to be made by them. In other words, no official working against one post can be switched on to another when the former comes to an end. It was further felt that, strictly speaking, the issues involved in this case, did not relate to the Integration at all' but have come about in the normal course in the Administrative Department. The decisions taken by the Administrative Department, therefore, even if they cause slight hardship, cannot be challenged on the Integration side. It was decided that the Government of India, from whom a reference had been received for comments, should be given a suitable reply.

ITEM No. IV.—REVISION OF SCALES OF PAY BY THE ERSTWHILE PEPSU GOVERNMENT ON 1ST JANUARY, 1956 OR THEREAFTER BEYOND PUNJAB NORM

It was agreed that the 5 posts should be included in the list of pay-scales revised by the Pepsu Government beyond Punjab norm and should be referred to the Government of India, in continuation of the previous reference.

ITEM No. V.—ADDITION IN THE EQUATION STATEMENT OF THE CIVIL SECRETARIAT TO INCLUDE THE POST OF SPECIAL ASSISTANT FOR THE PURPOSE OF EQUATION

Approved.

[Chief Minister]

ITEM No. VI—REVIEW OF PAY SCALES REVISED BY THE GOVERNMENT OF ERSTWHILE PEPSU BEYOND PUNJAB NORM

It was decided that the two cases wrongly included previously and the first 12 cases out of the list of 18 now prepared should be deleted from the previous list of 71 cases referred to the Government of India. The Government of India may be asked to treat these as deleted out of the lists sent to them.

The last two cases shall remain included in the list, as before, and the cases mentioned in serial Nos. 13 to 16 may be examined in the Integration Department further and referred to Finance Department, if considered necessary.

ITEM NO. VII—INTEGRATION OF PEPSU CIRCLE SUPERINTENDENTS OF P.W.D., B. & R

It was decided that the list of Head Clerks shall remain non-Statewide according to Punjab norm. Considering, however, that a sort of joint list of Head Clerks of all Circles is prepared for the purposes of promotion to the post of Circle Superintendent as also the fact that the Pepsu Circle Superintendents were on a State-wide basis and had a common seniority, it was agreed that a common list may be drawn up, showing Pepsu Circle Superintendents and Punjab Head Clerks in one list. The decision already taken to place the Pepsu Circle Superintendents above Punjab Head Clerks on an *ad hoc* basis should also be enforced, but it should be modified in this case of P.W.D., B. & R., to the extent that Sarvshri Govardhan Lal, Jagan Nath Dhir and Nand Kishore of Punjab, should be placed, on top, at serial Nos. 1, 2 and 3 and the Pepsu Circle Superintendents should be placed next below them in the joint seniority list. It was felt that the chances of these three Punjab Head Clerks would have been very seriously affected, if they had been placed below Pepsu Circle Superintendents whereas with this modified seniority, their rights will be protected and those of Circle Superintendents of Pepsu, who are very young in age, will still be not adversely affected. The Department should be told to prepare their list on these lines.

ITEM NO. VIII—EQUATION OF BLOCK LEVEL EXTENSION OFFICER, PEPSU, WITH BLOCK LEVEL EXTENSION OFFICER, PUNJAB

Approved.

ITEM NO. IX—CONSIDERATION OF JOINT SENIORITY LIST OF STENOGRAPHERS OF THE OFFICE OF THE CHIEF ENGINEER, P.W.D., ELECTRICITY BRANCH

It was postponed because the Administrative Department wanted to examine it further with the Head of Department.

ITEM NO. X—CONSIDERATION OF JOINT SENIORITY LISTS OF THE VARIOUS DEPARTMENTS

(1) *P.W.D., Irrigation Branch.*—(i) Ministerial staff;

(ii) Research Assistants.

List No. (i) was postponed.

(ii) *Research Assistants.*—It was decided that since there were no 'A' grade and C' grade Research Assistants in erstwhile Pepsu, there should be no group for this service. The 'A' grade and 'C' grade of Punjab Research Assistants shall have their own seniority; as they had in the parent State. The 'B' grade Research Assistants of Punjab and Pepsu who are equated with each other have to be fixed in one list on cadre to cadre basis, according to their length of service, as 'B' grade. Incidentally, all the three Pepsu Research Assistants come at the bottom of 'B' grade in this manner.

There are five officials shown at the bottom of C grade Research Assistants on Punjab side. They in fact belong to the Reclamation side and never had any common seniority with Research Assistants in the Punjab. Their posts are not included in the provisional cadre of C grade Research Assistants either. The Department represented that these names should be removed from this list and shown as a separate list. This position was accepted and the Department was asked to give this separate list, with all their particulars.

It was agreed that persons on deputation elsewhere shall have to be shown in the list and those working on Bhakra side shall have to be excluded, because they have no seniority with the Research Assistants in this office. They have a separate cadre of their own.

Subject to the above modifications, the list, as prepared by the Department was approved.

(2) *Health Department.*—The following list was considered :—

Group of services consisting of Deputy Director, Assistant Director and District Medical Officers of Health.

The list was examined in the light of the comments made by the employees.

The case of Dr. Assa Singh has already been considered by the Integration Committee/Council and it has been decided that he cannot be given credit for his service rendered as Assistant Surgeon.

Doctors Chopra, Mehta, Manohar Lal and Chugh of Punjab have claimed seniority, keeping in view their higher pay-scales or better qualifications. This cannot be considered when the two services have been equated.

Doctors Arora, Anand and Mehta of Punjab have claimed seniority over Dr. Kashmiri Lal of Pepsu on the ground that the latter was not selected by the Public Service Commission, when they were selected and, subsequently, he was selected by the Pepsu Public Service Commission and has now been placed senior. No force was found in these representations, because services from Punjab and Pepsu are being integrated and length of service in the two States in the integrated cadre has to be taken.

Dr. Kashmiri Lal of Pepsu has claimed seniority over Dr. Yag Datt of Punjab on the ground that he was permanent and the latter is temporary. This, again, is no consideration, because we have to take total length of service, whether permanent, officiating or temporary, into account.

Dr. Kartar Singh of Punjab has claimed credit for his length of service rendered as Anti-Malaria Assistant but this could not be allowed, because this service falls outside the group. His service as D.M.O.H. has been duly taken into account. A question was raised that the case of this officer for the grant of war service benefit was not considered. The Administrative Department were advised to take their decision according to rules on the subject .

Drs. Chawala and Virmani of Pepsu and Punjab, respectively, have requested for correction of factual errors, as they had been made substantive permanent before the merger. The Department has verified this fact and the factual error will be corrected.

Dr. Ohri of Punjab wants his service rendered in Himachal Pradesh to be counted for seniority, which cannot be done.

In short, all the comments are against principles of integration and cannot be accepted. The joint seniority list, as prepared by the Department was found to be in order and approved.

(3) *Animal Husbandry.*—The following list was considered :—

Stock Assistants.

The list has now been drawn up on cadre to cadre basis, taking in view the length of service as Stock Assistant. It was found to be in order and approved.

Proceedings of the 25th meeting of the Integration Committee held on 10th May, 1958 at 8.00 a.m., in the Governor's room, Punjab Civil Secretariat, Chandigarh.

Present—

(1) Chief Secretary to Government, Punjab.

(2) Integration Secretary to Government, Punjab.

[Chief Minister]

(3) Finance Secretary to Government, Punjab.

(4) Shri Prem Sarup, I.A.S., Deputy Secretary, Finance (General).

Deputy Secretary Integration was also present.

The following attended on behalf of the Departments :—

(1) Shri Ishwar Chander, I.A.S., Deputy Secretary, Irrigation and Power.

(2) Dr. Arjan Singh, Director of Agriculture, Punjab.

ITEM NO. I—APPLICATION OF RULES TO THE EMPLOYEES OF THE ERSTWHILE STATES OF PUNJAB AND PEPSU—UNIFICATION OF JOINING TIME RULES

It was agreed that the Punjab Joining Time rules be made uniformly applicable to all employees and that this be given effect from 1st November, 1956, as proposed.

ITEM II—CREATION OF POST OF D.L.R. AND DEPUTY SECRETARY TO GOVERNMENT, PUNJAB, LAW DEPARTMENT

It was agreed that the post of Deputy Legal Remembrancer, which was sanctioned in the provisional cadre from 1st November, 1956, should be designated as Deputy Secretary also from that date.

ITEM NO. III—DECLARATION OF ERSTWHILE PEPSU STATE GOVERNMENT SERVANT AS QUASI-PERMANENT UNDER THE PEPSU CIVIL SERVICE RULES

The Committee agreed in principle that the Pepsu Temporary Service (quasi-permanent) Rules should continue to remain applicable to the erstwhile Pepsu employees till such time as the unification of Punjab and Pepsu Rules is brought about. Finance Secretary, however, stated that he would like this case to be further examined in his department to ensure whether this decision would in any way adversely affect the Punjab employees. The Committee decided that the case be referred to Finance Secretary and in the event of his agreeing to the proposal made in the note, the decision of the Committee should be taken, as stated above. Otherwise, the case may be put up again to the Committee, along with the advice which Finance Secretary may give in the matter.

ITEM IV—CONSIDERATION OF JOINT SENIORITY LISTS OF THE VARIOUS DEPARTMENTS

The following joint seniority lists were considered :—

(1) *Civil Secretariat.*—Restorers.,

Apart from the name of Shri Kanwal Dev Sharma, Restorer, as already proposed by the Department, it was decided that the name of Shri Jaswant Singh Sethi, who is a permanent Restorer from Pepsu but was officiating as Clerk on 31st October, 1956, should also be included in the parent State list of Restorers of Pepsu. Subject to this, the list was found to be in order and approved.

(2) *Development Department.* (C. P.—Clerks.

All the representations were against parent State seniority list, which could not be considered. The list, as prepared by the Department was found to be in order and approved.

(3) *Health Department.*—Drug Inspectors

No representations have been received against the list. The list, as prepared by the Department, was found to be in order and approved.

(4) *Animal Husbandry.*—Veterinary Compounders.

There are no representations in this list, but it was noticed that Shri Ram Updesh, Compounder of Punjab shown at Serial No. 16, should be brought at No. 1, keeping in view the dates of entry into service. Subject to this, the list was found to be in order and approved.

(5) *Agriculture Department.* Ministerial Staff (Head office and sub-offices).

The revised lists, as prepared by the Departtment, in accordance with the rules , were considered and the following decisions were taken :-

Head office.—(i) The A. D. has made a proposal that Shri Kuldip Singh, Superintendent of Pepsu, who figures at S. No. 5 in the joint seniority list, should be placed below Shri Jagan Nath, Head Assistant of Punjab, who is at No. 8 on an *addhoc* basis. It was revealed by the Director of Agriculture that Shri Kuldip Singh could possibly have a chance of officiating in a higher post in the erstwhile Pepsu State also, and in view of this factor and his age, it was felt that there was no strong justification in pulling him down on an *ad hoc* basis. His seniority should remain where it is.

(ii) The Department has proposed that the two Head Assistants of Pepsu, viz., Sarvshri Harbhajan Singh (S. No. 7) and Nand Kishore (S. No. 9), should be placed below Sarvshri Sardar Singh (No. 17) and Kidar Singh (No. 19) respectively in the joint seniority ist on an *adhoc* basis. They were Head Assistants (in grade Rs 150—300) in Pepsu, which post has been equated with Assistant 'A' grade (Rs 150—300) in Punjab ; but since such posts are not available in this Department, they have to be treated as part and parcel of the Assistants' cadre, as available in the Department, In the joint seniority list, they go above their equated rank and figure amongst Head Assistants. It was seen that Shri Joginder Singh Cheema (S. No. 15) started officiating as Head Assistant (in grade 250—350) some time in the beginning of November, 1956, and has been continuing since then. By placing Sarvshri Harbhajan Singh and Nand Kishore on the top of Assistants, Shri Cheema would have to revert after having officiated for such a long period ; and in the event of his subsequent promotion, he would get it in a lowerscale, which has now been revised for Head Assistant, viz. Rs 116—250 plus Rs 50. It was felt that this would cause a great hardship to Shri Cheema. On the other hand if Shri Harbhajan Singh and Shri Nand Kishore are placed below him, their chances of promotion to the higher grade would still become a little brighter than what they were in the parent State. Sarvshri Inderjit, Sardar Singh, Bhagat Singh and Kartar Singh of Punjab (S. No. 16 to 19) are all younger than Shri Harbhajan Singh and Shri Nand Kishore, and by placing these two Pepsu Head Assistants above them their chances of promotion would not be very adversely affected and they would still continue as Head Assistants for long periods. It was, therefore, decided that Shri Harbhajan Singh and Shri Nand Kishore should on an *ad hoc* basis be placed below Shri Joginder Singh Cheema. In other words, the serial No. for Shri Cheema would be 13 and that of Shri Harbhajan Singh and Shri Nand Kishore should be 14 and 15.

(iii) There are three Auditors and one Cashier of Pepsu, at S. Nos. 60 to 63. Their posts have been equated with that of Assistant in the Punjab. In the joint list, they come below 12 Punjab Clerks. There was no proposal from the Department for any *ad hoc* seniority for these Pepsu officials, The case was, however, examined by the Committee and it was felt that even though their posts had been equated with that of Assistant they did not have much chance of promotion in the erstwhile Pepsu State. They will now be put in the cadre of Assistants, where the grade itself is somewhat higher than their grade and secondly, they will have chances of promotion as Head Assistant in due course. Except for one, viz. Shri Sarup Lal who does not have any chance of promotion in any case in view of his age, the other three are very much younger in age, as compared to Punjab Assistant and would, therefore, get their chances of promotion to the higher posts, at whichever position they may be placed in the list of Assistants. It was pointed out by Director or Agriculture that there was a factual error in the case of Shri Ram Sarup Jain (S. No. 61) He is shown in the list as having started as Clerk on 9th June, 1951, whereas in actual fare he was subsequently selected as an Auditor in an open selection, where departmental candidates and out siders competed on the same basis. According to integration rules, he is therefore, to be treated as 'direct recruit'. It was decided that this factual error should be corrected and the consequence of this would be that all these four Pepsu officials would normally find their position above Shri Harbans Singh Kahllon, Head Assistant of Punjab (S. No. 13). Keeping in view the circumstances of the case, as explained above, the Committee decided that these four officials should, on an *ad hoc* basis, be placed at the bottom of Assistants, i. e. below Shri Khazan Singh (S. No. 40), because this would still give them adequate protection in the matter of promotion etc

Sub-offices.—There are four Head Assistants/Accountants from Pepsu viz. Sarvshri Ram Kishan (No. 27), Baij Nath (No. 32), Mohan Lal (No. 34) and Prabhdial Singh (No. 48 Their posts are equated with that of Head Clerk of Punjab but in the joint seniority list the figure below some of the Punjab Clerks. They have been considered in the cadre of Head Clerks for all purposes. There is no further chance of promotion for this cadre and in list prepared on cadre to cadre basis, they figure at the bottom of Head Clerks. Keeping

[Chief Minister]

in view all these factors, as well as the ages of these employees and the corresponding Punjab employees, it was decided that they should, on an *ad hoc* basis, be placed at the bottom of Head Clerks.

Subject to the observations made above, the lists as prepared by the Department, were found to be in order and approved.

(6) *Electricity Branch.*—P. S. E., Class II.

Before taking up the individual representations made by various employees, two important points involved in this list were considered :—

(i) Whether the decision taken by the A. D. in restoring the two years service of Pepsu employees is correct particularly keeping in view the effect which it may have on the erstwhi e Punjab employees.

(ii) How the employees selected through P. S. C. up to 31st October, 1956 and placed higher in the merit list are to be shown in the joint list, where they joined service after 1st November, 1956, even though some others placed junior to them in the merit list had joined earlier than 31st October, 1956.

As regards (*ii*) it was decided that even though the lists are to be prepared to show the position, as it existed on 1st November, 1956, and on that day, such employees were not actually in service, the fact cannot be denied that they have been already selected and, according to departmental rules, they had to be placed in their parent State list, according to their position in the merit list, as prepared by the P. S. C. showing certain posts as vacant in the joint seniority list to be reserved for such employees as proposed by the Department was not considered to be a proper procedure. To give them assumed dates with a view to show that they had joinded service earlier was also not considered to be quite necessary in this case. After considering of aspects, the Committee felt that there would, be no objection, keeping in view the circumstances of the case, to include such persons in the joint seniority by showing their own dates of entry into service against their names even though they fall after 1st November, 1956, because they stood duly selected and had to occupy their positions above others who had joined earlier than 1st November, 1956. Such cases are not likely to be very many and there appeared to be no serious complication arising on this account. They should, therefore, be included in the joint serniority list and a brief note, explaining the position, should be added at the end of the joint senecrity list. This discusion will apply to other similar cases also, if any.

As regards (i) above, it was dedided that the decision of the A. D. restoring two years service to the Pepsu employees was definitely correct and has to be accepted; but the fact remains that such a decision would put the empjoyess of erstwhile Punjab State in a disadvantageous position, because in their case, some of the service rendered by them has not been counted, being treated as Apprentice, whereas the entire service rendered by the erstwhile Pepsu employees from the date of joining has been counted for the purpose of seniority. The Committee felt that this aspect should be exmined by the Department further to see whether the period of apprenticeship in case of Punjab employees could also be counted for the purpose of fixing their *inter se* senioriy viz-a-viz. Pepsu employees and the case should be put up again after the report of A. D. is received on this point. In fact the A. D. should prepare an alternative parent State list of Punjab and a joint seniority list also on this basis and send it to the Integration Department along with their views.

The individual comments of the employees and further points, if any, about this list would be examined under this alternative list and views of the A. D. have been received.

Proceedings of the 26th Meeting of the Integration Committee, held on 5th June, 1958, at 8-30 a. m. in the Committee Room of the Punjab Civil Secretariat, Chandigarh.

Present.—

(1) Chief Secretary to Government, Punjab.

(2) Integration Secretary to Government, Punjab.

(3) Shri Prem Sarup, D. S. F. (G).

(4) Shri R. M. Aggarwal, I. A. S., Deputy Secretary, Finance (on behalf of Finance Secretary).

Deputy Secretary, Integration, was also present.

The following officers attended on behalf of the departments :—

(1) Shri Ishwar Chander, I. A. S., Deputy Secretary, Irrigation and Power.

(2) Shri D. C. Khanna, Chief Engineer, Public Health.

(3) Shri R. K. Nair, Chief Engineer, Electricity Branch.

(4) Shri K. K. Muttoo, Deputy Inspector-General of Prisons.

(5) Shri O. G. Adya, Under-Secretary, B. & R./Public Health.

ITEM I—WORKING OF THE STATE ADVISORY COMMITTEE UNDER THE S. R. ACT

Noted.

ITEM II—SETTING UP OF AN ADVISORY COMMITTEE BY THE GOVERNMENT OF INDIA UNDER S. R. ACT, 1956, FOR APPEALS RELATING TO INTEGRATION

This should be published in the PUNJAB GOVERNMENT GAZETTE also. A copy of the notification should be separately circulated to Ministers, Deputy Ministers and Administrative Secretaries.

ITEM III—CONFIRMATION OF EMPLOYEES PENDING FINALISATION OF JOINT SENIORITY LISTS

It was agreed that the joint seniority list, as finalised by the Integration Council may be made the basis for consideration , but such conformations should be made conditional and subject to the decion of the Government of India on appeals against these joint seniority lists, if any

ITEM IV—CONSIDERATION OF THE QUESTION OF REVERSION OF ONE HEAD ASSISTANT OF EXCISE AND TAXATION COMMISSIONER, PUNJAB'S OFFICE, CONSEQUENT ON THE REVERSION OF SENIOR INCUMBENT AT PRESENT ON DEPUTATION

It was agreed that neither Shri Jai Singh nor Shri Shiv Kumar Malhotra can be reverted. The Department should create supernumerary posts for Shri Jai Singh and one additional temporary post of Head Assistant for the purpose of posting, till such time as Shri Jai Singh gets absorbed against a regular cadre post.

This principle should apply to other case also, which may be exactly of similar type

ITEM V—RECONSIDERATION OF QUESTION AS TO HOW THE EFFECNT OF DECISIONS ON THE REPRESENTATIONS AND APPEALS AGAINST FIXATION OF INTER SE SENIORITY IN THE PARENT STATE TAKEN AFTER 1.11.56 INCORPORATED IN THE JOINT SENIORITY LISTS OF PUNJAB AND PEPSU EMPLOYEES.

After giving a good deal of thought to the problem, the Committee felt that the decision previously taken, was certainly not workable and not in accordance with the normal method of incorporating the decisions of appeals. It was felt that there was now one joint list for the new State and the appeal of any one against another, if accepted, should be given effect to according to the normal method. The method normally is to place the man who has thus appealed above the man, against whom his appeal has been accepted. This will not involve wholesale shifting of any number of employees and this should be done irrespectivly of the consideration whether any employees in between are there from the same erstwhile State or from the other and also without having regard to the *ad hoc* decisions which may have been taken in respect of any employee.

The case of Shri Amar Chand Jain, Assistant in the Civil Secretariat, was particularly considered and it was agreed that he should be given his seniority in the joint seniority list, according to the manner stated above and that the list may be circulated after incorporating this decision, in anticipation of approval of the Integration Council, It was also decided that a circular letter be issued to the departments, asking them not to take any action on the instructions previously issued on the subject.

ITEM VI—CONSIDERATION OF SENIORITY LIST OF STENOGRAPHERS OF THE OFFICE OF CHIEF ENGINEER, P. W. D., ELECTRICITY BRANCH

As now agreed to by the Administrative Department, there should be three separate lists ; one for senior-scale Stenographers, the second for junior-scale Stenographers in the head office and third for junior-scale Stenographers in the Circle Offices. The last one has already been approved, The first two, as drawn up, were found to be in order and approved.

ITEM VII—UNIFICATION OF PAY SCALES OF PUNJAB AND PEPSU EMPLOYEES

The following decisions were taken :—

(1) The Pepsu pay-scales which were higher, as compared to those of corresponding/equated posts of Punjab at the time of merger.

(a) Such Pepsu higher pay-scales, where they were held in permanent substantive capacity should be continued.

(b) Such Pepsu higher pay scales, which were held in officiating capacity for periods more than three years or three years, should also be continued.

(c) In case of Pepsu higher pay-scales which were held in officiating capacity for less than three years on 1st November, 1956, they should also be protected, if the number of employees is nominal, as approximately shown in the list put up, and this fact should be checked up again before formal orders are issued. This was agreed to by Deputy Secretary, Finance, attending on behalf of Finance Secretary in spite of the advice given by F. D. on the point to the contrary.

(d) Cases falling in the category of higher pay-scales, which are separately under revision having been revised beyond Punjab norm, will be taken up after a decision about their review, is finally taken by the Government of India

(e) These higher pay-scales will remain personal for the employees at present enjoying them and will die out as soon the present incumbents vacate these posts.

(2) Pepsu pay scales which were lower as compared to those corresponding equated posts in the Punjab at the time of merger.

It was decided that such Pepsu employees in lower pay-scales should be put into the higher pay-scale of Punjab as available for the corresponding/equated posts. As, however, these pay-scales cannot be claimed as a matter of right or according to service conditions they should be effective under the normal procedure, fixing pay from the date of order The higher pay-scales will also thus be revised from the date of order.

(3) Cases of hardship or anamoly, if any, may be taken up by the A. D. directly under the normal rules.

ITEM VIII—SUPPLEMENTARY PROVISIONAL CADRE OF THE P. W. D., ELECTRICITY BRANCH

Approved.

ITEM IX—RECONSIDERATION OF JOINT SENIORITY LIST OF LINEMEN GRADE I OF ELECTRICITY BRANCH

It was agreed that this was a case of factual error since these persons were in service on 31st October, 1956 and were omitted in the seniority list. The list, as now completed by including their names, was approved.

ITEM X —CONSIDERATION OF JOINT SENIORITY LISTS OF VARIOUS DEPARTMENTS

The following lists were considered :—

(1) *Consolidation Department.*—Sub-Inspectors.

There were no comments from employees . The list was found to be in order, as it has been prepared on cadre to cadre basis and was approved.

(2) *Health Department.*—Food Inspectors.

The list was considered. It is prepared on cadre to cadre basis. There are no representations. The list, as prepared by the Department, was found to be in order and approved.

(3) *P. W. D. , Public Health*—
(a) Overseers.
(b) Head Draftsman Grade I.

(c) Head Draftsman Grade II and Assistant Draftsmen.

(d) Tracers.

In the case of overseers, the department has ordered confirmations which were due and incorporated their effect in the parent State list and consequently in the joint seniority list. The list, as now prepared, was found to be in order and approved.

The Tracers have now been taken out of the joint list of draftsmen and a separate list in respect of them has been prepared on cadre to cadre basis, which was found to be correct. The other two lists were also found to be correct, having been prepared according to rules. There were no particular comments against the lists.

(4) *P. W. D. Electricity Branch*—

(a) P. S. E. Class II.

(b) Civil Overseers.

(c) Sub-station Operators Grade II and Turbine Operators-cum-Switch Board Operators.

(d) Lorry Drivers.

(e) Peons and Daftries.

(f) Metre Inspectors.

(g) Cable Jointers.

The list of P. S. E., Class II, had been considered at the meeting held on 10th May, 1958. It was decided that the Department should consider preparation of this list, by counting the period of apprenticeship, in case of Punjab employees also. Such a list was prepared by the Department but they have recommended that it would benefit only two employees who are comparatively young and they have, therefore, recommended that the joint seniority list previously prepared by them without counting the apprenticeship period in case of Punjab employees should be approved. The Committee considered this question at great length and found that a new circumstance has now been disclosed and that is that in the case of Punjab Apprentice Engineers, they are recruited through the P.S.C. as a separate class. All selections in P. S. E., II, are made by P. S. C. and in such selections, these apprentice Engineers of Punjab as well as outsiders can compete. Selections are made on their own merits giving due consideration to the fact whether the employees possess two years' practical experience whether as Apprentice Engineer, or outside in a firm or not. The service as Apprentice Engineer in grade Rs, 200—20—240 is on entirely different lines. All Punjab employees have got their dates of entry into P. S. E., II, from the date they actually joined this service, after having been selected in P. S. E., II, as such. After they are selected in P. S. E., II none of them is put as Apprentice Engineer. In view of this circumstance, it was decided that it would be rather incorrect to count the period of apprenticeship in the case of Punjab employees towards their service in P. S. E., II.

[Chief Minister]

It has already been decided that in the case of Pepsu employees, the period of two years, which had previously been cut in their service, should stand restored. It has also been already decided that such of the employees who had been selected before 1st November, 1956 but joined after 1st November, 1956, should, as a special case, be included in this joint seniority list, because they had been given a certain seniority in the merit list and certain others placed junior to them in that list had already joined before 1st November, 1956. They are to get their own date of joining for purposes of joint seniority list and the list is to be drawn up in the normal manner by taking the dates of joining into account. A note is to be given at the end to explain this position, because certain employees not in service on 1st November, 1956, are being included in the list.

The comments on the joint seniority list, received from the employees, were looked into. They were mostly against the cut of two years which had been imposed on Pepsu employees, which has already been rectified. Others were against parent State list or about factual errors, or for counting service in other departments etc. None of these could be considered. The revised seniority list, drawn up by the Department by adding the names of those who joined after 1st November, 1956 but had been selected before 1st November, 1956 by the P. S. C., without counting the period of apprenticeship in case of Punjab employees and after restoring two years' period of the Pepsu employees (Annexure B) was considered to be in order and approved.

No comments have been received on the lists mentioned at (b) to (g). They are all on cadre to cadre basis. They were found to be in order and approved.

(5) *I. G. Prisons.*—The following lists were considered :—

(i) Superintendent, Central Jail.

(ii) Group consisting of Superintendent, District Jails, Deputy Superintendents, Senior Assistant Superintendent and Assistant Superintendent Jails.

(iii) Jail Ministerial Staff—Head Clerks and Clerks.

(iv) Ministerial Staff of the Head Office.

(v) Class IV of Head Office.

(vi) Head Warders, Grade I & II and Selection Grade.

(vii) Education Staff Teachers.

(viii) Probation Officers.

(ix) Ministerial Staff of Reformatory Schools, Hissar, and office of Probation Officers.

(x) Gate-keepers, Mistri, Tailor Masters, Leather Masters, Armourers, Laboratory Assistant, Dying Masters, Carpenter Master, Masons, Black smiths, Chakki Attendants, Mistri Fitters, Band Masters, Drill Instructors, Gardeners, Tent Master, Chalk Master, Factory Supervisors, Motor Man.

(xi) Class IV employees of Jails.

(xii) Store-keepers of Jails.

(xiii) Ministerial Accounts Staff.

(i) The list of Superintendents, Central Jail, has already been approved, at the level of Integration Council.

(ii) Various comments were considered. It was decided that Sarvshri Sagar Dutt and Buta Singh, Superintendents, District Jail of Pepsu, who figure at Nos. 16 and 17 of the joint seniority list and go below their equated rank, should be given *ad hoc* seniority and placed at Nos. 10 and 11 i. e., just below the last Superintendent, District Jail, viz. Shri Gian Chand Chadha, Serial No. 9. Similarly, it was decided that Maj. K. K. Malhotra, Deputy Superintendent, Jail, from Pepsu who is at No. 18, in the joint list and goes below the Deputy Superintendent Jails, Grade, II list, should be placed at the bottom of Deputy

Superintendent, Jails, Grade I, i. e. below Shri I. S. Kadan, who is at serial No. 12. He will thus be at Serial No. 13 in the same manner, Shri Narain Singh and Shri Hukam Singh, who are Assistant Superintendents Jails, from Pepsu and are at serial Nos. 22 and 24, happen to be above Deputy Superintendent Jails, Grade II, from Punjab, They should be brought down on *ad hoc* basis and placed on the top of Assistant Superintendent, Jails, i. e. just above Shri Sarjit Singh who is at Serial No. 32.

(iii) It was decided that Shri Telu Ram, Clerk of Pepsu , who is at No. 3 in the joint seniority list and happen to be above his equated rank, should be placed on *ad hoc* basis at the top of the clerks, i. e. at Serial No. 7 above Shri Hans Raj Duggal.

(iv) Shri Nand Lal Singlis, Superintendent, from Pepsu, equated with Head Assistant, Punjab, who is at Serial No. 5 of the list has represented that he should be taken as direct recruit. It has been decided that the employees of this Department should have credit of their service in other departments also on both sides, considering that the head office of the Jails Department in Pepsu came into being only in 1949, when certain employees were taken on transfer from other departments. In view of this decision, the service of Shri Singlis has been taken into account from the date he started his service, i. ., 7th February, 1936, even though some of it was in some other department. He has, therefore, got his seniority correctly in accordance with grouping and keeping into view his entire service. He could not be treated as direct recruit and he happens to be within his cadre, i. e., of Head Assistants. Incidentally he is the youngest of the Head Assistants.

It was found that Shri Om Parkash at serial No. 18 had been confirmed in the Civil Supplies Department of Pepsu before 31st October, 1956. His name is included in the joint seniority list of that department. It was, therefore, decided to delete his name from this list, because he is no longer in this department.

Shri Mohan Lal Malhotra, a clerk from Pepsu, is shown at serial No. 22, while. Shri Jasmer Singh, Clerk/Accountant, from Pepsu , is shown at No. 21. In the parent State List, as supplied by the Department, Shri Malhotra is shown senior to Shri Jasmer Singh. The parent State list cannot be changed while preparing the joint seniority list. It was, therefore, decided that Shri Malhotra should be placed at No. 21 and Shri Jasmer Singh at No. 22. Normally, Shri Malhotra, with date of entry into service as 12th January, 1930 should have gone above certain Assistants of the Punjab in the joint seniority list ; but since, that would have been anomalous, he would have again had to be brought down on *ad hoc* basis and placed at serial No. 21, i. e., below the last Assistant, Shri Ram Saran Dogra. He should, therefore, be placed at serial No. 21 on *ad hoc* basis.

The remaining lists have all been prepared correctly and appear to be in order. They were approved, as prepared by the Department.

RENT-FREE ACCOMMODATION TO CHOWKIDARS AND FRASHES POSTED IN CIRCUIT-HOUSES AND REST-HOUSES IN THE STATE

1137. Sardar Atma Singh : Will the Minister for Public Works be pleased to state—

(a) whether the Chowkidars and Frashes in the Government Rest-houses and Circuit-houses in the State have been given rent-free residential accommodation attached to these houses; if not,the rate at which they are charged house rent ;

(b) whether there is any proposal under the consideration of Government to allow rent-free accommodation to such employees; if so, the time by which it is likely to be implemented ;

(c) whether it is a fact that the said class of employees are required to attend to their duties in the houses mentioned in para (a) above for 24 hours a day and are not allowed any holiday like other employees; if so, the reasons therefor together with the steps, if any, taken or are proposed to be taken now to give them this facility ?

Chaudhri Suraj Mal : (a) Yes.

(b) Does not arise.

(c) The Chowkidars have nothing to do when there is no visitor. They as well as frashes get ample time for rest. They are, however, allowed to enjoty 15 days' casual leave during the year.

The question *inter alia* of granting holidays to Chowkidars is under consideration.

SUGAR MILL CO-OPERATIVE SOCIETY AT BHOGPUR

1138. Sardar Atma Singh : Will the Minister for Health and Panchayats be pleased to state—

(a) whether any official inspection of the Sugar Mill Co-operative Society at Bhogpur, district Jullundur, has been conducted ; if so, by whom and on what dates together with the details of the inspection report ;

(b) the total amount invested by the Government and the other private individuals in the said Sugar Mill separately ;

(c) the amount of dividend, if any, declared by the management of the said Mill during the last year and in the current year ?

Shri Gurbanta Singh : (a) No official inspection of the Janta Co-operative Sugar Mills has been done. However, the Senior Auditor of the Co-operative Department audited its accounts for the Co-operative years ending the 30th June, 1956 and 1957.

(b) The Government have invested Rs. 20 lakhs towards the share capital of the Mills against Rs. 28,84,873 invested by individuals and institutions. The Mills have also raised loans to the extent of Rs. 49,03,267.

(c) No dividend was declared by the Mills during the last year. For the year ending June, 1958, audit is going on and dividend, if any, will be declared on the audited balance sheet.

CONCESSIONS TO EX-SERVICEMEN IN THE STATE

1139. Sardar Atma Singh : Will the Chief Minister be pleased to state whether any concessions have been given by the Government to ex-servicemen; if so, the details thereof ?

Sardar Partap Singh Kairon : Concessions to ex-servicemen are contained in a pamphlet 'Concessions to Soldiers', but the position regarding the grant of concessions to ex-servicemen in the matter of employment under Punjab Government is as under :—

The Punjab Government did not grant any concession in respect of age, to the ex-servicemen as persons joined Armed Forces on a permanent basis, i.e., as a profession. During World War II, men were required in large number and in order to attract them for recruitment in Armed Forces for the period of War only

the age concessions etc. were announced and granted. Releases started from our Armed Forces in 1946 and the age concession continued to be granted till the 21st January, 1953 as it was presumed that the persons who had joined the Armed Forces for the period of war (temporarily) must have been released by 1950, and absorbed by 1953. It may also be pointed out that many persons engaged temporarily during the war have also been taken on permanently due to the extension of the Armed Forces. To obviate any case of hardship to the ex-servicemen demobed released even after 1950, Punjab Government issued instructions in 1952 that the ex-servicemen demobed/retrenched should be given the same concessions of age as is also allowed to the Civil retrenched employees. Para I(d) of Punjab Government letter No. 9319-P-51/124, dated the 18th January, 1952, which is still operative is reproduced below :—

"For appointments made otherwise than on the basis of open competitive tests held by the Punjab Public Service Commission, the period of service of a demobilized person/retrenched Government employee is deducted from his actual age and if the r sultant age does not exceed the prescribed maximum age limit he should be deemed to satisfy the condition for appointment to the post in question in respect of the maximum age."

The other concessions for allowing seniority on account of War Service, benefit in fixation of pay and age for entry into Government service granted previously were withdrawn with effect from 21st January, 1953.

RECKONING OF PERIOD OF WAR SERVICE OF EX-SERVICEMEN NOW EMPLOYED IN THE STATE TOWARDS THEIR SENIORITY AND FIXATION OF PAY

1140. Sardar Atma Singh : Will the Chief Minister be pleased to state whether the period of war service of the ex-servicemen now serving in the various departments of the State has been counted towards their seniority and fixation of pay ; if not, the total number of such cases department-wise together with the reasons therefor and the steps taken in the matter ?

Sardar Partap Singh Kairon : A statement containing the requisite information is enclosed.

The information in respect of Irrigation and Education Departments is not yet ready and will be supplied later.

(2) No fixed number of scholars has been fixed for being sent abroad every year. This depends on the final selection of candidates for training abroad under the various schemes on an all-India basis by the Government of India.

Rules for the award of Gandhi Memorial Scholarships for Industrial and Techincal Training in India and abroad.

The Punjab Government will award every year the scholarships mentioned below to Punjabi students for Industrial and Technical Training in India and abroad.—

(i) Twenty-four scholarships of the value of Rs 100 per mensem each for advanced studies in Universities or specialized Institutes for practical training in industry in India.

(ii) Five scholarships for advanced studies in Universities or specialized Institutes for practical training in industry in foreign countries.

The value of these scholarships will be fixed from time to time and it will be sufficient to cover the expenses of the student or the trainee as specified below :—

(a) A maintenance allowance of £ 382 per annum in the United Kingdom and in the Continent of Europe and 1,200 in U.S.A., subject to variations from time to time by the Finance Department, Government, Punjab.

(b) University, College or other training fee, if any, required by rules and regulations of the University college or other training institute.

(c) An equipment allowance of Rs 300 will be paid to each scholar, before embarkation.

(d) Travelling allowances for journey to foreign countries and back will be paid at the following rates :—

(1) Second Class steamer fare by the nearest route.

(2) Second Class railway fare for journey in India from the place of residence of the scholar to the port of embarkation and back.

(3) Third Class railway fare for journeys in the United Kingdom, second class on the continent of Europe and lowest class in U.S.A., and other countries.

(4) £ 5 each way on account of incidental expenses connected with journey to and from the country in which the course of studies is taken.

2. The names of the industries and institutions for training will be approved by the Board of Industries and will be notified every year for the benefit of intending candidates. The scholarships will be awarded by Government on the advice of the Director of Industries Punjab.

3. The scholarships will be tenable for a period of one or two years for training in India and two or three years for abroad according to the duration of the course of training taken by a particular scholar.

4. The candidates should not be more than 25 years at the time of application. The age limit may, however, be relaxed by Government in exceptional cases.

5. The minimum qualifications required will be Matriculation for scholarships in India and a Degree of a recognised University for Scholarships abroad. Preference will be given to candidates who have a degree/diploma pertaining to a particular trade applied for, viz., Mechanical Electrical, Chemical, Textile Engineering, etc., and also possess knowledge and training in the industry selected.

6. The selected scholar will be required to produce a medical certificate (of a Medical Officer not lower in status than a Civil Surgeon for candidates going abroad and an Assistant Surgeon for candidates, who will get training in India) to the effect that the candidate is physically fit to undergo the course of studies or training selected by him.

7. The scholar will have to submit to the rules and working regulations of the Institution or factory to which he is posted. He will be required to give an undertaking to this effect before being posted to the training institute or factory.

8. The scholarships will be payable for the following periods only.

(a) Days of actual attendance.

(b) Sundays and sanctioned holidays.

(c) Days of sick leave not exceeding 6 days at a time or 30 days in all in the academic year of the Institution concerned.

(d) Days of ordinary leave for not more than 6 days at a time or 14 days in all in an academic year of the Institution concerned.

Note.—If any period of absence exceeds the number of days admissible under this rule the scholarship will not be payable for any part of such absence in excess of the prescribed limit in the case of the scholar selected for training abroad, maintenance expenses will, however, be admissible as specified under Rule I above, with effect from the date of scholar joins the institution and actually commences his studies.

9. A certificate in the following terms signed by the head of the instituton or factory concerned shall accompany all bills for scholarships :—

"I hereby certify that the scholar on whose account the above amount has been drawn, has been regular in attendance and has conformed to the rules under which the scholarship is tenable."

10. The scholarships will be paid monthly by (i) the Director of Industries, Punjab, in respect of the scholar in India and (ii) the High Commissioner for India or the Government of India's Ambassador, as the case may be, in respect of scholars getting training abroad, on the receipt of the above certificate referred to in rule 9. The scholarships shall begin from the dates the scholars actually join their training institutions or college.

11. A scholarship shall lapse if not availed within one month of the date of award or if the scholarship holder dies or gives up his training before the completion of the prescribed course.

12. The selected scholar and his surety will be required to give a written undertaking in the annexed form to the effect that the scholar shall be bound to serve the Punjab Government for five years, if required to do so. In case the scholar does not serve the Government or quits the service earlier or is removed from service on account of misconduct, negligence or inefficiency, etc., he will be liable to refund to Government the scholarship drawn by him.

13. The scholarship will be liable to be forfeited for misconduct, irregularity of attendance or unsatisfactory progress or if the scholar leaves his training before the completion of the course and he and his surety will be jointly liable to refund the whole amount of scholarship drawn by him except where it is found to the satisfaction of the Director of Industries, Punjab, that the circumstances for leaving training were unavoidable.

14. In all matters of dispute concerning these scholarships the decision of the Director of Industries, Punjab, will be final.

15. The stamp duty on the bond will be borne by the scholar.

FINANCE
Regulations

Subject :—Terms regarding pay, special leave, etc., to be granted to Government servants sent on training abroad under the various training schemes.

Sir,

I am directed to invite a reference to Punjab Government Circular letter No. 6286-P-53/50484, dated the 17th July, 1953, on this subject, and to say that the general question regarding the terms to be granted to Government servants sponsored by Punjab Government for training abroad under the various training schemes of the United Nations, the Colombo Plan, the United States, Technical Assistance Programme, etc., has been considered and it has been decided that the grant of deputation-cum-special leave terms in such cases will, hereafter, be regulated as follows :—

(*i*) *If the period of training* (*exclusive of travel time from India to the country of training and back*) *does not exceed six months*, the entire period of the Govenment servants' absence from his post in India will be treated as deputation on full pay which he would have drawn had he remained on duty in India. During this period, dearness allowance will be granted at the rate at which he would have drawn it, had he not proceeded on deputation.

(*ii*) *If the period of training exceeds six months*, the first six months of absence from his post in India will be treated as deputation under clause (i) and the remaining period will be covered by the grant of special leave on half average pay on the following terms :—

(1) The period of special leave will count as service for promotion, and, if the Government servant is in pensionable service, for pension also.

(2) The special leave will not be debited to the leave account of the Government servant.

(3) The leave salary during the special leave will be equal to half average pay subject to a minimum of Rs 500 : Provided that in no case will it exceed the average pay. For this purpose, in the case of a Government servant to whom the Revised Leave Rules, 1936, as contained in Section III of Chapter VIII of the Punjab Civil Services Rules, Volume I, Part I, apply "average pay" will mean the amount determined under rule 8.122(1) (a) or rule 8.122(1)(b)(ii) *ibid*, whichever is higher and "half average pay" will mean the amount determined under rule 8.122(2) *ibid*. The leave salary will also be subject to the maxima prescribed under rule 8.78 or 8.122(2) *ibid*, as the case may be.

(4) In addition to the leave salary under sub-clause (3), dearness allowance will be granted on the following scale :—

Range of leave salary		*Amount of dearness allowance* Rs A. P.
Not exceeding Rs 50	..	15 0 0 per mensem
Exceeding Rs 50 and not exceeding Rs 100	..	20 0 0 "
Exceeding Rs 100 and not exceeding Rs 150	..	20 0 0 "
Exceeding Rs 150 and not exceeding Rs 200	..	22 8 0 "
Exceeding Rs 200 and not exceeding Rs 250	..	25 0 0 "
Exceeding Rs 250 and not exceeding Rs 300	..	30 0 0 "
Exceeding Rs 300 and not exceeding Rs 465	..	35 0 0 "
Exceeding Rs 465 and not exceeding Rs 499	..	Amount by which the leave salary falls short of Rs 500.
Rs 500 and above	..	*Nil*

A part from dearness allowance, temporary allowance will also be admissible according to the instructions for the grant of that allowance.

2. In addition to the schemes of the type referred to above in which Government take the initiative to get the Government servant concerned trained, there are certain schemes operated through non-official channels (e.g. Rocke-feller Foundation) in which some Government servants obtain scholarships for study abroad mainly on their own initiative. In such cases, it has been decided that normally special leave on half average pay on the terms mentioned in paragrpah 1 (without the minimum limit mentioned therein) may be granted for the entire period of training, if the training has a direct bearing on the subjects with which the Government servant is concerned within the sphere of his duties. Exceptions to this procedure may be made when Government themselves obtain the facilities for training under non-official auspices to a Government servant who would otherwise have had to be trained under the official schemes either as a condition of appointment of the Government servant or in the interest of Government work. In such cases the deputation-cum-special leave terms referred to in paragraph 1 may be sanctioned.

3. In the types of cases mentioned in paragraphs 1 and 2 above, in lieu of special leave, the Government servant concerned may be permitted to avail of the leave on average pay or earned leave, to the extent due and admissible to him. The period in excess of the period of deputation *plus* the period of leave on average pay or earned leave, if any, should, however, be treated as special leave.

4. In the matter of granting any concessions to a Government servant proceeding abroad on training, it is necessary to ensure that his services would be available to Government at least for a reasonable period, say three years, after the completion of his training and that the officer should also possess adequate background of the subject or field in which he would be receiving training, The following conditions should, therefore, generally be satisfied for the grant of deputation or special leave terms to Government servants sponsored by Government for awards under the training schemes :—

(*a*) He should have at least three years to serve, after the conclusion of training and is not expected to retire within that period.

(*b*) In the case of a Government servant on loan from the Union or a State Government or a quasi-Government body, the lending authority should agree to make him available to the Government of Punjab for a period of not less than three years after the conclusion of training, if required.

(*c*) In the case of a Government servant in the temporary employ of the Government of Punjab, there should be a reasonable chance of his remaining in service for a minimum of three years after the conclusion of the training and he should be required to give an undertaking in writing that he agrees to serve the Government for a like period.

(*d*) He should have completed a minimum of five years' service (This is the limit observed for the grant of study leave also). The limit may, however, be relaxed in cases where the very nature of the training does not warrant such a restriction, e.g., cases where individuals are recruited on the condition that they should undergo training before they are posted to regular duties.

5. Actual sanctions, in individual cases, regarding the special leave terms mentioned above, should continue to be issued in consultation with the Finance Department of this Government in accordance with the present practice.

Yours faithfully,
N. N. KASHYAP,
Secretary to Government, Punjab,
Finance Department.

Finance Department.

To

All Administrative Secretaries to Government, Punjab.
U. O. No. 64-FR-54, dated Chandigarh, the 2nd February, 1954.

Subject:—Procedure for the selection of candidates for Post-Graduate training or technical training in India or abroad.

WILL the Administrative Secretaries to Government, Punjab (except Secretary, Agriculture), kindly refer to the subject noted above.

2. The Political Department observe that the procedure being followed by the various Departments for the selection of candidates for Post-Graduate Courses or technical training whether in India or abroad is not uniform. It is considered desirable that there should be uniformity in such matters. The question has, therefore, been considered from all aspects and it has been decided that in future—

(i) On the 1st of December each year the Head of Department concerned should prepare a list of all Courses/subjects in which candidates are proposed to be sent up for Post-Graduate training/technical training whether in India or abroad for the ensuing financial year. If they are to be sent abroad, the particular subjects in which they are to be trained, should be specified. Reasons should also be recorded as to why particular subjects have been selected and why is it necessery so far as the particular Course is concerned, to send candidates for Post-Graduate training.

(ii) As soon as this has been done, the number of candidates to be sent for each Post-Graduate Training Course/technical training should be determined. By the 1st of January of each year at the latest a reference should be made by the Head of Department to Government in the Administrative Department concerned showing the Courses and subjects and the number of candidates which are proposed to be sent for Post-Graduate training/ technical training.

(iii) On receipt of this communication, it should be dealt with at top-priority and by the 1st of March, or earlier, if it can be done, orders of Government on the proposals of the Heads of Departments for Post-Graduate training, should be communicated to them.

In the case of proposals for training abroad through the agency of the Government of India, the position is different. In that case, recommendations of the Administrative Secretaries are invited by this Department on receipt of a communication from theGovernment of India in this behalf. Proposals for training abroad should, therefore, be submitted by the Administrative Departments to this Department, as and when invited, unless of course, the Department concerned has been addressed by the Central Government direct. In any case proposals for technical training abroad have to be referred to this Department.

(iv) As soon as orders relating to Post-Graduate training have been received by the Head of Department concerned he should invite applications for each subject in which candidates are to be given such training. No candidate should be allowed to apply for more than one Course under any circumstances. The age/academic restrictions usually stipulated in such cases should be strictly adhered to. As much publicity to invite applications in this behalf should be given as possible. In the case of technical training abroad, all the eligible offlcers of the Department should be informed at the proper time of the proposal(s) to enable them to put forward their claims if permitted by the circumstances of the case.

(v) The applicants for Post-Graduate Training Course should be interviewed by a Committee, in the case of every Department concerned, consisting of :—

(a) Head of the Department.

(b) Principal of the Government College, if any concerning the Department such as Government Agricultural College for the Agriculture Department, Veterinary College for the Animal Husbandry Department.

(c) Head of the Section of the Government College, concerning the Department to which the subject relates.

(d) a member of the Punjab Vidhan Sabha or the Punjab Legislative Council to be appointed by the Minister-in-Charge of the Department.

(vi) The Administrative Departments should also prepare a panel(s) of names of officers for technical training abroad, and keep it/them ready for being considered at short notice as very often the Government of India ask for the recommendations of the State Government with a brief notice. This will enable the State Government to forward their recommendations to the Central Government within the specified period.

3. The Administrative Secretaries are requested kindly to take necessary steps for giving effect to the above procedure.

Subject:—Procedure for the selection of candidat^s for Post-Graduate training or technical training in India or abroad.

WILL the Administrative Secretaries to Government, Punjab, kindly refer to the Political Department, U.O. reference No. 8600-PI-56, dated the 12th November, 1956, on the subject noted above ?

2. Past experience has shown that offers received through the Government of India for providing facilities for technical training abroad under the auspices of the United Nations Scheme, e.g. :—

(i) Colombo Plan,

(ii) Point Four Programme,

(iii) United Nations Technical Assistance Administration Programme,

are handled in a number of ways and usually referred to this Department for onward transmission to the Finance Department at the last moment. These proposals have, therefore, to be hurried through to see that the recommendations of the State Government for sponsoring candidates of each Department concerned reach the Government of India in time, who also in turn often ask for these at very short notice. In order, therefore, to avoid delay, which occurs in routing such cases through this Department and in accordance with the policy of Government to decentralise authority, it has been decided in partial modification of the procedure laid down in this Department U. O. letter under reference that all such proposals as soon as they are received from the Government of India, will be forwarded to the Administrative Departments concerned with the subjects in which the training facilities are made available. The Administrative Departments will in turn recommend names to the Government of India in the Ministry to whom such cases should be referred for concurrence well in time stating clearly :—

(i) that the criteria laid down by the Government of India in this respect have been complied with ;

(ii) that the officers recommended for training abroad fulfil the conditions laid down in para 4 of Finance Department's circular letter No. 64-FR-54/576, dated the 2nd February, 1954 ;

(iii) the Financial implications involved ;

(iv) that no other officers of the Department have been/are being trained abroad at Government expense in the subjects selected by the officers concerned in a particular case ;

(v) that in the event of selection of officers, the work in their absence will be carried on from within the sanctioned personnel of the Department ;

(vi) that the officers concerned will execute bonds undertaking to serve the State Government for at least five years on return from the training, if so re·quired :

(vii) that the pay and allowances for the period of training abroad would be drawn by the officers selected or on their behalf, in India and not abroad .

The policy instructions on this subject will, of course, be issued by this Department as and when, considered necessary.

A. R. MALHOTRA,

DEPUTY SECRETARY, POLITICAL,

for Chief Secretary to Government, Punjab.

To

All Administrative Secretaries to Government, Punjab.

U.O. No. 8162-PI-(C)-57, dated Chandigarh, the 22nd/23rd January, 1958.

Subject :—Procedure for the selection of candidates for Post-Graduate training or technical training in India or abroad.

WILL the Administrative Secretaries to Government, Punjab, kindly refer to the Political Department circular U. O. reference No. 8162-P-I(C)-57, dated the 22nd January, 1958, on the subject noted above ?

2. In accordance with the instructions contained therein all proposals relating to Post-Graduate training or technical training in India or abroad as they are received from the Government of India, are being forwarded to the Administrative Department concerned with the subjects who in turn recommend names to the Government of India in the Ministry concerned, direct, in consultation with the Finance Dapartment. Cases have, however, occurred in which the Government of India desired the State Government to recommend only one or a small limited number of candidates for training in subjects concerning diferent Departments of the state Government. For selecting candidate(s) out of the panel of names suggested by the different departments, it is necessary that the names of all the candidates are forwarded to one Central authority.

2. The position has, therefore, been reviewed, and it has been decided that the proposals in which the State Government are required to recommend a limited prescribed number of candidates only to the Government of India for such training in subjects pertaining to different Departments of the State Government should be considered by the Chief Secretary to Government, Punjab, in this Department. In such cases the Chief Secretary will invite the comments of the Administrative Secretaries concerned with the subject(s of training, for making a final selection out of the recommended candidates. The Administrative Secretaries are, therefore, requested to recommend a candidate for such training to the Government of India, without the prior approval of the Chief Secretary in such cases. The instructions contained in the aforesaid U.O. reference should be considered to have been amended to this extent and necessary action may kindly be taken accordingly in future.

A. R. MALHOTRA,
DEPUTY SECRETARY, POLITICAL,

for Chief Secretary to Government, Punjab.

Copy of letter No. 4532-PI(C)-58/23345, dated the 8th August, 1958 from the Chief Secretary to Government, Punjab to all Heads of Departments in the Punjab and copy endorsed to all Administrative Secretaries to Government, Punjab.

Subject :—Period of validity of medical certificates of fitness in case of trainees going abroad under the Technical Co-operation Scheme.

In continuation of Punjab Government letter No. 130-PI(56)-2-49. dated the 8th February, 1958, on the subject noted above, I am diected to forward a copy each of the Government of India, Ministry of Finance letters numbers—

(1) 6(59)-T.A.II/57, dated the 30th April, 1958 ; and

(2) 3(19)-Tech. II/56, dated the 13th December, 1957.

for information and necessary action.

Copy of letter No. 3(19)-Tech-II/56, dated 13th December, 1957, from the Deputy Secretary to Government of India, Ministry of Finance (Department of Economic Affairs), New Delhi-2 to the Chief Secretary, (1) All State Governments, (2) Union Territories.

Subject :—Period of validity of medical certificates of fitness in the case of trainees going abroad under the technical co-operation schemes.

1. An instance has occured where a trainee sent abroad under the Colombo Plan was admitted in to a Mental Hospita. very soon after his arrival in the country of training, There are reasons to believe that if a medical check had been done not long before the trainee'. departure the unfortunate incident could have perhaps been avoided.

2. It is usual to furnish a medical certificate of fitness for a visit abroad, along with the nomination papers of a trainee. In this particular case it so happened that the nomination papers were filed with the foreign Government in December, 1955 and it took time for training arrangements to be finalised. The trainee actually went abroad in September, 1957.

3. It is felt that in order to safeguard against recurrence of cases of this kind, a medical certificate submitted by a trainee should be considered as valid for about 6 months. One country (Australia) accepting trainees under the Colombo Plan is actually following the practice and ask for a fresh medical certificate in cases where the medical certificate is more than 6 months old before the trainee leaves for Australia. It is considered that this practice could be adopted with advantage in all cases.

4. I am directed to request that this practice may henceforth be followed in all cases of training abroad under the technical Assistance Schemes. The sponsoring authorities, may if there be no objection be directed to ensure that no trainee is allowed to proceed unless a recent medical certificate is on record.

Subject :—Period of validity of medical certificates of fitness in the case of trainees going abroad under the Technical Co-operation Schemes.

In continuation of this Department circular letter No. 3(19)-Tech-II/58, dated the 13th December, 1957, I am directed to request that in future, when the nomination papers on forms A-2 and A-3 in respect of candidates selected for training abroad are forwarded to this Department, paragraph of the official nomination in Part III of form A-3 should be amplified by including the following after the words "infectious disease" :—

"and is that having regard to his physical and mental history there is no reason to suppose that the nominee is other than fit to undertake the journey to the United Kingdom and to remain under training in that country"

ANNEXURE II

PROGRESS OF RURAL WATER-SUPPLY SCHEMES OF KANGRA DISTRICT.

I. Providing Water-supply Scheme for Villages Chanaur, etc., Tahsil Dera Gopipur, district Kangra.—Estimated Cost.—Rs. 1,17,770

The work on the construction of the intake was started on 8th December, 1957, but it had to be suspended due to the obstruction caused at site by some local people. The matter was reported to the Deputy Commissioner and Superintendent of Police, Kangra, but they showed their inability to do anything in the matter as the land in question was privately owned. Up till now about 25,000 Rft of pipeline has been laid with the help of departmental fitters and the Panchayat labour. There is some obstruction from the non-participating villages regarding the passing of pipeline through their fields. As such the details of the land where the pipeline has positively to pass through privately owned land have already been supplied to the District Board, Kangra, for issue of necessary notices to the owners.

Practically all the material required for the above scheme has been arranged and some of it has been carted to the site.

II. Providing Water-supply Scheme for Villages Tikka, Kharoti, etc., Tahsil Dera Gopipur, District Kangra.—Estimated Cost.—Rs. 92,176

There is a very positive resistance from the villagers in whose land the infiltration gallery has to be constructed and through whose fields some lengths of pipelines have to pass, The position of villagers contribution in this scheme is very satisfactory as full funds required have been deposited. The only hurdles in the completion of this scheme are the obstructions by the non-participating villages and the difficulty in taking possession of the land. So far about 4,500 Rft of G.I. pipe line and 500 Rft of C.I. pipe line has been laid. Further excavation work is in progress.

Practically all the material required for this scheme has been arranged and carted to the site.

III. Providing Water-supply in Villages Har Punkhar, etc. Tahsil Dera Gopipur, District Kangra Estimated Cost.—Rs. 1,22,004

The infilteration gallery and C.I. pipeline in the Khud has already been laid. So far neither the full contribution has been received from the Panchayat nor free labour was supplied by them. The alignment of the main pipeline has already been demarcated at site but the work could not be started due to non-supply of free labour. The S.D.O. has been authorized to start the work of laying pipelines by employing labour on Muster-Roll basis as soon as the rainy season ends and work can proceed smoothly.

Practically all the material required for this scheme has been arranged and carted to the site of work.

IV. Providing Water-supply scheme in Villages Khadwana, Dera etc. tahsil Gopipur, district Kangra.—Estimated Cost.—Rs 1,11,082

A fresh detailed estimate amounting to Rs. 97,959 has been prepared. This estimate has been prepared after omitting portion of the distribution system proposed in the original scheme as the villages concerned were not willing to participate. The Panchayats concerned have not been able to supply the free labour or deposit further funds inspite of repeated requests by the Panchayat Department. It had not been possible to start the work of laying the pipeline due to the setting in of the rainy season. Now when the rainy season has ended, the work of laying pipeline will be taken in hand.

Practically all the material required for the scheme has been arranged and carted to the site of work.

DEVELOPMENT DEPARTMENT

(CONSOLIDATION OF HOLDINGS)

NOTIFICATION

The 8th December, 1949

No. 10954-D-40/7351.—With reference to East Punjab Government notification No. 3269-D, dated the 14th July, 1949, and in exercise of the powers conferred by section 46 of the East Punjab Holdings (Consolidation and Prevention of Fragmentation) Act, 1948, the Governor of East Punjab is pleased to make the following rules under the Act :—

RULES

1. *Title.*—These rules may be called the East Punjab Holdings (Consolidation and Prevention of Fragmentation) Rules, 1949.

2. *Definitions.*—In these rules—

(a) " Act " means the East Punjab Holdings (Consolidation and Prevention of Fragmentation) Act, 1948.

(b) " Section " means a section of the said Act.

3. *Mode of publication.*—Any matter required to be published, or of which public notice is to be given, under the Act, shall be published by exhibiting copies thereof in the estate or estates concerned in Urdu, Hindi or Gurmukhi as may be deemed proper, and shall also so far as possible be announced in such estate or estates by beat of drum.

4. *Preparation of scheme of consolidation.*—After the notification and publication under sub-section (1) of section 14, the Consolidation Officer shall visit each of the estates concerned after giving reasonable notice of his visit to the land-owners thereof and shall in consultation either with the village Panchayat or, where no village Panchayat exists with a village committee specially chosen from among the land-owners for this purpose by him, put up a scheme for the consolidation of holdings.

5. Every such scheme of consolidation shall contain the following particulars :—

(i) a statement of classification of land for the purpose of consolidation and the exchange ratio for conversion of one class into another ;

[Minister for Revenue]

(ii) a statement of valuation of lands, wells, trees, etc., to be exchanged showing the compensation to be given to or received by the holders concerned ;

(iii) a brief statement as to the action, if any, taken in pursuance of sections 17 and 18 of the Act ; and

(iv) such other particulars as may be considered expedient by the Settlement Officer in this behalf.

6. *Draft scheme of consolidation to be explained to the persons affected thereby.*—In addition to publication under the provisions of rule of, the draft scheme of consolidation shall be read over and explained by the Consolidation Officer to the persons likely to be affected thereby specially collected for the purpose. If any right-holder desires to have a copy of the proposed consolidation scheme, it may be supplied to him or her as the case may be on payment of the prescribed fee.

7. *Repartition.*—The Consolidation Officer shall after obtaining the advice of the land-owners of the estate or estates concerned carry out repartition in accordance with the scheme of consolidation of holdings confirmed under section 20 and shall prepare the following repartition papers :—

(i) a map of the village showing all the existing field numbers, recognized roads and irrigation channels and areas assigned for public purposes, such as burial grounds, disposal of animal carcasses, ponds, or grazing areas, etc., with new field numbers super-imposed upon it in red lines or other markings ;

(ii) another similar village map exhibiting the position emerging as a result of repartition ;

(iii) a statement showing the names of the owners of holdings with particulars of field numbers. shares, class of land, tenure, areas, assessment and encumbrances, if any, after getting the record of rights up to date ;

(iv) a statement showing the names of owners with particulars of all different rights possessed by each individual ;

(v) a statement showing the compensation payable by or to an owner in order to adjust differences in the value of land exchanged under section 15 of the Act or due to the existence of wells, trees, etc., under subsection (4) of section 17 ;

(vi) a statement showing the names of occupants or holders to whom the new consolidated holdings are allotted with particulars of field number shares, class of land, tenure, area assessment and encumbrances, if any ; and

(vii) such other papers as may be considered expedient by the Settlement Officer (Consolidation) in this behalf.

8. *Repartition papers to be explained to the persons affected thereby.*—The contents of the statements mentioned in items (iv) to (vii) of the preceding rule shall be read over and explained by the Consolidation Officer to the persons likely to be affected thereby specially collected for the purpose.

9. *Re-distribution of assessment.*—After repartition has been confirmed an appeal against it, if any, has been finally decided, the Collector of the district shall take necessary steps for the re-distribution of the assessment of the estate concerned, in accordance with sub-section (2) of section 56 of the Punjab Land Revenue Act, 1887.

10. *Eviction.*—The Consolidation Officer shall serve a notice on the person or persons liable to eviction under subsection (2) of section 23 requiring him within fifteen days of the receipt of the notice to vacate the land. If such notice is not complied with within the time specified therein, the Consolidation Officer may exercise the powers of a Revenue Officer under the Punjab Land Revenue Act, 1887, for the purpose and putting in physical possession of the holding the person entitled thereto.

11. *Deposit of compensation.*—The amount of compensation payable by an owner under section 15 of the Act shall be deposited by him in the nearest Government Treasury or Sub-Treasury and a copy of the receipt obtained by him in token or credit shall be produced by him before the Consolidation Officer.

12. *Transfer of encumbrance.*—In transferring a lease, mortgage-debt, or other encumbrance under subsection (1) of section 26, the Consolidation Officer shall—

(i) if the new holding is of the same market value as the original one transfer to the entire encumbrance attaching to the latter ;

(ii) if the new holding is of a substantially greater market value than the original one, transfer to the former holding the encumbrance attaching to the latter subject, in the case of a lease, to the condition that the lessee shall pay to the owner such reasonable rent in excess of the rent already payable under the lease as may be fixed by the Consolidation Officer and in the case of any other encumbrance, subject to such reasonable reduction in the area or in the rate of interest as may be fixed by the Consolidation Officer, having regard to the substantially better security provided by the owner of the new holding.

13. Putting the encumbrancer in possession, if the lessee, mortgagee or other encumbrancer appears to the Consolidation Officer to be entitled to possession of a holding under section 26, the Consolidation Officer shall issue a notice to the owner to show cause within fifteen days of the receipt of the notice why the lessee, mortgagee or other encumbrancer, as the case may be, should not be put in possession of such holdings. If the owner fails to show cause or if the Consolidation Officer is satisfied that the cause shown by the owner is not adequate he shall put the lessee, mortgagee or other encumbrancer, as the case may be into possession of the holding, and the record of rights in respect of the holding shall be corrected accordingly.

14. Assessment, Collection, Refund, etc., of cost of Consolidation :—

(i) The cost of consolidation proceedings shall be assessed at Rs. 4 per cultivated acre or portion of an acre if the wattbandi is carried out by the persons, whose holdings are affected and at Rs. 6-8-0 per acre if the wattbandi is carried out by or on behalf of the Consolidation Officer, at the option or default of the persons whose holdings are affected.

(ii) The cost of consolidation shall be payable by the persons, whose holdings are affected by the scheme of consolidation except that in the case of evacuee land, it shall be payable by an allottee in respect of land, which has been allotted to him on a quasi-permanent basis and the Custodian in the case of unallotted lands.

(iii) The cost of consolidation shall be collected in two half-yearly instalments along with the land revenue demand for Kharif and Rabi harvests. Immediately after the coming into force of the scheme under section 20 of the Act, the Patwari will prepare in form C.H. 1, a list of assessees from whom the cost of consolidation is to be recovered. This list will be arranged lambardar-wise.

(iv) All entries in the list mentioned in sub-rule (iii) above shall be checked by the Girdawar Kanungo and read over and explained to the persons, whose holdings are affected by the scheme of consolidation. The Assistant Consolidation Officer shall check the entries in the list and the list duly signed on every page by the Patwari, Girdawar, Kanungo and the Assistant Consolidation Officer in token of its correctness shall be forwarded to the Consolidation Officer, who after countersigning it, shall return it to that Patwari after the Wasil Baqi Nawis has noted the consolidated demand in a register in form C.H. 2 maintained specially for the purpose. The Patwari shall copy out the list lambardar-wise and deliver the relevant papers to the lambardars concerned for collection.

[Minister for Revenue]

(v) Before the second instalment falls due the village Patwari shall immediately after the preparation of preliminary record of the village particularly the Naqsha Hakdarwar draw up the list of 2nd instalment of cost of consolidation incorporating the changes, if any, in the first list of the cost of consolidation payable by the persons, whose holdings are affected by the scheme of consolidation. This list shall also be prepared, checked and authenticated and disposed of as laid down in sub-rule (iv) above.

(vi) The excess cost of consolidation recovered from a person, whose holdings are affected by the scheme of consolidation, shall be refunded under orders of the Settlement Officer to whom an application may be made for the purpose through the Patwari of the village, who shall forward it through the proper channel after verification and report. The refund, however, shall be prepared in the office of the Settlement Officer and sent to the applicant through the Girdawar Kanungo, who shall obtain a receipt for it and return it to the Settlement Officer for record.

(vii) The demand on account of the cost of Consolidation will be due as soon as the list is in the hands of the lambardars or other persons entrusted with the collection and must be paid into the treasury not later than the dates given below :—

Division	*Kharif date*	*Rabi date*
Ambala	.. 30th January	.. 30th June
Jullundur	.. 1st February	.. 15th July

After the above dates process may be issued for recovery of arrears in the same way as for arrears of land revenue.

(viii) The allowance to lambardars or other persons collecting the cost of consolidation shall be two per cent of the amount collected, unless otherwise expressly ordered by Government. The allowance will be conditional on the demand being paid in full for each estate by the date fixed in sub-rule (vii) above. The Collector of the district may retrench any sum out of the allowance for delay in payment of the demand into treasury.

(ix) A monthly return in form C.H. 2 appended hereto shall be forwarded by the Collector to the Commissioner of the Division witha copy of it tothe Director Consolidation of Holdings, by the seventh of the month following that to which it relates. In this return shall be entered the demand for the harvest, arrears (if any) and payment received during the month.

STATEMENT II

PUNJAB EDUCATION DEPARTMENT

Terms and conditions for financial assistants in the form of scholarships/stipends to brilliant poor students studying at the University Stage

I. GENERAL

In order that no really brilliant poor student is prevented on the grounds of poverty alone from pursuing an academic career, it has been decided to award scholarships for post-matriculation education. The scholarships will be awarded for University education from 1956-57 on the results of the Matriculation/Intermediate/Degree Examinations-Arts and Sciences or equivalent examinations.

II.—NUMBER AND ALLOCATION OF SCHOLARSHIPS

From 1956-57, 104 scholarships in all will be awarded i.e. 54 for the Intermediate (1st Year Arts, or Science or equivalent courses, 30 for the B.A./B.Sc. (Preliminary) or equivalent courses and 20 for M.A./M.S.c., course shall be tenable at the Government and privately-managed colleges affiliated to the University of the Punjab and shall be awarded by the Director of Public Instruction, Punjab.

The tenure of each scholarship shall be for a period of two years or till the completion of the course with effect from the date of joining the institution/commencement of the course whichever is later.

The students, the income of whose parents/guardians do not exceed Rs 2,400 per annum shall be eligible for the award of the scholarships.

III. RATES OF SCHOLARSHIPS

The rates of scholarships inclusive of fees will be as under :—

Names of the Class	*for completion of the course*	*Financial aid for books*
(i) F.A. and F.Sc. ..	Rs 50 per mensem	Rs 100 in lump sum
(ii) B.A. and B.Sc. ..	Rs 60 per mensem	Rs 200 in lump sum
(iii) M.A. and M.Sc. ..	Rs 75	Rs 250 in lump sum

[Minister for Education and Labour]

IV.—CONDITIONS FOR AWARD OF SCHOLARSHIPS

Candidates for these scholarships should have secured a first division and where no division is awarded at least 60 per cent marks in the aggregate in the Matriculation/Intermediate/Degree examination Arts, Sciences or equivalent examinations held during the preceding academic year and it shall be necessary that the scholar should in the annual/final examination, particularly at the conclusion of a stage secure a 1st Division (or where no division is awarded, obtain not less than 60 per cent marks in the aggregate) and unless this condition is waived in exceptional cases by the Director of Public Instruction, Punjab, on the recommendation of the Head of the Institution.

2. After a scholar has started working in an institution permission to migrate to another institution except with the prior approval of the Director of Public Instruction, Punjab, and the consent of the Head of the Institution concerned will not be given before a complete stage of study (i.e. Intermediate/B.A./B.Sc.) in the first institution has been completed.

3. If a scholar shows unsatisfactory progress during the course of study or fails in any of the examinations, or gives up the chosen course of study without completion or without the prior consent of the Director of Public Instruction, Punjab the scholarship is liable to be cancelled.

4. Half yearly progress reports on the work done by the scholars will be submitted to the Director of Public Instruction, Punjab, by the heads of the institutions concerned.

5. Good conduct and regularity in attendance are also the implied conditions for the receipt of these scholarships.

6. A scholar who is in receipt of any emoluments, scholarship or stipend from the Government will not be entitled to a scholarship under this scheme, unless the former award is surrendered.

7. A candidate who has not joined any institution for higher studies, will, if selected for an award be required to obtain admission to an institution and to submit a formal letter from the Head of the institution agreeing to his admission.

Leave due to illness :—

(i) For continuous absence up to one month the scholarship will be paid in full ;

(ii) For continuous absence up to three months full scholarship will be paid if a scholar continues to stay in the college hostel for the period of absence. If a scholar is admitted to a Hospital, the scholarship will be paid that half the rates admissible up to a maximum period of three months. If a scholar leaves for his home, no scholarship will be paid for the period exceeding one month.

(iii) For continuous absence exceeding three months no scholarship will be paid.

N.B.—In all the above cases the concession will be allowed if the request for the period of absence is supported by a medical certificate from a registered medical practitioner and the Head of the Institution recommends the application and certifies that the scholar has been on the rolls of the college during the period of absence and is likely to make up the deficiency in lectures and studies during the rest of the period of the course of study.

(iv) If a scholar is unable to appear for the annual examination owing to illness the scholarship may be renewed for another year or the term as the case may be, provided the Head of the institution certifies that on the basis of the performance the scholar was likely to have passed had the examination been taken and provided further that the application is supported by a certificate of illness.

V. SUBMISSION OF APPLICATION

Applications must be submitted in the prescribed form. Completed applications should be submitted to the Head of the Institution where the applicatnt is enrolled. Selection of candidates for the award of scholarships will be made by the Director of Public Instruction, Punjab. The offer of a scholarship will be made to selected candidates through the Heads of the Institutions in which the scholars are enrolled.

RECRUITMENT OF EMPLOYEES FOR JAWALA MUKHI DRILLING CENTRE

***2401. Comrade Ram Chandra :** Will the Minister for Education and Labour be pleased to state whether it is a fact that recruitment of employees for the Jawalamukhi Drilling Centre in Kangra District is done through the Dehra Dun Employment Exchange and not through the Dharamsala Employment Exchange ; if so, the reasons therefor ?

Shri Amar Nath Vidyalankar : (i) Recruitment of employees for the Jawalamukhi Drilling Centre in Kangra District is being made both through the Employment Exchange, Dehra Dun and the District Employment Exchange, Dharamsala (Kangra District).

(ii) Since the Head Office of the Drilling Centre is at Dehra Dun, they also recruit persons through the Employment Exchange, Dehra Dun, for the purpose.

Statement showing reasons for the shortfalls and the steps that the Government have taken/propose to take to make up the lee-way

I. Agriculture.—Mainly the shortfall is under Manures and Fertilizers Programme. This is due to the fact that Superphosphate, because of its slow action and high price has not found favour with the farmers. Price of Amonium Sulphate too, has gone up. Another reason for the shortfall in the targets for Ammonium Sulphate, is the supplies which became short during 1957-58 in the peak consuming season. The supplies are not expected to be adequate in the coming years too, due to foreign exchange difficulties. More emphasis is, therefore, being laid on the development of local manurial resources like green manuring and composting. While on large-sized canal irrigated holdings, green manuring is becoming popular, but on farms, which are either irrigated by wells, or dependent on somewhat limited rainfall, this movement of green manuring has not gained any ground. To a small extent the Agriculture Department distributes seeds of green manuring crops on 50 percent subsidy basis but the quantity of seed so distributed is extremely small. Any further concession is likely to be misused to a considerable extent. Government is, therefore, making efforts to popularize Jantar and Dhaincha as a border crop so that it will provide fuel as well as green manuring. In some districts like Gurdaspur, Jantar as a border crop has already become very popular with the cultivators. Green manuring of rice with Jantar has been found to be highly profitable practice and it is being popularized actively. Great stress is also being laid on the growing of leguminous crops like Gowara, Berseem, and Senji in rotation of crops.

II. Minor Irrigation.—The main reasons for shortfall in irrigation from tube-wells were lack of watercourses, inadequate supply of electric Power and high water rates. These rates for Tube-well supply were worked out on no-profit-no-loss basis per unit of Electricity consumed by the cultivators. The unit rate has now been reduced from Re 0-4-0 to Re 0-2-0 per unit of electricity consumed. The power is being made available. The water-courses have almost been constructed. Irrigation is increasing gradually, and it is hoped that it will now be possible to catch up. The entire Tube-well work has been placed under the charge of one Superintending Engineer to expedite work and to increase irrigation.

III. Power Projects.—The shortfalls in respect of Bhakra-Nangal Works (Main and Distribution) are due to non-receipt of material during the preceding years which have been received/are being received during the current year i.e., 1958-59.

POLICE RAID ON VILLAGE MAJAL KALAN, DISTRICT PATIALA

***2570. Comrade Jangir Singh :** Will the Chief Minister be pleased to state —

(a) whether it is a fact that the staff of the Sadar Police Station, Patiala, raided village Majal Kalan during the month of July, 1958; if so,the purpose thereof and the number of days for which the Police stayed in the village ;

(b) the number of persons included in the raiding party together with the expenses incurred by them during their stay in the said village ?

Sardar Partap Singh Kairon : On 13th July, 1958, one S.I. and three Foot Constables of Sadar Police Station, Patiala, along with Chanan Singh of village Mahan and Bir Singh of village Sabajpur, went to village Majal Kalan to execute warrant under section 100, Criminal Procedure Code, issued by District Magistrate, Patiala, against Shrimati Kaulan, wife of Sadhu, Brahman. The Police came to know that Mst. Kaulan had been wrongfully confined in the house of Siria Brahman of that village. The warrant was executed and Kaulan recovered. On seeing the Police and Sadhu husband, of Kaulan, Siria, Badri and Sita, Brahmans, shouted to men of their *bradri* to kill Sadhu and take away Kaulan forcibly from the Police. On their investigation 25/30 persons including Siria, Badri , Sita and others came out with *lathis*, *sotas* and assaulted Sadhu. The Sub-Inspector intervened and rescued Sadhu from assailants after considerable difficulties and succeeded in rescuing him to village Chopal. The assailants surrounded village Chopal and threatened the Police party. They inflicted 17 injuries on Sadhu and five and eleven injuries on two Foot Constables. A case under section 307/342/332/366/ 148/149, I.P.C., was registered at police station Sadar, Patiala and D. S. P. Headquarters with a Police party rushed to the spot for arrest of the accused and recovery of abducted woman who had forcibly been taken away by Siria, Badri, etc. The Police party was sent for combing out of the village as well as the neighbouring fields and they successfully rounded up 12 accused on 14/15th July, 1958. Kaulan was also recovered. She also received injuries. One S. I. and three Foot Constables stayed in the village till 21st July, 1958 while the rest of the Police party returned the same day.

(b) The police made their own arrangements for food.

DISCOVERY OF STONE QUARRIES FOR MANUFACTURE OF CEMENT IN DHARAMSALA, DISTRICT KANGRA

*2492. **Shri Ram Chandra Comrade** : Will the Minister for Industries and Local Government be pleased to state—

(a) whether it is a fact that the Geologists have found stone quarries near Dharamsala, district Kangra, useful for the manufacture of high class cement ; if so, the extent of the area of such quarries ;

(b) the estimated quantity of the stone referred to in part (a) above ;

(c) the plans, if any, of the Government for starting the manufacture of cement from the quarries mentioned in part (a) above ?

Shri Mohan Lal : (a) Yes. A survey of limestone in the Kangra District was recently carried out by officers of the Geological Survey of India and a report has recently been received. The report is being examined. In summary it may be stated that the survey discloses substantial reserves of limestone, capable of supporting a cement factory of 350 to 700 tons per day capacity. The limestone lies in the vicinity of Dharamkot near Dharamsala, Kangra District, and stretches from Kareri in the north-west to Kanhiara, east of Dharamsala, in an almost straight belt, about two furlongs wide, for a distance of about 10 miles. Workable reserves are, however, located only in some of the hills in the middle part of this belt, about 2½ air miles due north of Dharamsala.

[Minister for Industries and local government]

(b) About 16 million tons of pink limestone and about 1·6 million tons of dark grey limestone.

(c) The report is under examination and every effort will be made to locate a cement factory in or near the area for the utilization of these resources at an early date.

COMPENSATION FOR THE LAND ACQUIRED IN CONNECTION WITH OIL DRILLING OPERATIONS IN JAWALAMUKHI

***2493. Shri Ram Chandra Comrade** : Will the Minister for Industries and Local Government be pleased to state—

(b) the amount of compensation, if any, so for paid to the persons concerned for the land referred to in part (a) above ?

Shri Mohan Lal : Oil drilling project in Jawalamukhi is under the direct control of the Ministry of Steel, Mines and Fuel, Government of India. As such information with regard to the land acquired in connection therewith and the amount of compensation paid, as asked for, is not available.

SUPERSESSION OF MUNICIPAL COMMITTEES IN KARNAL DISTRICT

***2934. Shri Parma Nand** : Will the Minister for Industries and Local Government be pleased to state—

(a) whether any cases relating to the supersession of certain Municipal Committees in Karnal District are pending with the Government at present ; if so, the names of the municipalities concerned, and the action proposed to be taken in regard to them ;

(b) whether he has received any complaints against the administration of the Municipal Committees referred to in part (a) above as well as regarding the dwindling of their incomes ; if so, the reasons, if any, why action has not so far been taken on the cases mentioned in part (a) above ?

Shri Mohan Lal : (a) Yes. Municipal Committees, Karnal and Kaithal. Both the cases are under the consideration of Government.

(b) Yes ; complaints against the general administration of the Committees were received but not of the dwindling of their income. Such cases are examined carefully after thorough investigation at the local level. Decisions are likely to be taken soon.

TOKEN STRIKE BY SWEEPERS AT CHANDIGARH

***2438. Shri Rup Singh Phul :** Will the Minister for Education and Labour be pleased to state —

(a) whether it is a fact that the sweepers at Chandigarh went recently on a token strike ; if so, when ;

(b) the demands put forth by the Union of the Sweepers referred to in part (a) above ;

(c) whether any of the demands mentioned in part (b) above have so far been accepted ; if so, what ?

Chaudhri Suraj Mal : (a) Yes. The sweepers employed at Chandigarh under the Capital Organisation observed a token strike on the 17th April, 1958.

(b) and (c) A statement giving the desired information is laid on the table of the House.

Statement showing the details of demands of the Sweepers' Union, Chandigarh, and the action taken thereon.

	Demands of Sweepers' Union	*Action taken*
1.	Annual increments may be given to all the employees of our Union	Increments have since been granted.
2.	Giving of improper warning to the employees be ceased forthwith	This required no particular action. In case of any grievance, the employee concerned can represent his case to the higher authority.
3.	Baseless and unauthorised notices should not be served on the employees of our Union	No specific instances of notices having been served without sufficient ground were pointed out. The matter was discussed with the Sweepers' Union and they agreed that there was no further grievance on this account.
4.	The leave should be given to the employees, if that is to be taken for some genuine purpose	This demand has already been discussed between the Sweepers' Union and the Medical Officer of Health and settled to the mutual satisfaction of both parties.
5.	Uniform which has been sanctioned for the last one year, but has not yet been given, may be given forthwith	Government have already issued orders for the supply of uniforms.
6.	The truck of Health Department may be stopped, the No. of which is PNE-4030	The grievance was with regard to the truck having not been provided with seating arrangement for sweepers. An order has since been placed with a firm for the construction of a Cooly Cab in the truck.
7.	The employees who have not yet got quarters may be made to available at an early date	About sixty sweepers have already been provided with Government residential accommodation. The housing problem at Chandigarh is difficult. Efforts are continuing to ease the situation.

Demands of Sweepers' Union	*Action taken*
8. If an employee falls ill, medical certificate for four days may not be demanded	These demands have already been discussed between the Sweepers' Union and the local Medical Officer of Health and a joint decision taken to the statisfaction of the Union.
9. Sanitary Inspector and Sanitary Jamadar may be empowered to give one day's leave	
10. Every employee should be given at least twenty days' leave after every one year service.	
11. The area of every employee be shortened	The volume of work required to be done by each sweeper is not considered so heavy as to warrant any decrease in the area of his beat, because the density of population in most areas is still quite low.
12. The employees who work on trucks, their pay should be reasonable	The salary of sweepers who work on garbage trucks is the same as that of other sweepers and is considered to be reasonable.
13. The sweepers who work on latrines, their pay should be proper and they should not be forced to take more than eight hours' duty	The salary of these sweepers is the same as that of all other sweepers. The demand regarding the reduction of duty hours to eight has been accepted in the case of such sweepers.
14. Broom was not given for 11 months, the payment of that at Rs 2 per head for quarterly may be paid.	This question has already been settled with the Sweepers' Union. Heavier brooms are now being provided.
15. Sweepers' Union may be deemed as representative body and employees be dismissed and engaged with its consultation	Sweepers' Union, Chandigarh, has since been registered, by the Labour Department under the Trade Union Act.
16. All gazetted holidays should be observed by the sweepers	This demand has been settled between the Sweepers' Union and the Medical Officer of Health to the mutual satisfaction of both parties.

APPOINTMENT OF HONORARY SUB-REGISTRARS IN THE STATE

*2437. **Shri Rup Singh Phul :** Will the Minister for Revenue be pleased to state—

(a) whether there is any scheme under the consideration of Government for the appointment of Honorary Sub-Registrars in the State, if so, the date when it is expected to be finalised; together with the approximate date when it is likely to be implemented;

(b) whether any percentage of the post referred to in part (a) above has been reserved for Harijans, if so, what ?

Rao Birendra Singh : (a) There are 32 Honorary Sub-Registrars working in different places in the State. A proposal to appoint a few more, is under consideration.

(b) There is no reservation for Harijans.

CONSOLIDATION OPERATIONS IN VILLAGE BHAINI JASSA IN DISTRICT SANGRUR

*2088. **Pandit Ram Kishan Bharolian :** Will the Minister for Revenue be pleased to state whether any representations from members of the Backward Classes of village Bhaini Jassa, district Sangrur, to the effect that their houses are to be counted in 'Phirni' at the time of Consolidation operations, has been received by the authorities concerned, if so, the action, if any, taken so far or proposed to be taken in this connection. ?

Rao Birendra Singh : *First Part.*—Yes.

Second Part.—The demand of the Harijans will be kept in view at the time of the publication of the consolidation scheme of this village.

WORKING HOURS IN CONSOLIDATION DEPARTMENT IN PATIALA DISTRICT

*2872. **Shri Phul Singh Kataria :** Will the Minister for Revenue be pleased to state—

(a) the working hours of Government employees working in the Consolidation Department in district Patiala ;

(b) whether he is aware of the fact that Consolidation Patwaris working in tehsil Sirhind are required to work from 8 a. m. to 6 p.m. ; if so, the reasons therefor ?

Rao Birendra Singh : (a) No working hours for the employees of Consolidation Department have been specifically fixed. The field staff, i. e., Patwaris, Kanungos and Assistant Consolidation Officers, etc., working in the Consolidation Department is required to give a specified amount of output within the prescribed period.

(b) Patwaris who are working at the Headquarters of Consolidation Officer and Assistant Consolidation Officers in certain cases, come earlier and go late, but they are not compelled to do so.

***2874. Shri Phul Singh Kataria :** Will the Minister for Revenue be pleased to state the number of the Jarib Kash employed during the Consolidation operations in tehsil Sirhind, district Patiala, and the number of those among them who have been paid their salaries and the number of those who have not been paid their salaries, together with the reasons for the latter ?

Rao Birendra Singh : (i) 127.

(ii) 44.

(iii) 83. The bills for payment of salaries of Jarib Kash were not prepared by the staff concerned which resulted in the claim having become six months old and hence the bills are being pre-audited by the Accountant-General, Punjab. Moreover the patwaris are required to give reports in respect of the number of Jarib Kash working under them. The patwaris having gone on strike, these reports were not available and hence preparation of bills was delayed.

ALLOTMENT OF MUSLIM-OWNED LAND IN VILLAGE DIALPURA MIRZEKA, DISTRICT BHATINDA

***2195. Comrade Jangir Singh :** Will the Minister for Revenue be pleased to state—

(a) the total area of evacuee land in village Dialpura Mirzeka, district Bhatinda ;

(b) the area out of the said land allotted or given on lease to the displaced persons, Harijans or tenants ;

(c) whether Government received any application for allotment or lease of the said land; if so, the particulars thereof, together with the action to be taken thereon ?

Rao Birendar Singh : (a) Total area in village Dialpura Mirzeka, district Bhatinda, is 81 S. A. and 7 Units, of which 5 Biswas was under Muslim 'ownership' and the remaining under "Muslim Occupancy Rights". 19 Bighas and 3 Biswas out of the latter area are mortgaged with the locals.

***2814. Sardar Atma Singh :** Will the Minister for Revenue be pleased to state—

(a) the total number of applications received in the Rehabilitation Department up to 15th September, 1957, for the exchange of

[Sardar Atma Singh]

inferior lands, district-wise, together with the number, if any, of those pending and the time within which these are expected to be disposed of ;

(b) whether it is a fact that exchange of lands is no longer allowed by Government ; if so, the reasons therefor ?

Rao Birendar Singh : (a) 14,188 applications for exchange were received in the Rehabilitation Department by the 15th September, 1957, out of which 11,379 related to the exchange of inferior land. A statement indicating the district-wise break-up of the applications received and those pending (which fall under the eligible categories where exchange of allotment has been permitted by the Government of India), is laid on the Table. It is expected that the pending applications will be disposed of by early next year.

(b) No. Exchange of land is still allowed only in the following cases:—

(i) Widows, having no male adult heir, and minors where the request is —

(a) for allotment with their relatives ; and

(b) for consolidation at one place.

(ii) where the land allotted was not cultivable at the time of allotment.

No other exchanges are permissible.

(b) Yes ; after 30 days.

RELIEF TO POLITICAL SUFFERERS

***2816. Sardar Atma Singh :** Will the Chief Minister be pleased to state —

(a) whether he received any representation in May, 1958, from any M. L. A. regarding the non-payment of relief money and delay in deciding the pension cases of political sufferers in the State ; if so, when, the details thereof and the action, if any, taken thereon ;

(b) the total number of cases of political sufferers disposed of so far during the current year, the number still pending and the period within which these are likely to be settled ?

Sardar Partap Singh Kairon : (a) Yes. One letter was received from the Hon'ble Member, viz. Shri Atma Singh, M. L. A., in May, 1958, but in this letter he had only asked for expediting the case of Baba Harnam Singh for the grant of financial assistance. His letter did not contain any mention about delay regarding the non-payment of relief money and delay in deciding cases of political sufferers in the State. Anyhow, it is pointed out that in view of a very large number of applicants, i.e. about 29,000 including 3,500 old cases, and the limited funds available for this purpose, the whole question regarding the grant of financial assistance to political sufferers was under consideration with a view to giving the benefit to the maximum possible number of political sufferers. Final decisions in this regard have since been taken and financial assistance to political sufferers will now be released shortly, where the political sufferers are otherwise eligible to it according to the Policy framed by the State National Workers Relief and Rehabilitation Board. The details of the political sufferers whom financial assistance will now be released will become available after about 2-3 months, when the lists are finally prepared.

(b) The total number of cases of political sufferers disposed of so far during the current financial year is 9,600. The total number of cases still pending is 19,400. Every possible effort is being made to dispose of the pending cases as early as possible.

BENEFIT OF WAR SERVICE TO EX-SERVICEMEN

*2889. **Sardar Dhanna Singh Gulshan :** Will the Chief Minister be pleased to state—

(a) the total number of ex-servicemen belonging to the erstwhile Pepsu Civil Secretariat now working in the Punjab Civil Secretariat in consequence of the merger of Punjab and Pepsu States ;

(b) whether the period of military service of the persons referred to in part (a) above has been counted for purposes of their seniority and pensions ; if not, the reasons therefor ?

Sardar Partap Singh Kairon : (a) 37.

(b) Yes, where admissible under relevant rules. Some cases are yet under consideration.

SCALES OF PAY OF ERSTWHILE PEPSU EMPLOYEES

*2937. **Raja Bhalindra Singh :** Will the Chief Minister be pleased to state—

(a) whether the scales of pay of the erstwhile Pepsu employees, where they were lower than the corresponding Punjab scales of pay have been brought to the Punjab level;

(b) if the answer is in the affirmative, whether it is a fact that the said scales have been equalised from the date of issue of orders and not from 1st November, 1956 ; if so, the reasons therefor ?

Sardar Partap Singh Kairon : (a) It has been decided that the pay scales of Pepsu employees which are lower than the pay scales of Punjab employees in corresponding/equated posts, should be brought at par with the Punjab scales. The orders are being issued.

(b) The scales are to be equalised from the date of order. Since this equalisation cannot be claimed as a matter of right, it was not considered necessary to give effect to it from 1st November, 1956.

GRADES OF GAZETTED AND NON-GAZETTED EMPLOYEES OF ERSTWHILE PEPSU STATE

*2938. **Raja Bhalindra Singh** : Will the Chief Minister be pleased to state—

GROUPING FORMULA

***2939. Raja Bhalindra Singh :** Will the Chief Minister be pleased to state—

(a) whether it is a fact that the grouping formula in regard to the integration of services of erstwhile Punjab, and erstwhile Pepsu, has been abandoned ; if so, the reasons therefor ;

(b) whether any *adhoc* decisions have been taken in regard to the integration of certain categories of employees ; if so, what ?

Sardar Partap Singh Kairon : (a) No. It has been abandoned only where according to Rules it should have been abandoned except in the case of P. E. S. I, where service was kept out of grouping in accordance with the agreed recommendations of the Administrative Secretaries of both the erstwhile States.

(b) The *ad hoc* decisions where called for have been taken to remove hardship. A list of such decisions is laid on the Table.

*In one of the cases besides a non-gazetted Government servant, a class IV Government servant is also involved.

Government policy is to deal with cases of corrupt Government officials through departmental proceedings against them. Cases are, therefore, not registered in respect of all inquiries and investigations undertaken. This is done only where considered necessary for the purpose of affecting search etc. Even where cases are registered for this purpose, they are not all sent to courts for criminal proceedings. This is done after the conclusion of departmental proceedings and where considered necessary on the merits of each case.

RESOURCES AND RETRENCHMENT COMMITTEE

***2475. Pandit Shri Ram Sharma :** Will the Minister for Finance be pleased to state —

(a) the date when the Resources and Retrenchment Committee was constituted by the Government, together with their terms of reference ;

(b) the work so far done by the said Committee ;

(c) whether any interim report has so far been received by Government from the Committee referred to above; if so, the action, if any, taken thereon ?

Dr. Gopi Chand Bhargava : (a) The Resources and Retrenchment Committee was constituted on the 19th June, 1957. Their terms of reference are as under—

(i) to explore and suggest new sources of revenue, both direct and indirect, not so far tapped by the State Government, with particular reference to the report of the Taxation Enquiry Commission ;

(ii) to review the income from the existing receipts and to suggest ways and means for its augmentation ;

(iii) to examine the state liabilities and expenditure with a view to secure economy, wherever possible, without imparing the efficiency of the Administration ; and

(iv) to explore and suggest other administrative measures incidental to (i) to (iii) above, which may help to accelerate the pace of development of state economy.

(b) It is not possible to indicate with any degree of precision the work done by the Committee except that they have held a number of meetings in which various subjects were considered. And, the Committee has, pending submission of a Report, made some interim suggestions and observations on different subjects.

(c) No interim report has so far been received from the Committee. Their interim suggestions and observations made from time to time are under consideration of the Government. Final decision thereon has not yet been taken, except in one case where, the proposal of the Committee regarding 'Lotteries' has been dropped.

GRANT OF AID TO THOSE WHO DO NOT WORK ON HANDLOOMS

***2359. Dr. Bhag Singh :** Will the Minister for Industries and Local Government be pleased to State whether any grant or aid is given by Government to those who run handlooms but do not themselves work on them ; if so, the total amount so far given to them in the nature of aid or grant ?

Shri Mohan Lal : No direct grant or aid is given by Government to persons who run Handloom establishments, but do not themselves work on them. However, a subsidy is given in the form of a rebate allowed to purchasers of handloom cloth. This rebate is given through the State-owned Emporia and the Emporia of the Apex Weavers' Co-operative Society. In the past, this rebate was also allowed during the Second and Third All-India Handloom Weeks, observed in 1954-55 and 1955-56. Separate figures regarding assistance given to owners of handlooms who worked on them personally and those who did not work on them personally are not available, as no separate accounts were maintained.

SMALL-SCALE AND COTTAGE INDUSTRIES IN RURAL AREAS OF LUDHIANA DISTRICT

***2886. Sardar Ramdayal Singh :** Will the Minister for Industries and Local Government be pleased to state—

(a) the total amount allocated as well as spent on small-scale and cottage industries in the rural areas of district Ludhiana during the current financial year ;

(b) the number of new enterprises started in these areas during the said period along with the names of the places where they have been started ;

(c) the amount of loan advanced to co-operative Societies or individuals in the rural areas of the said district for the said purpose during the period referred to above ; and

(d) whether any amount of such loan was advanced to persons belonging to the scheduled and backward classes in the said district ; if so what ?

Shri Mohan Lal : (a) A sum of Rs. 27,650 was allocated for the payment of wages to cotton spinners in the rural areas of district Ludhiana during the current financial year. The amount spent up-to-date is Rs. 14,310.

(b) Government do not have statistics regarding the number of new enterprises started in the rural areas of Ludhiana District during the current financial year, nor would it be possible to collect this data, as the labour involved would not be Commensurate with any benefit to be gained therefrom.

(c) Nil, so far.

(d) Does not arise.

INDUSTRIAL LOANS ADVANCED IN PANIPAT TOWN

***2948. Shri Parma Nand :** Will the Minister for Industries and Local Government be pleased to state —

(a) the number and names of persons living in Panipat Town who have so far been advanced loans by the District Industries Officer and the number and names of those amongst them who have not yet repaid the loans ;

[Shri Parma Nand]

(b) whether it is a fact that orders for the recovery of the loans mentioned in part (a) above have been issued in some cases of the said District Industries Officer ; if so, the names of persons to whom these notices have given, and the extent to which these have been complied with ;

(c) whether it is also a fact that in some cases orders for the recovery of the said loans have been sent to the Tehsildar, Karnal with instructions to recover the loans as arrears of land revenue; if so, the reasons thereof ?

Shri Mohan Lal : (a) Eighty-three persons were advanced loans ; twenty-two have not repaid instalments. Their names are placed on the Table as per statements A and B.

(b) Orders of recovery have been issued by the District Industries Officer to 11 parties. Their names are given in Statement 'C'. These orders have not yet been complied with.

(c) Not yet.

SURPLUS AREA OF LAND UNDER THE PUNJAB SECURITY OF LAND TENURES ACT, 1953

***2496. Shri Ram Chandra Comrade :** Will the Minister for Revenue be pleased to state—

(a) whether all the landlords, owning and the tenants cultivating, more than 30 standard acres of land in the State have so far filed their statements under the provisions of the Punjab Security of Land Tenures Act, 1953 ; if not, the reasons therefor together with the action, if any, proposed to be taken by Government to expedite the finalization of such statements ;

(b) the number of landlords owning, and the number of tenants who are in occupation of more than thirty acres of land at present in the State together with the total surplus area under the Punjab Security of Land Tenures Act, 1953, in each district ;

(c) whether any steps are proposed to be taken by Government to redistribute the surplus land referred to in part (b) above?

Rao Birendar Singh : The requisite information is laid on the Table.

(a) Landowners and tenants owning or holding areas more than their permissible area on 15th April, 1953, alone, were required to file their declarations by 19th June, 1953. It cannot be said whether all such persons who were required to file declarations, have done so or not. Their number and their surplus area has to be found by other means. Penalty for such persons is prescribed in section 5 (c) of the Act and their permissible area can be reduced to 10 standard acres. Revenue staff is engaged in finding necessary data relating to them and the Collectors will decide these cases in due course. As it cannot be said whether any persons who were required to file declarations, have failed to do so unless their particulars are worked out and found by other means, it is not possible to state why any of them has not filed any such declarations. The Government, however, provided all facilities by supplying necessary forms in time for the filing of the declaration.

(b) A statement showing the number of persons owning or holding more than permissible area in more than one Patwar circle and their surplus areas according to the returns filed by them, district-wise, is given below :—

Name of District	Landowners owning more than 30 acres	Tenants in occupation of more than 30 acres	Surplus area
Amritsar ..	1,346	97	14,150
Hoshiarpur ..	233	Nil	2,115
Kangra ..	190	Nil	10,326
Gurdaspur ..	695	4	13,257
Jullundur ..	260	Nil	7,417
Ludhiana ..	1,505	Nil	Not available
Ferozepur ..	5,272	262	213,989
Ambala ..	952	15	Not available
Karnal ..	2,444	11	32,114
Gurgaon ..	Not available	Not available	..
Rohtak ..	230	Not available	..
Simla ..	..	..	..
Hissar ..	3,011	103	Not available

May be that certain persons who are required to file declarations have not done so. Their number and surplus area can only be given when such cases are brought to notice and completed after varification from the revenue records. However, under the provisions of the Act, persons owning or holding more than permissible area in one patwar-cirlce, were not required to file any declaration. The surplus area is to be determined by the Government. The revenue staff is engaged for working it out by completing forms D and D.D. It is a complicated process and it will take some time before their number and surplus area can be given.

(c) Surplus area is being determined at one end and the list of tenants eligible to be settled on surplus area is being prepared. As soon as these are ready, resettlement of tenants will take place.

TALWANDI-SABO ROAD

*2976. **Sardar Kirpal Singh 'Shant' :** Will the Minister for Revenue be pleased to state according to which schedule of rates, for kacha or pacca routes, has the bus fare been fixed on the Talwandi-Sabo Road ?

Rao Birendar Singh : There is only one metalled road which connects Talwandi-Sabo with Bhatinda. It is a pacca road and fare is charged at the rate of 7 pies per mile per passenger, which is in accordance with the approved scale for metalled roads.

RESERVATION OF SHAMILAT DEH DURING CONSOLIDATION OPERATIONS IN VILLAGE PHUMANWAL, DISTRICT SANGRUR

*2090. **Pandit Ram Kishan Bharolian :** Will the Minister for Revenue be pleased to state —

(a) whether any area of Shamilat Deh was reserved for the use of Harijans in village Phumanwal, districtSangrur, at the time of Consolidation Operations ;

(b) whether he is aware of the fact that the said Shamilat Deh is being sold ;

(c) If answers to (a) and (b) above be in affirmative, the action taken or proposed to be taken by Government in the matter ?

Rao Birendar Singh : (a) Yes.

(b) No Shamilat Deh land is being sold by the Panchayat allotted to it during Consolidation.

(c) Does not arise in view of (a) and (b) above.

***2676. Shri Rup Singh Phul :** Will the Minister for Education and Labour be pleased to state the number of Government Primary Schools in Kangra district together with the amount, if any, sanctioned for repair of their buildings during the current financial year, tehsil-wise ?

Shri Amar Nath Vidyalankar : There are 738 Primary Schools in Kangra District. The repairs of buildings of the Primary Schools located in the rural areas is the responsibility of the Panchayats who will be given a subsidy for the purpose.

SENIORITY OF PROFESSORS AND LECTURERS IN THE EDUCATION DEPARTMENT

***2940. Raja Bhalindra Singh :** Will the Minister for Education and Labour be pleased to state—

(a) whether any agreed list determining the seniority of Professors and Lecturers of the College employed in the erstwhile States of Pepsu and Punjab was drawn up by the Secretaries of the Education Departments before integration of the two States ;

[Raja Bhalindra Singh]

(b) if reply to part (a) above be in the affirmative whether the said list been abandoned and a fresh list prepared ; if so, the reasons therefor ?

Sardar Partap Singh Kairon : (a) Yes.

(b) Yes, because the position indicated therein was not consistent with the factual position obtaining on 31st October, 1956. Further, on receipt of representations from the various Associations of Punjab and Pepsu College teachers, the whole question was considered by the Integration Council, which heard the representatives of Punjab and Pepsu College teachers, before taking any decisions. The Education Secretary of Punjab and S. Ranbir Singh, former Education Secretary of erstwhile Pepsu, who was Integration Secretary at that time were throughout associated by the Integration Council in discussions and while taking decisions. It was as a result of these discussions that the list was finalised by the Integration Council, in accordance with the rules and by removing hardships, where any, as provided under the rules. For any grievance persons can appeal against it.

PEONS IN THE LABOUR DEPARTMENT

***2954. Shri Ram Parkash :** Will the Minister for Education and Labour be pleased to state—

(a) the present total strength of peons in the Labour Department and the number of Harijans amongst them ;

(b) the number of Harijans, referred to in part (a) above recruited, since Government decided to fix 21 per cent as the percentage of Harijans for employment in the State ;

(c) if the strength of the Harijans mentioned in parts (a) and (b) above falls short of the fixed percentage, the reasons therfor ?

Shri Amar Nath Vidyalankar : (a) *Part I.*—87.

Part II.—13.

(b) 14.

(c) The shortfall is due to the fact that the recruitment of peons was made before the fixation of percentage for the Harijans.

CONSTRUCTION OF HOSPITAL BUILDING AT NAWANSHEHAR, DISTRICT JULLUNDUR

***2835. Sardar Atma Singh :** Will the Minister for Health and Panchayats be pleased to state—

(a) whether it is a fact that about two years ago, a sum of Rs. one lakh was sanctioned for the building of a hospital at Nawanshehar, district Jullundur ;

(b) whether it is also a fact that the foundation laying ceremony of the said building was performed by the Deputy Health Minister ;

(c) if replies to parts (a) and (b) above be in the a affirmative, whether the construction of the building has been started ; if not, the reasons therefor and the time by which the construction work on the said building is proposed to be started and completed ?

Sardar Gurbanta Singh : (a) A scheme for the construction of new Hospital Building at Nawanshehar, district Jullundur was approved at a total cost of Rs. 99,664.

(b) Yes.

(c) The scheme could not be implemented owing to paucity of funds in view of the fact that all resources of the State have been earmarked for the Second-Five Year Plan. However, the question of adjusting this scheme within the ceiling of the Second Five-Year Plan is under consideration of State Government.

PANIPAT CO-OPERATIVE SUGAR MILLS, PANIPAT

***2951. Dr. Parma Nand :** Will the Minister for Health and Panchayats be pleased to state —

(2) From Punjab State Co-operative Bank, Limited Jullundur	..	3,12,500
(3) Industrial Finance Corporation of India	..	50,00,000

[Minister for Health and Panchayats]

(b) Yes. A demurrage of Rs. 2,200 regarding sugarcane was paid during the last season, but this amount has been debited to the account of the cane carrier Feeding Contractor as it was his responsibility.

The demurrage on account of machinery, amounted to Rs. 15,569-1-0 and was due to the following reasons :—

(1) Lack of finances to retire the documents in time.

(2) Difficulty in removal of heavy over-dimensioned machinery as the Mills had no siding at that time. The matter is being pursued with the Railway Department for getting refund of the demurrage.

(c) No.

This deed made this day————————195 between the Governor of the Punjab (hereinafter referred to as the Government which expression shall,where the context so admits, include his successors and assigns) of the one part and——————————son of ————————————caste———————————— resident of———— ————————(hereinafter referred to as the grantee which expression shall, where the context so admits, include his heirs, executors and administrators) of the other part.

Whereas the grantee being desirous of purchasing five acres or more of agricultural land worth Rs. 4,500 (Rupees four thousand and five hundred) or more has applied to the Government for the grant of a subsidy for that purpose and whereas the Government has agreed to grant to the grantee a subsidy of Rs 2,000 (Rupees two thousand) for the purpose of aforesaid in the manner and on the terms and conditions hereinunder appearing:—

Now this deed witnesses and the parties hereto hereby agree as follows:—

(1) That in pursuance of the said agreement, the Government has deposited the sum of Rs 2,000 (rupees two thousand) in the ——————————in the joint name of the grantee and the District Harijan Welfare Officer of———————— District.

(2) That the grantee shall not be entitled to withdraw any amount from the said deposit mentioned above without the authorisation of the said District Harijan Welfare Officer ——————————District, but the said District Harijan Welfare Officer shall have the right to withdraw the said amount without the consent or authority of the grantee.

(3) That the grantee shall utilise the amount withdrawn from the deposit referred to above for the purpose of purchase of agricultural land and for no other purpose.

(4) That the grantee shall keep proper account of the amount withdrawn from the deposit and render the same to the Government and also provide vouchers, in support of every itme of expenditure.

(5) That the grantee shall purchase only such land as is approved by the Director, Welfare of Scheduled Castes and Backward Classes, Punjab.

(5-A). If the cost of the land purchased by the grantee is less than Rs 4,500 the subsidy shall be diminished by the amount by which the cost of the land falls short of Rs 4,500 and the District Harijan Welfare Officer shall be entitled to withdraw the amount representing the difference between the actual cost of land and Rs 4,500 out of the said deposit and refund the same to Government.

(6) That during the period of 15 years from the date of the purchase by the grantee of the land with the aid of the subsidy the land purchased by him with the aid of the subsidy shall be cultivated personally by the grantee or through the members of his family and the grantee shall not use or permit the use of the said land for any other purpose.

Note.—Members of the family shall include wife and unmarried children but married son/s living with his parents as a joint family shall also be included.

(7) That the grantee shall not for the aforesaid period of fifteen years mortgage or alienate the said land in any other manner except by way of mortgage with the co-operative credit Society——————————to raise loan to the extent of Rs. 2,500 (Rupees two thousand and five hundred) only for paying up the price of the land over and above the amount allowed to be withdrawn out of the said sum of Rs. 2,000 deposited in the——————————in the joint names of the grantee and District Harijan Welfare Officer.

(8) That the grantee shall settle on the said land.

(9) That on the grantee's performing for the aforesaid period of fifteen years the conditions and terms contained herein and to be performed and observed by him shall become entitled to deal with the land in such manner as he may think fit.

[Chief Minister]

(10) That if during the aforesaid period of 15 years, the grantee commits break of any of the conditions herein contained and to be performed and observed by him, government shall have the right to resume the said land in which case Government shall be liable to pay the amount, if any, due to the Co-operative Credit Society——————obtained from it under clause 7 thereof, together with interest.

(11) That during the aforesaid period of 15 years, the grantee shall permit the Director, Welfare of Scheduled Castes and Backward Classes, Punjab or any other officer authorised by him in that behalf to enter into or upon the said land and to inspect the same.

(12) That the grantee shall pay all rates, taxes and other charges of every description which are now or which may become payable in respect of the said land.

(13) It is hereby agreed that if at any time any dispute, doubt or question shall arise between the Government and the grantee, touching the meaning or effect of this deed or any other clause thereof or their respective rights and liabilities hereunder the same shall be referred to the arbitration of the Director, Welfare of Scheduled Castes and Backward Classes, Punjab acting as such at the time of the reference and his decision shall be final and binding on the parties.

In witness whereof the parties hereto have signed hereunder on the dates respectively mentioned against their signatures in the year of the Republic of India.

ECONOMY DRIVE IN THE PUNJAB PUBLIC RELATIONS DEPARTMENT

*2836. **Sardar Atma Singh :** Will the Chief Minister be pleased to state—

(a) whether he received any representation from any M. L. A. in connection with the economy drive in the Punjab Public Relations Department during the current year; if so, when and the details of the suggestions, if any, made therein;

(b) the action, if any, taken on the representation referred to in part (a) above ?

Sardar Partap Singh Kairon : (a) A Statement is placed on the Table of the House.

(b) A Statement is placed on the Table of the House.

(a) Yes. A representation was received from Shri Atma Singh, M.L.A., on the 22nd June, 1958. He had suggested that :—

(1) The office of the District Public Relations Officer, Jullundur, be shifted to a cheaper building.

(2) The Supervisor and Organiser at Kapurthala be retrenched ;

(3) Costly papers should not be used for the publications of the journals of the department ;

(4) Posts of Supervisors and Organisers in all districts might be abolished.

(b) (1) The office of the district Public Relations Officer, Jullundur, is being shifted to a cheaper building to be vacated by the Income-Tax Department.

(2) Kapurthala, though small in size, needs greater publicity for the education of people in Development Plans and also in safety measu es from floods. Supervisors and Organisers are, therefore, necessary to assist the District Public Relations Officer in the performance of his duties.

(3) Costly paper is necessary in order to make Government publications more attractive and of abiding and enduring nature. In this matter we are generally following Government of India.

(4) Supervisors and Organisers were appointed when after experience it was found that District Public Relations Officer could not single-handed cover the district effectively. People have to be educated in their rights and responsibilities, in order to make them ideal citizens of the State. More hands are required to achieve better results i 1 less time. That is why Supervisors and Organisers have been appointed in addition to the District Public Relations Officers.

EXPENSES AND PROFIT ON AMBALA, JULLUNDUR, AMRITSAR AND PEPSU ROADWAYS

***2915. Sardar Rajinder Singh :** Will the Minister for Revenue be pleased to state—

(a) the average cost and profit per bus mile in the Ambala, Jullundur and Amritsar Roadways, separately, during 1957-58 ;

(b) the average cost and profit per bus mile of the Pepsu Road Transport Corporation during the period mentioned in part (a) above ;

(c) the reasons for the difference, if any, between (a) and (b) above ?

Rao Birendar Singh : A statement is laid on the Table of the House.

(a) *Roadways costs and profits*		*Punjab Roadways, Amritsar*	*Punjab Roadways, Ambala*	*Punjab Roadways, Jullundur*
		nP.	nP.	nP.
Average cost per mile (1957-58)	..	63	64	71
Average profit per mile (1957-58)	..	38	37	42

(b) Pepsu Road Transport Corporation Costs and Profits (1957-58)

Cost per mile .. 59 nP. Profit per mile .. 35 nP.

(c) Reasons for the difference between (a) and (b)—

Costs—

(i) Staff in Roadways, having mostly completed 8—10 years of service and earned increments costs higher than that of Pepsu Road Transport Corporation. The expenditure per mile on staff in all the Service compares as under :—

Amritsar	*Ambala*	*Jullundur*	*Pepsu Road Transport Corporation, Patiala*
19 nP.	18 nP.	22 nP.	15 nP.

(ii) Punjab Roadways have many sub-depots and bus-stands scattered throughout Punjab, whereas the Pepsu Road Transport Corporation is a compact unit and has only one administrative and workshop building. The following is the comparison of the capital expenditure on land and buildings in each Service :—

Amritsar	*Ambala*	*Jullundur*	*Pepsu Road Transport Corporation, Patiala*
Rs.	Rs.	Rs.	Rs.
6,65,524	6,93,071	7,79,109	4,37,785

Similar is the case with tools and plants the investment of which is as under :—

		Rs
Punjab Roadways, Amritsar	..	1,25,969
Punjab Roadways, Ambala	..	1,14,302
Punjab Roadways, Jullundur	..	1,55,199
Pepsu Road Transport Corporation, Patiala	..	39,280

As a result of the above difference, the Roadways have to pay more depreciation and interest charges.

(iii) The fleet in Roadways (particularly and in greater ration at Jullundur) consists of both 52-seater and 44-seater buses, whereas in Pepsu Road Transport Corporation only 44-seater buses are in service. This also accounts for higher costs. The higher the carrying load of a bus, the more is the expenditure on operation in the form of higher costs of vehicles, spares, fuel, etc. This is, however, paid back in higher receipts.

Profits—

While local conditions and behaviour of traffic in a particular area has also a bearing over receipts per mile, the carrying capacity of the buses also accounts for variation in receipts (earnings) per mile. The following is the receipt per mile comparison which explains away the variation in the profits :—

		nP.
Punjab Roadways, Jullundur	..	113
Punjab Roadways, Amritsar	..	101
Punjab Roadways, Ambala	..	101
Pepsu Road Transport Corporation, Patiala	..	94

PROFIT OR LOSS FROM RUNNING GOODS CARRIERS

***2916. Sardar Rajinder Singh :** Will the Minister for Revenue be pleased to state—

(a) whether the Punjab Roadways, Ambala, was running any goods service during the period from 1951 to 1957 ; if so, the amount of profit or loss, as the case may be, during each year ;

(b) whether it is a fact that the Government continued to run the said goods service in spite of continued loss; if so, the reasons therefor and whether any responsibility for the said loss has been fixed and on whom ?

Rao Birendra Singh : (a) Yes. A statement is laid on the Table of the House.

(b) Yes. The experimental service showed profit in the 1st year, loss in the second year and profit in the third year. However, in the years 1954-55 and 1955-56 the potato crops failed which affected the operation adversely and resulted in more losses. As there was no improvement in the goods service even in the beginning of 1956-57, the operation was stopped. Since

[Minister for Revenue]

no individual officer/official was at fault, responsibility on any particular individual employee could not be fixed.

CONSOLIDATION OF HOLDINGS IN THE STATE

***2992. Sardar Ram Dayal Singh :** Will the Minister for Revenue be pleased to state—

(a) the total area of land brought under consolidation in the State during the years 1956-57 and 1957-58 together with the target, if any, fixed for this purpose during these years, separately ;

(b) the number of occasions on which the Government achieved the targets fixed by it for the consolidation of holdings in the State since 1952, and the year or years in which this achievement was made ?

Rao Birendra Singh : (a) 1956-57—1,550,505 acres actually repartitioned against target of 2,870,317.

1957-58—9,76,022 acres actually repartitioned against target of 3,113,224.

(b) 91,551 tons wheat up to 23rd June, 1959.]

(c) The following measures, inter alia, have been taken to prevent the recurrence of the food crisis this year :—

(i) The Government has assumed powers to purchase the whole or any portion of daily arrivals of wheat in the mandis of the State to build up a reserve of about 1.20 lac tons. This reserve has almost been built up.

(ii) Anti-smuggling measures have been adequately strengthened. Restrictions have been imposed on the movement of wheat to areas within a 5 miles belt along the border of the State of Punjab adjoining the State of Rajasthan and Uttar Pradesh. Such restrictions on the movement of rice already exist. A bill is before the Legislative Assembly to authorise seizure by Government of the means of transport found used in smuggling of wheat.

[Minister for Industries]

(iii) For keeping prices of foodgrains at reasonable level, during the pressure of large competitive buyers of wheat, in markets has been reduced by—

(1) keeping flour mills in Delhi out of the Punjab Market during May and June, 1959.

(2) keeping the Roller Flour Mills in the Punjab off the market. Arrangements are being put through for purchases through Government Agency for meeting wheat requirements of the mills.

(iv) A separate licence for wheat has been prescribed. Wheat licencees are required to submit returns of their purchases, sales and stocks held by them in forms printed in red, blue and black colours so that it would be easy to know the stocks held by the bigger stockists. This would facilitate acquiring of stocks if at any time it becomes necessary to do so.

(v) Distribution of wheat products including atta prepared by the Roller Flour Mills in the Punjab from wheat supplied by Government will be regulated and it will be ensured that wheat atta and fines are supplied by mills to the public at reasonable rates.

REPRESENTATION FOR FIXATION OF WHEAT PRICES IN THE STATE

***4145. Sardar Atma Singh :** Will the Minister for Industries and Local Government be pleased to state whether Government have received any representations regarding the fixing of prices of wheat in the State; if so, when, from whom with the details of the suggestions made therein, together with the action taken thereon ?

Shri Mohan Lal : Yes. A statement is laid on the Table of the House.

Statement Showing communications received from different persons requesting/suggesting re-fixation of wheat prices under the scheme for State Trading in Foodgrains and action taken on them

Date of representation	From whom received	Suggestions
..	Anonymous communication ..	Price of wheat should in no case be less than Rs 16.50 per maund
..	Shri Beni Parshad, ex-Municipal Commissioner, Ambala City	Price of wheat should be fixed between Rs 14.50 to Rs 17.00 per maund
17-4-59	Shri Pritam Singh Khatra, Sarpanch and President, Village Khatra Chaharam, District Ludhiana	Price of wheat should not be fixed below Rs 18.00 per maund
23-4-59	S. Kartar Singh Diwana, M.L.A., Diwana Farm, Amargarh, District Sangrur	The price of wheat should not be less than Rs 16.00 per maund
3-6-59	S. Atma Singh, M.L.A., Kapurthala	Minimum price of wheat should not be less than Rs 16.00 per maund

Action taken.—The power to fix prices of foodstuffs vests in the Central Government. The Punjab Government had given its views before the Central Government made its announcement of the procurement prices. No need has been felt to take up the matter again with the Central Government as the representations received do not break any new ground.

FOREIGN WHEAT SUPPLIED BY CENTRAL GOVERNMENT TO THE STATE GOVERNMENT

*4164. **Shri Ram Chandra Comrade :** Will the Minister for Industries and Local Government be pleased to state —

***4165. Shri Ram Chandra Comrade :** Will the Minister for Agriculture and Forests be pleased to state the estimated yield of wheat in the State from the crops maturing in March, April and May, 1959 ?

Giani Kartar Singh : 22,75,000 tons.

ESTABLISHMENT OF AGRICULTURAL UUNIVERSITY AT LUDHIANA

***4239. Sardar Rajinder Singh :** Will the Minister for Agriculture and Forests be pleased to state —

(a) whether Government have decided to establish an Agricultural University at Ludhiana ; if so, the steps, if any so far taken in this respcet :

(b) whether Government of India have agreed to give any financial aid for setting up the said University ;

(c) whether any other organisation Indian or Foreign has also promised any help for the purpose ; if so, the details thereof ?

Giani Kartar Singh : (a) Not yet. The matter is under consideration.

(b) Not yet. The matter is under consideration.

(c) Yes Sir, in case it is ultimately decided to have the University,. However, no detailed commitments have so far been made.

SUNDER BRANCH OF WESTERN JAMUNA CANALS

***4015. Pandit Shri Ram Sharma :** Will the Minister for Irrigation and Power be pleased to state —

(a) the total expenditure so far incurred on the Sunder Branch of the Western Jamna Canal ;

(b) the period during which the said Branch was non-perennial and the date from which it has become perennial ;

(c) the total area now being irrigated by the said branch ;

(*e*) the amount of water rate, water advantage rate on the land irrigated by the said branch for the last three years and the estimated betterment levy to be realised in respect of this branch ?

Sardar Partap Singh Kairon : (a) Sunder Branch is a part of the Western Jumna Canal Remodelling Project. The total cost of the Project according to present calculations is Rs 7.31 crores *plus* Rs 1.83 crores as interest charges up to 1962-63. The amount to be debited to Sunder Branch is being worked out.

(b) From 1941-42 to 1953-54 it was non-perennial. It was converted into perennial from Kharif 1954.

(c) The total area irrigated during 1957-58—207,905 acres.

(d)

Year		*Water rate*	*Water advantage rate*
		Rs	Rs
1955-56	..	11,03,373	3,73,451
1956-57	..	12,40,621	5,12,765
1957-58	..	12,90,637	5,01,182

The Western Jumna Canal Remodelling Project is under revision and its unproductive gap is being determined. Preparation of its Schedules has not thus, yet, started, although the crop date has been collected for the most part. Hence the estimated betterment levy to be realised in respect of Sunder Sub-Branch of the Western Jumna Canal Remodelling Project cannot be given at this stage.

REMODELLING OF WESTERN JUMNA CANAL

Sardar Partap Singh Kairon : (a) Rs 149.15 lacs.

(b) Rs 25.44 lacs.

(c) Karnal Sub-Division	..	18 per cent
Delhi Sub-Division	..	23 per cent
Panipat Sub-Division	..	8 per cent

Information regarding Sub-Divisions of the Western Jumna Canal, West Circle, is being collected and will be supplied later.

EXCAVATION OF MINOR FROM R.D. 10 OF MAMMERKHERA DISTRIBUTARY

*4273. **Chaudhri Devi Lal** : Will the Minister for Irrigation and Power be pleased to state —

(a) whether there was any scheme under the consideration of Government to excavate a Minor from R.D. 10 of Mammerkhera Distributary ; if so, whether any survey of the site proposed for the said minor was made ;

(b) whether it is a fact that the said scheme has been shelved ; if so, for what reasons ; if not, the time by which the minor referred to in part (a) above will be excavated ?

Sardar Partap Singh Kairon : (a)&(b) No. The Zamindars had demanded for taking out a minor from R.D. 10,000 of Mammerkhera Distributary for the irrigation of their lands. This request was examined and it was found that the irrigation can be done better by taking out a minor from R.D. 18,500-L of Kaluana Distributary. Field staff has been directed to carry out necessary investigations in this behalf, and the scheme will be examined on completion of investigations.

BREACHES IN DISTRIBUTARIES IN TEHSIL SIRSA, DISTRICT HISSAR

*4274. **Chaudhri Devi Lal** : Will the Minister for Irrigation and Power be pleased to state —

(a) the number of breaches that occurred in various distributaries in tehsil Sirsa, district Hissar, during the last year ;

(b) the steps being taken by Government to avoid these breaches ?

Sardar Partap Singh Kairon : (a) 153.

(b) Strengthening and watching of weak breaches is being done to avoid recurrence of breaches.

DISCHARGE OF WATER FROM GREY CANALS IN FEROZEPUR DISTRICT

***4276. Sardar Gurwaryam Singh:** Will the Minister for Irrigation and Power be pleased to state—

(a) the discharge of water from the Grey Canals taken from River Sutlej in Ferozepur District ;

(b) whether the said canals have now been linked with the Sidhwan Bet Canal ; if so, the discharge thereof at present as a result of this linking ;

(c) whether any cut in the discharge of water from the said canals has been affected ; if so, the reasons thereof ?

Sardar Partap Singh Kairon : (a) 173,086 cusecs days (based on the average of 5 years—1948—52).

(b) Yes. The discharge actually utilised is 161,060 cusecs days (based on the average of 1955—58).

(c) Previously, the supply was irregular and uncontrolled, being direct from river and its creeks through Kacha heads. Also it was available during monsoons only, while now it is controlled and regular. In overall picture, therefore, the supply of water has somewhat improved and there is no reduction, taking into account the absorption losses and waste of water involved in the previous arrangement.

CONSTRUCTION OF ROAD FROM JHARANT TO NARELA IN SONEPAT TEHSIL

***4215. Pandit Shri Ram Sharma :** Will the Minister for Irrigation and Power be pleased to state—

(a) whether it is a fact that the proposal for the construction of a road under the Community Projects Scheme from Jharant to Narela in Sonepat Tehsil, has been under the consideration of Government for the last five years ; if so, the latest position regarding the alignment of the said road ;

(b) whether Government have received any representation from the inhabitants of village Thanna Khurd requesting for the change in the alignment of the road referred to above ; if so, the action, if any, taken thereon ?

Sardar Gian Singh Rarewala : (a) (i) Yes.

(ii) The proposed alignment of this road has been disputed by residents of village Thanna Khurd, and the scheme has not progressed on that account.

(b) (i) Yes.

(ii) The matter is under consideration of the district authorities.

NEW DEVELOPMENT BLOCK FOR CERTAIN AREAS OF TEHSIL PATTI, DISTRICT AMRITSAR

***4275. Sardar Gurwaryam Singh :** Will the Minister for Irrigation and Power be pleased to state whether there is any proposal under the consideration of Government to create a new Development Block for those areas of tehsil Patti, district Amritsar, which were not included in the Patti Bhikhiwind Development Block ; if so, the date by which it is likely to be finalised ?

Sardar Gian Singh Rarewala : The whole non-block area of Patti Tehsil has been included in the Valtoha Block, which started its pre-extension stage with effect from 1st April, 1959.

DISTRICT LIBRARIES

***4144. Sardar Atma Singh :** Will the Minister for Education and Labour be pleased to state —

(a) the names of places in the State where district libraries have been started ;

(b) the target fixed in the First and Second Five-Year Plans for opening district Libraries in the State ;

(c) whether the targets referred to above have been achieved ; if not, the reasons therefor ;

(d) the details of the financial assistance given or offered by the Central Government for the purpose during these Plan periods ;

(e) whether the assistance mentioned in part (d) above has been utilised ; if not, the reasons thereof ;

(f) whether there is any library at present on wheels in the State ; if not, whether there is any proposal to set one up ?

Shri Amar Nath Vidyalankar : (a) Ambala, Jullundur and Dharmsala.

(b) (i) First Five-Year Plan .. None

(ii) Second Five-Year Plan .. One library for each district

(c) No. Due to paucity of resources, only three district libraries could be started uptil now.

(d) 1956-57	1957-58	1958-59	1959-60
Rs 1,77,289	Rs 41,000	Information still awaited from Government of India	Too early to say

IMPLEMENTATION OF DECISIONS ARRIVED AT THE EMERGENCY COMMITTEE (FLOOD RELIEF)

***4146. Sardar Atma Singh :** Will the Minister for Revenue be pleased to state with reference to the reply to Starred Question No. 1261 printed in the list of postponed starred questions for 7th April, 1958, whether any further action in the matter has been taken ; if so, the details thereof ; if not, the reasons therefor ?

Rao Birendar Singh : A statement is laid on the Table.

STATEMENT SHOWING THE UPTO DATE POSITION REGARDING IMPLEMENTATION OF THE DECISIONS TAKEN BY THE EMERGENCY COMMITTEE, FLOOD RELIEF, IN THE MEETING HELD ON 21ST SEPTEMBER, 1957

Serial No.	Part (A)	Part (B)
1	Solution for the extension of the flow of Niki Nallah towards the river Ravi near village Veroke, should be found.	Superintending Engineer, Drainage Circle, Patiala, has reported that there is no Niki Nallah drain at site. This name is given to a depression line which has its outfall into the Ravi. Prior to the construction of the Dhussi Bund, the flood waters of the Ravi used to flow through this depression line which has now been stopped. Rain water, however, now flows in it during heavy rainy season though it is under cultivation. There also exists another depression line with its outfall into the Kiran Nallah. In view of the excavation of other drains excavation of this drain on priority basis is not considered essential.
2	Extension of Dhussi Bund near village Thatharke should be examined.	Upto date information is being collected and will be communicated on receipt.
3	The abadi of village Gola Dhola should be shifted to the safe side of the Dhussi Bund. No financial aid for construction of houses is to be be given but the standing decision regarding grant for the acquisition of the new site will apply	In view of the position already explained in reply to question No. 1261 no further action is necessary.
4	Some portion of the Dhussi Bund, which is on either side of the village Rattar Chatter has been washed away, while on most of the water overflowed, the question of proper construction of this portion may be taken up by the Enquiry Committee taking the people into confidence.	Strengthening weak sites of base bund from Dera Baba Nanak to Kamalpur is in hand. About 103,500 Cft. earth work has been done against the estimated quanitity of 22 lacs Cft. The work is thus about 45 per cent complete.
5	A large number of cases relating to the payment of compensation of those whose lands have been acquired for the Dhussi Bund and canals in the affected areas of Amritsar and Gurdaspur Districts are pending with the collectors of these districts. The Financial Commissioner under took to look into the matter.	The matter was considered by the Emergency Committee, Flood Relief in its meeting held on 1st May, 1958 and it was decided to appoint a Special Land Acquisition Officer with supporting staff, for the purpose of expediting the payment of compensation for such lands. Information with regard to the appointment of Special Land Acquisition Officer and payment of necessary compensation is awaited from the Irrigation Department.

6	Trees should be planted along the Dhussi by the Irrigation Department and no funds should be demanded for this work	Upto date information is being collected and will be communicated on receipt
7	During the rainy season when the discharging of the Sakki Nallah is excessive, the flow is hampered at the Railway Bridge where the outlet is insufficient with the flow. The matter should be taken up with the Railway authorities	
8	Necessary action for the construction of guide banks upstream of Sakki Bridge at Ajnala should be taken and desirability of adding a span to the bridge should also be examined, which should ensure an adequate waterway for the Sakki in floods	
9	The weeds should be cleared off from the very roots in the Sakki Nallah	
	The possibility of providing cut offs in the Sakki Nallah should be investigated	
	As these works are of an urgent nature, the estimates should be sent to the Government of India for sanction and the work started in anticipation of sanction from the Centre	
10	The possibility of constructing an embankment along the right bank of Sakki Nallah as far as the back flow extends, should be investigated. A regular sluice may also be constructed near the rail end of the Nallah to keep the river Ravi water from going into the Nallah	
	It was decided that schemes to deal with the problem should be prepared within a month and submitted to the State Flood Control Board after scrutiny by the Technical Committee	
11	Chief Engineer, Irrigation Branch (North) should investigate the construction of an embankment for a length of 4 to 5 miles along the left bank of Sakki Nallah and suggest a suitable scheme for the protection of the low lying lands of village Ranian, Kukar and Munjh. A detailed survey of the area was considered	1,626,000 c. ft. earth work has been done out of 80 lacs c.ft. earth work involved in the excavation of the Chogawan Drain. The excavation of the drains is in progress

Seria No.	Part (A)	Part (B)
12	Spur No. 1 near Nangal Amb, should be extended and two more spurs down stream of spur No. 2 should be constructed in order to hold the river bank from the left bank Three armoured spurs should be immediately constructed near village Sahuwal to deflect the river Ravi and to protect the Bund. The exact location, design, alignment and shape should be determined with the help of Models The demage caused to three spurs near Ballarwal should be attended to immediately One stone armoured spur should be constructed at a suitable place to protect the bank near village Raipur. The Dhussi Bund should also be constructed in a position sufficiently distant from the river edge	These protection works were executed before the monsoon season 1958, but damage was caused to some of the spurs by the floods of year 1958. The State Flood Control Board considered the policy to be adopted regarding maintenance of Flood protection embankments on the left bank of river Ravi. The Board on the recommendation of Technical Committee has approved in its 12th meeting schemes costing 7.10 lacs which are in hand with the Irrigation Department
13	One strong armoured spur at the upper end of the breached Dhussi Bund near village Bhindi Aulakh should be constructed. Three or four subsidiary spurs should be constructed for local protection also. These could be made of sheet karkar. Dhussi Bund should be constructed here in a position sufficiently distant from the river also	
14	An aerial survey of the left edge of the River Ravi and Dhussi Bund should be carried out	The modern aircraft 'Cassna' is most suitable for aerial photography. It can be supplied by M/s Air Survey Company of India Private Ltd., Calcutta, after an import licence for this aircraft is obtained by Government. The case of the entire equipment required for aerial survey costing about Rs 7,39,000 is under examination of the Government, in the Irrigation Department
15	Entire area reported by the Superintending Engineer as coming within the pond area, should be acquirred by Irrigation Branch and that a strong case should be made out for the rehabilitation in Rajasthan of the people whose lands are to be acquired. At the same time Irrigation Branch should lease these lands for Rabi and further cultivation to those who continue to reside in these villages	Area coming within the pond area was resurveyed jointly by the Irrigation and the Revenue Departments. The affected area now stands at 13,214 acres in the Districts of Kapurthala, Jullundur and Ferozepore. The cost of execution is estimated at Rs 30 lacs. The question of funds has been the stumbling block. The Chief Engineer has been asked to take the question of the funds with the Central Water and Power Commission, Government of India

	In this connection S. Amrao Singh, M.L.A. pointed out that villages of Jullundur District which are also affected by the Pond area have not been shown by Irrigation Branch in their Maps. Chief Engineer (North) should enquire into it and take necessary action.	As regards rehabilitation of the persons of the villages coming under pond area, the case has been taken up by the Irrigation Department with the Government of India for the settlement of oustees in Rajasthan
16	Construction of the following roads should be undertaken as floods relief work with the least possible delay :— (i) Sultanpur—Lohian. (ii) Sultanpur—Bharoana. (iii) Fatho Dhinga—Nadala *via* Dhilwan. (iv) Talwandi Chaudhrian—Hussainpur *via* Tibba. (v) Talwandi Chaudhrian—Saidulpur. Construction of roads from Fathu Dhinga to Nadala *via* Dhilwan and from Talwandi Chaudhrian to Saidulpur was left for decision to the Technical experts.	The proposal for the construction of roads and bridges in Kapurthala District at a cost of Rs 51 lacs has since been examined. There are no funds available to meet this cost and as such it is not possible to carry out these during the Second Five-year plan period
17	Suitable bridges over bein Naddi at Sheikhupura, Hussainpur, Kalewal and Alhuwal, should be constructed-	
18	(i) Construction of a Dhussi Bund along the Beas from Ahli Kalan in the south-west corner of the district to a point a little above the place where the Kalna Bein falls into the Beas.	(i) The bund from Tahli to Burewal has been completed. As regards the remaining portion of the bund from Burewal to Talwandi Chaudhrian, some reaches in the bund are incomplete. Action to complete these reaches is in hand with the Irrigation Department
	(ii) Closing of all creeks along the Beas. ..	(ii) Up to date information is being collected and will be communicated on receipt
	(iii) The Diversion of the Beas from Burewal towards place to its original course,	(iii) The Technical Committee considered the scheme in its 13th meeting and it was decided that in view of the present trend of the river the positive defence lies in the construction of a retired bund. The work has been partly completed and a 1,700 ft. long Ballies Bund filled with Sarkanda and sand bags has been constructed at site.

Serial No.	Part (A)	Part (B)
	(iv) The Black Bein meanders a great deal in its course through the district and this is responsible for much flooding. Some attempt should be made to eliminate loops with a view to straighten the course of this drainage channel.	(iv) The scheme for canalising the Black Bein could not be included in the Second Five-Year Plan due to the paucity of funds.
19	More waterways below the Railway track between Gidderpindi Railway Station and the Bridge should be provided. Superintending Engineer Drainage should pursue the matter with the Railway Authorities.	Up-to-date position is being ascertained and will be intimated shortly.
20	The provision of boats at Government expense for the villages Bhorana, Busewal, Alluwal, Maini Sahadur, Durgapur, Hussainpur, Tarra, Baula, Tibba and Ucha was approved.	The Boats have since been constructed.
21	The suggestions for the construction of community shelters and flood proof storage bins at suitable places was approved. The Officer on Special Duty to be appointed for this District will suggest the places, where these are to be constructed and the number required	Report of the Officer on Special Durty (Floods) Kapurthala has been received. His proposal for the construction of community shelters and storage bins is under examination.
22	Medical students should be given suitable training to render medical aid the time of emergency.	Necessary instructions have been issued by Director of Health Services.
23	Subsidised cultivation of sugar cane because of transport difficulties was approved. Only those crops capable of withstanding floods which can be harvested before the flood season, should be recommended.	As already intimated in reply to question No. 1261 no further action is necessary.
24	Survey of the vulnerable area of Kapurthala District. ..	Construction of embankment along the left bank of River Beas from the village Tahli to Talwandi Chaudhrian is nearly complete except some reaches below village Burewal . The scheme for the extension of this bund from Talwandi Chaudhrian to Ahli Khurd was approved by the Technical Committee in its 13th meeting. The Committee decided that the final height of the flood embankment should be fixed in consultation with Shri Ripudaman Singh, Chief Engineer, Floods, Central Water and Power Commission The Excavation of Sultanpur drain has been included in the

		emergent schemes to be executed during the Second Five Year Plan and the canalisation, of West Bein and East Bein has been included under heading ' Other Schemes '. The estimated cost of the schemes has been worked out at Rs 60 lacs and Rs 40 lacs respectively. The works will be taken in hand subject to the availability of the funds. The Officer on Special Duty, Floods, Kapurthala has again surveyed the entire area and his recommendations are under examination.
25	Cottage industries spinning centres, weaving centres should be started. More cattle fairs should be organised at suitable places in Kapurthala District Possibilities of poultry and dairy farming should also be investigated all with a view to provide the inhabitants of those areas with alternative means of livelihood and to ensure that they are not entirely dependant on agriculture.	The Officer on Special Duty (Floods) District Kapurthala has made recommendations regarding the starting of cottage industries, spinning centres, etc. The proposals made by him are under scrutiny.
26	Financial Commissioner should make his recommendations after discussion with S. Atma Singh for free education facilities to be provided in Kapurthala District to all villages whose lands have been regularly flooded for the last three or four years.	A sum of rupee one lac is involved in the implementation of the scheme. The matter is under the consideration of the Education Department and the Finance Department
27	The recovery of Taccavi loans to be now disbursed will not be made for two years but that it will be effected in the third year in two instalments.	Taccavi loans have been postponed in accordance with the Rules and Regulations.
28	The appointment of Officer on Special Duty Floods for Kapurthala District for a period of four months, was approved. Duties similar to those of the officers appointed for Gurdaspur and Amritsar Districts were entrusted.	The report of the Officer on Special Duty Floods, Kapurthala District has been received and is under scrutiny of Government
30	The procedure adopted by Irrigation Branch for speeding up payment of compensation due to the people whose lands have been acquired for embankments, roads, etc., should be followed by all acquiring Department (D. S. R. I. will obtain particulars from Irrigation Branch and convey them to all concerned for compliance.	A Special Officer has been appointed to examine the present system in order to find out the defects which are responsible for such inordinate delay in the payment of compensation
31	Land Revenue be remitted assessing the extent of damage on an area basis in preference to Khasrawise assessment, was approved. If the application of this method causes hardship to an individual his case may be taken up separately	The position has already been explained in reply to question No. 1261

ANNEXURE B

[*Please see foot note on page 103 of this debate, dated 2-7-59* (*Annexure*)].

DEMAND MADE BY DEPUTATION OF KISANS AT TAJEWALA, TEHSIL JAGADHRI, DISTRICT AMBALA.

1807. **Shri Ram Parkash :** Will the Minister for Irrigation and Power be pleased to state whether any deputation of Kisans met him on the 29th May, 1959, at Tajewala, Tehsil Jagadhri, District Ambala, in connection with the using of extra rain water for irrigating the paddy crops ; if so, the action taken in this connection ?

Sardar Partap Singh Kairon : (a) Yes, the deputation met the Irrigation and Power Minister as stated. The first demand made related to the grant of temporary shoots. This was examined but was not acceded to. Instead, additional supplies were continuously made available in the channels for the benefit of the cultivators concerned. Temporary shoots in Dadupur Division had never been given in the past also. The second demand related to the shifting of Gharats which has since been acceded to and there is no complaint now in the matter.

QUANTITY OF COAL SUPPLIED TO BRICK-KILN CONCERN IN AMRITSAR DISTRICT.

1809. **Shri Balram Dass Tandon :** Will the Minister for Industries and Local Government, be pleased to state —

(a) the total quantity of coal being supplied to each brick-kiln concern in Amritsar District, during each of the last five years ;

(b) the names and addresses of the proprietors of the concerns referred to in part (a) above ?

Shri Mohan Lal : The required information is given in the enclosed statement.

***4635. Shri Mangal Sain :** Will the Minister for Industries be pleased to state whether he has received any complaints against the sugar Depot holders of Sonepat for selling sugar in the black market ; if so, the action proposed to be taken by the Government on these complaints ?

Shri Mohan Lal : No.

SHORTAGES OF FOODGRAINS IN GOVERNMENT STORAGE IN AMRITSAR DISTRICT

***4652. Dr. Baldev Parkash :** Will the Minister for Industries be pleased to state—

(a) whether any surprise raids were made on any Government foodgrains depots in Amritsar District ; if so, the shortages, if any, detected in the course of these raids, the quantity thereof, in each case ;

(b) the action, if any, taken against the officials responsible for the shortage mentioned in part (a) above ?

Shri Mohan Lal : (a) Yes, on Chheharta Provincial Reserve Centre.

Shortage Detected in one P.R. Godown Mds. 15—15—4

(b) The services of Inspector Food and Supplies and Sub-Inspector, Food and Supplies incharge of the godown have been terminated.

The case has been sent to the Police for investigation.

TANK SITUATED IN ROHTAK ON ROHTAK SONEPAT ROAD

***4503. Shri Hukam Singh Comrade :** Will the Minister for Industries be pleased to state —

(a) whether there is any proposal under the consideration of the Government to fill up with earth the tank situated in the heart of the Civil Station, Rohtak, on the Rohtak-Sonepat Road ;

(b) if answer to (a) above be in the negative whether Government intend pumping out dirty water from the said tank and to fill it with fresh water regularly ?

Shri Mohan Lal : (a) No such proposal is under consideration of Government ;

(b) No.

LEVY OF WATER TAX IN SONEPAT

***4636. Shri Mangal Sain :** Will the Minister for Industries be pleased to state whether Government have received any representation from the residents of Sonepat against the levy of water tax in that area ; if so, the steps if any, being taken by the Government to redress their grievances ?

Shri Mohan Lal : No representation against the levy of water tax from the residents of Sonepat has been received recently. A representation regarding the expansion of water-supply Scheme was, however, received and it was decided that the Administrator, Sonepat Municipality should make efforts to make the Scheme of water-supply self sufficient and self contained and that total cost of the Scheme should be met from water tax in respect of the water supplied through the public stand-posts and water rate in respect of water supplied through connections. It was considered that the tax payer should not grudge this, as it will in any case be cheaper than private arrangements.

The Municipality does not charge **tax** from the areas where water is not supplied.

OCTROI DUTY IN THE STATE

***4638. Sardar Umrao Singh** :,Will the Minister for Industries be pleased to state —

(a) whether there is any proposal under the consideration of Government either to abolish the octroi duty levied by Municipal Committees in the State or to distribute it between the Urban and the rural areas ;

(b) if the answer to the latter part of (a) above be in the affirmative, whether Government are considering the proposal of appointing a Committee for the allocation of the proceeds of the said octroi as between the urban and rural areas ; if so, the details of the proposal ?

Shri Mohan Lal : (a) (i) No.

(ii) Yes.

(b) (i) A committee has been constituted to examine the desirability and feasibility of exempting wholly or partially agricultural produce brought into the limits of Municipalities from payment of octroi or to examine the desirability of excluding Market areas from the octroi limits of municipalities ;

(ii) whether a substantial portion of octroi receipts of Municipal Committees should be earmarked for the purpose of improving means of communications between the mandies and rural areas ;

(iii) the effect of proposals made at (i) and (ii) above on the finances of the Municipal Committees and to explore alternative sources of local taxation to make up the resultant loss, if any, of Municiapal revenues ;

(iv) if the proposed exemption on agricultural produce from the municipal octroi or the diversion of a portion of the municipal revenues from octroi could be introduced by specific phases, so as to cause least dislocation in the municipal revenues or in the programme of their development ; and

(v) such cognate matters as may be referred to the Committee by Government.

"PACKAGE PROGRAMME" IN THE STATE

***4400. Shri Rup Singh 'Phul'** : Will the Minister for Agriculture and Forests be pleased to state —

(a) whether any district in the State has been selected for introducing the 'Package Programme' for intensifying agriculture, if so, its name ;

(b) the details of facilities proposed to be provided by Government to the agriculturists under the said 'Programme' ?

Sardar Gian Singh Rarewala : The scheme is under consideration of Government of India in consultation with State Governments.

(a) Does not arise.

(b) Does not arise.

LAND ACQUIRED/PURCHASED FOR SEED FARMS IN AMRITSAR DISTRICT

***4482. Shri Balram Dass Tandon :** Will the Minister for Agriculture and Forests be pleased to state—

(a) the area of land acquired or purchased by Government up-to date for establishing seed farms in Amritsar District together with the names and addresses of the persons from whom the same was acquired/purchased ;

(b) whether any enquiry was held by the Deputy Commissioner in connection with the purchase/acquisition of land referred to above ; if so, the report of the enquiry and the action, if any, taken thereon ?

Sardar Gian Singh Rarewala : (a) A statement is laid on the Table.

(b) Yes. In respect of serial No. 8 of the statement an enquiry of a general nature was held by Deputy Commissioner, Amritsar. As suitability of land has to be assessed technically, further enquiries are being made through the officers of Agriculture Department.

Part (a)

IMPROVED SEEDS FROM GOVERNMENT AGRICULTURAL FARMS

***4595. Maulvi Abdul Ghani Dar :** Will the Minister for Agri-cluture and Forests be pleased to state the quantity of improved seeds produced from each Government Agricultural farm during the year 1959-60 to-date ?

Sardar Gian Singh Rarewala : The thrashing of the Kharif Crops, 1959, is yet to be completed on a large number of farms. It is, therefore, regretted that the requisite information can be furnished only after the end of the Agricultural year 1959-60 when the thrashing of the Kharif crops is completed.

CAMPAIGNS FOR DESTROYING RATS TO SAVE CROPS

***4660. Sardar Jangir Singh Comrade :** Will the Minister for Agri-culture and Forest be pleased to state—

(a) whether any campaign for destroying rats was started in the State for protecting Crops, if so, the names of the districts in which this campaign was started and the extent to which the crops were saved as a result thereof ;

(b) whether the cultivators in general were also persuaded to take part in the said campaign ; if so, with what result ?

Sardar Gian Singh Rarewala : (a) Yes ; the campaign was started thoroughout the State in the year 1949-50 and has now become an annual feature. It is estimated that on an average one maund of grain is saved per acre under food grains as a result of this Campaign.

(b) Yes ; the result has been that the cultivators have started taking part in these Campaigns by contributing the baiting material in the form of flour, gram, dal, and gur and distributing the bait in the fields.

DAMAGE TO CROPS BY 'BHAGGU KUTTAR'

***4661. Sardar Jangir Singh Comrade :** Will the Minister for Agri-culture and Forests be pleased to state—

(a) whether Government have received any reports regarding the damage caused to crops by 'Bhaggu Kuttar'; if so, the names of districts from which such reports were received ;

(b) the extent of damage caused to the crops in various districts together with the steps taken by the Agriculture Department to check further damage ?

Sardar Gian Singh Rarewala : (a) Yes ; reports regarding damage caused by Bihar Hairy Caterpillar (bhabu Kutta) were received during October-November, 1959, from the districts of Amritsar, Gurdaspur and Karnal.

(b) It is difficult to assess the extent of damage involved, as it varied according to the Crop attacked, severity of the infestation, and initial population of the pest in a field. The pest was serious on various *Brassica* oilseeds and vegetables and berseem.

The Agriculture department issued 16 tons of 10 per cent BHC dust and 66 gallons of 40 per cent aldrin emulsion worth over Rs. 9,000 free of cost to the cultivators in the three districts. A futrther allocation of pesticides worth Rs. 30,000 has been recently made by the Government for free distribution to cultivators for the control of this pest. In addition, the Deputy Commissioners of the districts diverted some District Relief and Market Committees' funds for sale of pesticides to the cultivators on subsidized rates. Regular campaigns were organised with the help of the various beneficient departments. The pest started to become inactive in most areas in the end of November.

REORGANISATION OF INSPECTORATE STAFF OF EDUCATION DEPARTMENT

*4403. **Pandit Ram Kishan Bharolian, :** Will the Minister for Education and Labour be pleased to state—

(a) whether the Inspectorate staff in the Education Department has been reorganised ; if so, since when ;

(b) the number of posts added to the Inspectorate staff as a result of the said reorganisation ;

(c) whether any posts of clerks or Head Clerks in the Divisional Cadre of the Department have been retrenched as part of the said reorganisation ; if so, their details ?

Shri Amar Nath Vidyalankar : (a) Yes ; with effect from 12th August, 1959.

(b) Number of posts in P.E.S., Class I	.. 2 one on men side and other on women side
Number of posts in P.E.S. Class II	.. 17

SCALES OF PAY OF DISTRICT INSPECTORS AND DISTRICT INSPECTRESSES OF SCHOOLS

*4670. **Shrimati Krishna Sethi :** Will the Minister for Education and Labour be pleased to state whether there exists any disparity between the pay scales of District Inspectors and District Inspectresses of Schools in the State Education Department ; if so, the reasons therefor ?

Shri Amar Nath Vidyalankar : Yes, the disparity is due to the following two reasons—

(1) The number of schools for girls was very small as compared with the number of boys schools. The work load of the District Inspectresses did not justify the creation of their posts in P.E.S. Class II.

(2) The District Inspectors of Schools were delegated more administrative powers than the District Inspectresses of Schools as it was considered that the former could discharge them more efficiently than the latter.

STRIKE BY THE WORKERS OF THE AMBALA ELECTRIC SUPPLY CORPORATION DURING NOVEMBER, 1959

*4588. **Shri Phul Singh Kataria :** Will the Minister for Education and Labour be pleased to state whether it is a fact that workers of the Ambala Cantonment Electric Supply Corporation went on strike during the month of November, this year; if so, the date when the strike started together with the reasons therefor ?

Shri Amar Nath Vidyalankar : Part I. No.

Part II.—Does not arise.

DISPUTE IN ATLAS CYCLE INDUSTRIES, SONEPAT

(b) and (c) Does not arise at this stage.

WATER-LOGGING MENACE IN STATE

*4469. **Dr. Bhag Singh** : Will the Chief Minister be pleased to state—

(a) the total number of Tube-wells proposed to be installed in each district to meet the menace of water-logging in the State ;

(b) whether Sem Drainages are also proposed to be constructed in the water-logged areas?

Sardar Partap Singh Kairon : (a) The schemes for installation of Anti-water-logging Tube-wells are yet under investigations. District-wise figures are not available. Roughly it is estimated that about 10,000 shallow tube-wells would be needed to be installed in the whole State.

(b) Yes.

DAMAGE TO THE HOIST CHAMBER AT BHAKRA DAM

*4473. **Shri Rup Singh Phul** : Will the Chief Minister be pleased to state—

(a) the reasons responsible for the damage which occurred to the Hoist Chamber in the Right Tunnel of the Bhakra Dam on 21st August, 1959 ;

(b) the estimated extent of the damage referred to in part (a) above; and the estimated expenditure likely to be incurred on the repairs of the said damage;

(c) the time by which the said damage is expected to be repaired ;

(d) the period for which delay in the completion of the Bhakra Dam Project has been caused as a result of the said damage ;

(e) whether any enquiry into the causes of the said damage has been instituted; if so, its results?

Sardar Partap Singh Kairon : (a) The Union Minister for Irrigation and Power has already announced in the Parliament about the appointment of an enquiry Committee to find out the causes of failure of the Hoist Chamber. The report of this Committee may be awaited.

(b) It is difficult to estimate, at this stage, the exact cost of damage to the tunnel, power-house and inspection galleries, etc. However, it is estimated that the total loss including the expenditure on repairs would be Rs 1,55,00,000. Out of this the cost of repairs to the Power Plant machinery would be Rs 30 lacs against Rs 50 lacs, as estimated previously. Out of the balance, Rs 5 lacs is estimated as damage to the machinery in Dam and Hoist Chamber and Rs 1,20,000 as cost of the repairs to the Hoist Chamber, Power Plant, Gates, etc.

(c) The work of repair to damage is already being tackled on a war-footing. The work, however, is of an unprecedented nature and it is, therefore, difficult to say at this stage as to how soon the damage can be repaired.

(d) According to the approved construction schedule in force prior to the Hoist Chamber accident, the date of completion of the Dam is May, 1961. The recent mishap has, however, somewhat changed the position and the date of completion of the Dam would now depend on the success of the repairs in hand. However, it is expected that there may not be material delay in achieving the full benefits of the Project on irrigation side from the Monsoon flow in 1961.

(e) Yes. As (a) above.

CONTROLLING AND TRAINING OF CHOES IN HOSHIARPUR DISTRICT

*4547. **Shri Rala Ram** : Will the Chief Minister be pleased to state—

MEMORANDUM REGARDING SALE OF RICE AT CHEAP-GRAIN DEPOTS IN KANGRA DISTRICT

***4509. Shrimati Sarla Devi Sharma** : Will the Minister for Industries be pleased to state whether Government received a memorandum from the District Food Advisory Committee, Kangra regarding the sale of rice at fixed rate at cheap-grain depots in Kangra District ; if so, the details thereof and the action, if any, taken thereon ?

Shri Mohan Lal : A copy of the proceedings of the meeting of the District Food Advisory Committee, Kangra, held on 9th November, 1959, regarding demand for distribution of rice through fair price shops has been received by Government, and relevant extract thereof is laid on the Table of the House. It has been decided to allocate 200 tons of dara rice for distribution through fair price shops in Kangra District and necessary arrangements are being made. Further supplies of rice will be arranged according to actual requirements.

Extract from the proceedings of the meeting of the Food Advisory Committee Kangra District, held on the 9th November, 1959, in the District Board Hall, Dharamsala, under the Chairmanship of Shri I. C. Puri, I.A.S., Deputy Commissioner, Kangra District.

3. It was strongly felt that Kangra District (excluding Kulu Sub-Division) should be declared to be a rice eating area.

4. It was unanimously resolved as follows :—

'Kangra is a poor and backward area and the paddy crop this year has suffered incalculable damage in the major part of the valley on account of heavy rains. As a result of this calamity, the cultivators and the poor population cannot depend on the ndigenous produce for their sustenance. Their financial resources are extremely limited and they would be on the brink of starvation if substantial relief was not given to them immediately at Government level. It was, therefore, unanimously resolved that the Government be approached to arrange distribution of rice through fair price shops and more stocks should be allocated in rain affected area. In order to relieve the poor people of the distress, the possibility of distributing rice through depots at subsidized rates should also be favourably examined.

DAMAGE BY INSECT IN GURGAON DISTRICT

***4598. Maulvi Abdul Ghani Dar** : Will the Minister for Agriculture and Forests be pleased to state—

(a) whether any insect has recently appeared in Gurgaon District which has made the sowing of Rabi Crop impossible ;

(b) if the answer to part (a) above be in the affirmative whether Government have made any efforts to eliminate the said insect ; if so, what ;

(c) whether the said insect is destroying the seed in any other district of the State also ?

Sardar Gian Singh Rarewala : (a) Yes. Reports regarding the appearance of 'ghujhia' (Tanymecus weevil), which was found damaging germinating plants of various rabi crops were received from the Gurgaon District in the beginning of November, 1959.

(b) On receipt of the reports regarding the damage mentioned at (a) by the weevil, the field staff of the Agriculture and Community Development Departments were alerted and instructions regarding the control measures against this pest were immediately conveyed. Sufficient quantity of pesticides was made available with the Plant Protection Inspector, Gurgaon, for sale to the cultivators. Various rate contract firms dealing in insecticides were approached to keep sufficient stocks of pesticides available with their local agents in the affected areas. Ten tons of 100 per cent B.H. C. dust and 85 lbs of 25 per cent aldrin dust were placed at the disposal of the District Agricultural Officer, Gurgaon, for free distribution to the cultivators in the affected areas for the control of this weevil. A further allocation of B. H. C., worth Rs 10,000, has been made for the Gurgaon District for free distribution.

(c) Yes, this insect was also reported doing damage to rabi crops in Rohtak, Ambala, Amritsar and Karnal Districts.

Dr. Gopi Chand Bhargava : (a) Yes Sir. The State Development Board was reconstituted on the 28th August, 1958.

(b) Chairman .. Financial Commissioner, Development.

Vice-Chairman .. (i) Secretary to Government, Punjab, Development Department (C.P.)

(ii) Secretary to Government, Punjab, Planning Department

Members .. All Administrative Secretaries to Government, Punjab, concerned with the Five-Year Plan including Finance Secretary.

The Board has held 9 meetings uptil 30th September, 1959.

(c) Details of the important decisions taken by the State Development Board in their meetings are placed on the Table of the House.

Brief details of the important decisions taken by the State Development Board uptil 30th September, 1959

I. MONTHLY AND BILATERAL REVIEWS

It was laid down that each Administrative Secretary should conduct a monthly review of the progress of the Second Plan Schemes with the Head of the Department concerned and the representative of the Finance/P.W.D., B. and R. department, if necessary, with a view to locate and remove bottlenecks and to find ready solutions of problems delaying implementation.

It was also decided that the Administrative Secretaries monthly review should be ollowed by a bilateral review of the progress of implementation between the Plannin g Commissioner on the one hand and the Administrative Secretary concerned and his head of Department on the other, so that problems and difficulties brought out in the Administrative Secretaries review are further thrashed out and co-ordination between the various interested departments ensured—the Board being mainly an important forum of co-ordination.

The above decision has been fully implemented.

II. PROVISION IN THE THIRD FIVE YEAR PLAN FOR REQUIREMENTS OF THE PUNJAB STATE IN RESPECT OF IMPORTANT SUBJECTS DEALT WITH BY THE CENTRAL GOVERNMENT

The Board decided that all Administrative Secretaries should examine their requirements in the Punjab State in respect of important subjects dealt with by the Central Government e.g., Railway lines, Railway Stations, Overhead Bridges, National Highways, Telephones, Telegraph Offices, Post Offices, Radio Stations, Utilisation of Heavy Water and Oxygen likely to be a vailable as by product from Nangal Fertilizers Factory and utilisation of Natural Gas etc. etc. and to address the Central Ministries concerned with these matters so that the requirements of the State are duly accommodated in the Third Five Year Plan of the Central Ministries.

The decision is being implemented.

III. MISCELLANEOUS DECISIONS

In addition to the above, the following decisions which are comparatively of minor importance were taken by the Board in its various meetings :—

(*i*) *Soil Conservation—Agricultural Lands.*—It was decided that the Director of Agriculture should pursue the scheme reported to be already referred to the Centre in respect of Soil Conservation and utilization of Agricultural Lands by Bunding Operations etc. in the same manner as is being done by the Forest Department in respect of Forest Lands. It was desired that there should be a link-up between the two categories of Schemes through the Soil Conservation Board of which the Director of Agriculture was also a member.

The decision is being implemented.

(*ii*) *Fertilizers.*—The Board decided that the new Fertilizer i.e., calcium, amonium nitrate, which is going to be produced at Nangal would be suitable for utilisation in the Punjab State, but this should not result in the other type of fertilisers being imported, at the moment, having to be surrendered. The Government of India was to be moved accordingly.

The decision has been implemented.

[Minister for Finance]

(*iii*) *General instructions issued by the Planning Department in connection with the Preparation of the Third Fve Year Plan.*—The draft of general instructions for the preparation of III Five Year Plan was considered in the Board's meeting of 3rd July, 1959 and approved. It was decided to issue these instructions without waiting any further for the communication from the Planning Commission in this connection.

Implemented.

(*iv*) *Conferment of Powers to suspend Panches on Deputy Commissioners.*—It was decided that the Deputy Commissioner should have powers to suspend panches on the same lines as the Director of Panchayays has.

The decision has been conveyed to departments concerned, by whom further action is being taken.

(*v*) *Staff for new Schemes.*—The Board decided that assessment of the Cadre Committee in respect of the normal staff of a department should not be confounded with the requirements of the staff for new schemes to be implemented under the Plan. The attitude, thus should be to accept without delay proposals for the full strength of staff required for new schemes in cases where the Cadre Committee has not covered the re-requirements of the staff for Plan Schemes and the recommendations of the Cadre Committee for reduction etc. in the normal staff should be pursued separately up to the Cabinet level, if necessary.

Implemented.

ALLEGED EMBEZZLEMENT IN DEVELOPMENT BLOCK, BARNALA

*4405. **Pandit Ram Kishan Bharolian :** Will the Minister for Community Development be pleased to state whether any representation has been received by the Government from the President, Kisan Sabha, Barnala, regarding alleged embezzlement in the Development Block, Barnala ; if so, when and the action taken thereon ?

Sardar Gurbanta Singh : Yes. A complaint from the President, Kisan Sabha, Barnala in regard to the alleged embezzlement in Development Block, Barnala was received by Government in May, 1959. The allegations are being looked into and suitable action will be taken against the officers/officials, if found at fault.

REVISION OF CO-OPERATIVE LAWS AND RULES ETC.

***4364. Shri Ram Chandra Comrade:** Will the Minister for Panchayat and Co-opertive be pleased to state whether State Government has been advised by the Government of India to revise the co-operative laws, rules, procedure, etc., if so, the action taken by Government in this connection?

Sardar Gurbanta Singh: Yes. Government has appointed a Committee to examine Co-operative law, rules and procedure, etc.

CO-OPERTAIVE SUGAR MILLS IN THE STATE

***4468. Dr. Bhag Singh** : Will the Minister for Community Development be pleased to state—

(a) the total number of Co-operative Sugar Mills in the State at present together with the location of each;

(b) whether it is a fact that except the Panipat Sugar Mills all the other Sugar Mills are running at a loss; if so, the reasons therefor?

Sardar Gurbanta Singh:

(a) the total number of Co-operative Sugar Mills in the State at present together with the location of each.	There are three Co-operative Sugar Mills at present working in the State. The location of these Mills is as under: 1. The Panipat Co-operative Sugar Mills Ltd., Panipat 2. The Haryana Co-operative Sugar Mills Ltd., Rohtak 3. The Janta Co-operative Sugar Mills Ltd., Bhogpur (district Jullundur).
(b) whether it is a fact that except the Panipat Sugar Mills all the other Sugar Mills are running at a loss if so, the reasons therefor?	It is true that the Haryana Co-operative Sugar Mills has been running at a loss. However, the Janta Co-operative Sugar Mills Bhogpur reaped a profit of Rs 3.45 lacs in 1957-58, but underwent a loss of Rs 4.82 lacs during the season 1958-59. These losses in the Co-operative Sugar Mills have been due to the reasons that these factories have to work under the following peculiar disadvantages:— (1) Payment of large amounts as interest on the huge investment of borrowed capital and provision of substantial amounts in the depreciation fund. (2) Poor quality of cane due to diseases pest attacks and climatic conditions. The sugarcane in general has low sucrose contents and the undeveloped areas lack early and late varieties. (3) Inadequate supplies of cane due to high gur prices and conservatism of growers (4) The machinery at Rohtak and Bhogpur Mills was received both deficient in quality and quantity (suit against the suppliers is pending Arbitration).

(b) whether there are any funds available with the Government for advancing the said loans to persons whose applications are pending;

(c) If the answer to (b) above be in the negative, whether the Government intend to provide more funds to advance loans to those whose applications are still pending?

Chaudhri Suraj Mal : (a) (i) applications pending .. 2,603
(ii) appliacations sanctioned .. 1,468

(b) No funds are available at present for granting fresh loans.

(c) Additional funds from the Government of India are likely to be received and as soon as the same are received the share of Kangra District will be placed at the disposal of the district authorities for disbursement to deserving individuals and house-building co-operative societies in accordance with the terms and conditions of the Low-Income Group Housnig Scheme.

COLLECTION OF FUNDS UNDER THE SMALL SAVINGS SCHEME IN SANGRUR DISTRICT.

***4681. Sardar Jangir Singh Comrade** : Will the Chief Minister be pleased to state—

(a) whether it is a fact that some commission is paid to the Patwaris for collecting money for the Small Savings Scheme in the State, if so, the percentage thereof;

(b) whether any target was fixed for the collection of funds undeɹ the said Scheme in Sangrur District; if so, what and the amount so far collected?

Sardar Partap Singh Kairon: (a) Patwaries, like other agents under various agency systems, are paid the usual commission at the rate of $1\frac{1}{4}$ per cent for investment under 12 years National Plan Savings Certificates, and $\frac{1}{4}$ percent in case of 10 years Treasury Deposit Certificates, purchased through them.

(b) A target of Rs. 35 lakhs (Net) has been fixed for district Sangrur for achievement under the Small Savings Scheme, during the year 1959-60, and sum of Rs. 3.23 lakhs (Net) has been achieved upto 30th November, 1959.

*4366. **Shri Ram Chandra, Comrade :** Will the Chief Minister be pleased to state the details of irrigation projects at preasent under the consideration of Government as well as those in hand in Tehsil Nurpur, District Kangra and the progress made thereon so far ?

Sardar Partap Singh Kairon : There are three schemes of irrigation for Nurpur Tehsil District Kangra as mentioned below :—

(1) Sidharthahar Canal.

(2) Raja-ka-Talab.

(3) Malikwal Kuhl.

Sidharthahar Canal

This canal takes off from Dehar Khad at a distance of 3½ miles from Kotla Town situated in the main Pathankot-Kulu Road. The Total length of the canal including distributaries and minor is 20 miles. The discharge of the canal is 92 causecs and it will provide irrigation facilities to about 6158 acres of area in Nurpur Tehsil.

The canal has since been completed but it could not be run due to the damages caused by heavy rains. The present damages will be repaired shortly.

Raja-ka-Talab

The Project Estimate of this scheme has been sanctioned. It will provide irrigation facilities to about 1220 acres of area in Nurpur Tehsil. Preliminary investigations for execution of the Project have been taken in hand.

Malikwal Kuhl

OUSTEES OF GOBIND SAGAR ALLOTTED LAND IN HISSAR DISTRICT

***4511. Shrimati Sarla Devi Sharma :** Will the Chief Minister be pleased to state—

(a) Whether it is a fact that Mauza Gilla Khera of Tehsil Fatehabad in Hissar District was acquired for rehabilitating the oustees from the areas covered by the Gobind Sagar;

(b) whether it is also a fact that the said oustees who were allotted lands in the said Mauza have got their allotments cancelled; if so, the reasons therefor and the steps Government propose to take to stop such cancellations;

(c) whether Government have received any complaints from the said allottees about the inadequate supply of water to them for irrigation purposes, if so, the action, if any, taken thereon ?

Sardar Partap Singh Kairon : (a) Yes. 316.43 acres of land has been acquired in this village.

(b) No allotment has so far been cancelled. Allotment made to all the 105 oustees in this village stands.

(c) No specific difficulty of inadequate water supply has so far been complained against by the allottees.

BETTERMENT FEE IN VILLAGE KOOHLI KALAN ETC., OF LUDHIANA DISTRICT

***4677. Sardar Ramdayal Singh :** Will the Chief Minister be pleased to state whether it is a fact that villages Koohli Kalan, Koohli Khurd, Kartarpur, Ber Khurd and Babarpur of Ludhiana District are not supplied any canal water; if so, the reasons , if any, why betterment fee is being charged therefrom ?

Sardar Partap Singh Kairon : Presumably the question refers to the levy of advance payment of betterment charges regarding which the reply is as under :—

There has been no irrigation by canal water in villages Koohli Kalan, Kartarpur and Babarpur of Ludhiana District and hence no advance payment of betterment charges has been levied.

Villages Koohli Khurd and Ber Khurd received irrigation by canal water and advance payment of betterment charges has been levied on matured areas.

DRAINAGE IN VILLAGES ISRANA ETC. IN TEHSIL PANIPAT, DISTRICT KARNAL

***4716. Chaudhri Dharam Singh Rathi :** Will the Chief Minister be pleased to state whether it is a fact that the villages Israna, Pardhana, Bijawa, Shahpur, Kayath, Bandh, Mandi, Puther, Chamrara of Tehsil Panipat, District Karnal got flooded due to lack of proper drainage in the last rainy season; if so, the arrangements made or proposed to be made by Government for draining out the flood water in future ?

Sardar Partap Singh Kairon : There was no serious flooding in the villages Israna, Pardhana, Bijawa, Shahpur, Kayath, Bandh, Mandi, Puther, Chamrara of tehsil Panipat, district Karnal. These villages are served by link drain Nos. 3 and 4 which outfall into drain No. 8 near Gohana. Drain No. 8 carries these flood waters into a depression near Jhajjar and has no outfall into a natural Nallah or river. So the flood water brought in by drain Nos. 3 and 4 is not being disposed of quickly with the result that some flooding in the catchment areas of link drain No. 3 and 4 takes place. Field investigations regarding providing a proper outfall to drain No. 8 into river Yamuna are being carried out. The work is proposed to be taken up in the Third Plan period as the funds available during Second Plan period are limited.

*4602. **Maulvi Abdul Ghani Dar** : Will the Chief Minister be pleased to state the total number of cases regarding the smuggling of gold and opium registered in the State during the year 1959-60 to date together with the number of those cases in which punishments were awarded?

Sardar Partap Singh Kairon : Total number of smuggling of gold cases registered in the State during the year 1959-60 is 3. These cases are under investigation.

Total number of smuggling of opium cases registered in the State during the year 1959-60 is 103. Punishments have been awarded in 6 cases.

FALSHAW'S REPORT ON AMRITSAR INCIDENT

*4708. **Shri Balram Dass Tandon**: Will the Chief Minister be pleased to state—

(a) the main findings of the enquiry report made by Mr. Justice Falshaw in connection with the incidents which took place in Amritsar 4/5 years ago in a political procession when a person died ;

(b) whether anyone connected with the death mentioned in part (a) above has been proceeded against; if so, with what result?

Sardar Partap Singh Kairon : (a) The main findings of enquiry report of Mr. Justice Falshaw are given in the note laid on the Table.

(b) A case F.I.R. No. 91, dated 29th November, 1955, under section 302, I.P.C., P.S. 'C' Division, Amritsar, was registered in connection with the death of one Partap Singh. The investigation, Magisterial Enquiry and Enquiry held by Mr. Justice Falshaw could not establish that his death had been caused as a result of brick-batting of procession on the 28th November, 1955. The case, therefore, was sent up untraced.

MAIN FINDINGS OF THE ENQUIRY REPORT BY MR. JUSTICE FALSHAW

(1) Some clash between the Akali and Maha Punjab supporters in Nimak Mandi on the occasion of procession of 28th November was inevitable in view of the background of the history of political struggle of the previous year and the openly announced intention of the Maha Punjab supporters that they would not tolerate the shouthing of political slogans in Nimak Mandi in the course of a religious procession."

(2) "The elaborate arrangements made by the local authorities were very good and proved effective in confining this inevitable clash to a minimum, when it came".

(3) "The cause of death of Partap Singh cannot be conclusively determined but it appears to me to be more probable that it was not connected with the procession."

(4) The difficult situation which arose on the 29th of November on account of the death of Partap Singh was on the whole well-handled by Deputy Commissioner and other Magistrates and the police, and there would probably have been no trouble at all in connection with the funeral procession if Master Tara Singh had not insisted on its passing through Nimak Mandi. In spite of this, however, it would probably have resulted in much more disorder and perhaps individual clashes in other parts of the city if any attempt had been made either to disperse the crowds who had gathered to participate in the funeral procession or to force them to pass through the route originally designated."

(5) "With the one minor defect that Police might have been posted on the roofs other than in Nimak Mandi the arrangements made for maintaining orders were very good and proved effective in quelling this disorder after a minimum damage had been done in terms of personal injury and damage to property."

REPRESENTATION REGARDING FUNCTIONING OF TUBE-WELLS IN MACHIWARA AREA IN DISTRICT LUDHIANA

*4552 **Dr. Bhag Singh** : Will the Chief Minister be pleased to state—

(a) whether Government have sunk any tube-wells in the Machiwara area of Ludhiana District;

(b) if the answer to part (a) above be in the affirmative, whether he is aware of the fact that the said tube- wells are not irrigating the lands of the peasants;

(c) whether Government have received any representations from the residents of the area mentioned in part (a) above through the Secretary. Zamindara Committee, Village Ratipur, Post Office Machiwara, district Ludhiana, about the defective installation of the said tube-wells; if so, the action, if any, taken thereon?

Sardar Partap Singh Kairon : (a) Yes.

(b) Yes. The tube-wells are situated in sandy area and the Zamindars are slow in changing from barani crop pattern to intensive irrigation from tube-wells. However, they have started irrigation from tube-wells and it is gradually developing.

(c) Yes. The representation has been examined and there is nothing wrong with the installation of tube-wells.

DRAINS IN KARNAL TEHSIL

*4539. **Shri Ram Piara** : Will the Chief Minister be pleased to state—

(a) whether Government or the District Authorities of Karnal have recently received any representations from the villagers of Karnal Tehsil about the unsatisfactory working of drains due to the lean capacity of the drains and the syphons; if so, the details thereof and the action taken thereon ;

(b) whether Government have received any schemes from the Department in relation to the Indri Drain and the G.H.K. drains of Karnal Tehsil; if so, the details thereof and the action taken thereon?

Sardar Partap Singh Kairon (a) Yes. The Zamindars of various areas have demanded that the capacity of the following drains may be increased.

(1) Indri Drain with its tributaries.
(2) G.H.K. Drainage System.
(3) Phurlak Drain.
(4) Barota Drain.
(5) Barota Syphon under Main Branch.
(6) Indri Syphon under Main Branch.
(7) Drain No. 2

Schemes for enlarging capacity of the above Drains are *still* under preparation. However, it has been decided to run the drains with a capacity of 2 cs; per square mile, of the catchment area for the time being due to shortage of funds and enhance the section to 4 Cs. basis according to the availability of funds.

(b) No.

DABKOLI BUND SCHEME IN KARNAL TEHSIL

*4718. **Chaudhri Dharam Singh Rathi**: Will the Chief Minister be pleased to state the progress so far made in connection with the proposed Dabkoli Bund Scheme in Karnal Tehsil together with the time by which the said scheme is likely to be completed?

Sardar Partap Singh Kairon: Field investigations regarding protection work to be constructed for village Dabkoli in Karnal Tehsil have already been completed. The scheme has been referred to the Yamuna Committee a no work in connection with Yammuna River can be undertaken without their approval. It cannot be said with certainty as to when the work on the scheme would be completed because it yet requires approval of Technical Committee, State Flood Control and the Government after it is first approved by the Yamuna Committee.

CASES OF THEFT OR SMUGGLING OF WHEAT FROM GODOWNS

***4458. Pandit Rm Kishan Bharolian :** Will the Minister for Industries be pleased to state—

(a) whether any cases of theft or smuggling of wheat from State Godowns have been reported to the authorities concerned ; if so, the names of places where and the number of Godowns in which such thefts, etc., took place ;

(b) the circumstances under which the said cases occurred and the details of the officials responsible for the same ;

(c) the action, if any, taken against those responsible for occurrence of the said cases and the steps taken to prevent the recurrence of such cases in future ?

Pandit Mohan Lal: (a), (b) and (c) The requisite information is placed on the Table of the House :—

Cases of theft or smuggling of Wheat from Godowns

(a) Yes. Four cases of theft have been reported from the following centres :—

Serial No.	P.R. Centre	Place of occurrence	Date of theft
1	Dhuri ..	Railway Platform	6th July, 1959
2	Sunam ..	P.R. Godown	28th May, 1959
3	Malout ..	Government Storage Bins	5th July, 1959
4	Talwandi ..	Railway Station	1st July, 1959

A report has also been received that wheat has been pilferred from the godowns at Chheharta P.R. Centre, by the Inspectorate Staff. The case is under enquiry.

(b) In case of No. 1, sixteen seers of wheat was stolen from a bag. The thief was caught red-handed and handed over to Police. Stolen wheat was recovered. In the second case, four bags were stolen by opening the lock of the godown. Case has been registered with the Police. In the third case locks of two bins Nos. 3 and 13 were broken open. Total quantity of maunds 11-29-8 was stolen. The culprits have been handed over to the Police. In the fourth case, seven bags of wheat were removed by a gang of thieves from the Railway Station. They were chased. Wheat was thrown back by them but they managed to escape.

No official has been found responsible in the above four cases. In case No. 3, however, godown chowkidar is involved. He and his accomplice were caught red-handed when they were removing maunds 0-30-0 of wheat from the bin. On scrutiny the lock of the bins Nos. 3 and 13 were found broken. Total shortage of maunds 11-29-8 has been noticed in these two bins.

At Chheharta P.R. Centre, Inspector/Sub-Inspector, incharge of the godowns removed wheat from the bags in the upper layer. Preliminary enquiry, revealed that wheat had been removed from the bags on the top layer of stacks excluding the bags on the outskirts with Bamboos or by opening seems of the bags which were restitched. Sarvshri Jagbir Singh Randhawa, the Inspector, Food and Supplies and, Gurdial Singh Hundal, the Sub-Inspector incharge of the P.R. Centre, Chheharta have been found responsible for this pilferage.

(c) In the first case the thief was awarded six months rigorous, imprisonment by the Court. There was no loss to Government. Second case is still under investigation with the Police. In the third case the culprits are in the custody of the Police, and the case is going on against them in the Court. Fourth case is still under investigation with the Police.

In case of Chheharta, services of the Inspector/Sub-Inspectors have been terminated and their securities held up. The case has also been given to the Police for investigation.

In the cases listed at Serial Nos. 1, 2 and 4, under (a) above, there has been no laxity in the supervision by the P.R. staff and as such no steps are proposed to be taken. As regards the Chheharta case, such cases come to the notice at the time of periodical physical verification of the stocks and culprits can be brought to book. Instructions have also been issued that Supervisory staff in the District, while inspecting godowns should make sure after inspecting the condition of the bags in all the stocks including inner stack that no pilferage has taken place. Supervisory staff has also been instructed to weigh bags selected at random at the time of the inspection of godowns and record the average weight on the godown documents.

***4703. Sardar Bhupinder Singh Mann :** Will the Minister for Industries be pleased to state—

(a) the target, if any, fixed for ware houses to be built in the State, under the Second Five-Year Plan period ;

(b) the number of ware-houses completed so far, and the cost thereof ?

Sardar Gurbanta Singh : (a) Twenty-six.

(b) One.

STORAGE OF FOODGRAINS PURCHASED ON GOVERNMENT ACCOUNT

***4704. Sardar Bhupinder Singh Mann :** Will the Minister for Industries be pleased to state—

(a) the places where and the manner in which foodgrains purchased on Government account are being stored ;

(b) the steps being taken to ensure that the foodgrains referred to in part (a) above are not spoiled in transit or storage ?

Pandit Mohan Lal : (a) A list showing names of the places where the foodgrains purchased on Government account are stored is placed on the Table of the House. The stocks are stored in Government Godowns and private godowns taken on hire. Storage is done either in bulk or in bags.

(b) Movement of foodgrains from one place to another, in case of transport by rail, is made in covered wagons at railway risk, in case of transport by road, in trucks properly covered. Precautions are also taken to clear the wagons/trucks before loading to eliminate chances of damage of foodgrains during transit. Staff at the despatching and destination stations arrange proper loading and unloading.

Before storage of foodgrains godowns are properly cleaned, disinfected and made rat-proof. Foodgrains stocks while in storage are treated with chemicals when necessary to keep them free from infestation.

ABOLITION OF OCTROI IN THE STATE

*4582. **Shri Rup Singh Phul :** Will the Minister for Industries be pleased to state whether Government intend to abolish the levy of Octroi duty in the State ; if so, when and the steps so far taken in this respect ?

Shri Mohan Lal : No such proposal is under consideration of Government.

CHAIRMAN, TOWN IMPROVEMENT TRUST, BHIWANI

*4712. **Shri Ram Kumar Bidhat :** Will the Minister for Industries be pleased to state—

(a) whether it is a fact that the Sub-Divisional Magistrate of Bhiwani, who was appointed as Chairman of the Town Improvement Trust of Bhiwani, has been replaced by some other person ; if so, the reasons therefor ;

(b) the academic qualifications and experience of the newly appointed Chairman of the said Trust, with his total emoluments per month (including salary and other allowance) ;

(c) whether the person mentioned in part (b) above is also acting as a Chairman of any other similar Trust in the State ?

Pandit Mohan Lal : (a) Yes. The Sub-Divisional Officer, Bhiwani, was found to be too busy with his other duties to devote adequate attention to the work of the Improvement Trust, in addition.

(b) He is an M.A. and is conversant with the various aspects and phases of Town Planning. No decision regarding salary and allowances has so far been arrived at.

(c) He is also the Chairman of the Rohtak Improvement Trust.

TAKING OVER OF FORESTS COMPRISED IN JAGIRS OF KANGRA

*4515. **Shrimati Sarla Devi Sharma :** Will the Minister for Agriculture and Forests be pleased to state—

(a) whether Government have recently taken over the control of forests comprised in the Jagirs of Kangra ; if so, the names of such Jagirs ;

(b) whether the control of the forest in the Kutlehar Jagir has also been taken over ; if not, the reasons therefor ?

Sardar Gian Singh Rarewala : (a) Yes. Government have during the year 1958, resumed the control of Government Forests in Nadaun and Guler Jagirs in Kangra District.

(b) No. The control of Forests in Kutlehar Jagir has not been taken over, as no case of mismanagement has come to the notice of Government, warranting taking over management of these forests.

LAND PURCHASED FOR SUGAR CANE SUB-STATION IN VILLAGE KHERI NEAR SANGRUR

***4562. Shri Ram Piara :** Will the Minister for Agriculture and Forests be pleased to state—

(a) whether it is a fact that some area of land has been purchased by Government in village Kheri near Sangrur, for setting up a Sugar cane sub-Station ; if so, the area of the land, the rate at which it has been purchased and the names of the land owners from whom it was purchased ;

(b) whether before effecting the purchase of land mentioned in part (a) above it was ascertained on the basis of expert opinion of chemists etc. that the soil was suitable for the purpose of setting up a Sugar-cane sub-sation; if so, the gist of the said opinions ?

Sardar Gian Singh Rarewala :
a and b: A statement is laid on the Table of the House.

Statement showing information to parts (a) and (b) of the Assembly question No. 4562 (Starred)

(a) Yes. The details regarding area of land etc. are as under :—

TOTAL AREA OF THE LAND

Sr. No.	Name of the landowner	Dakar Chahi Bigha	Biswas	Rate	Other types Bhigha	Biswas	Rate
	VILLAGE KHERI						
1	S. Gajjan Singh, son of Kehar Singh	8	13	.. at Rs 600 per pukhta bigha	0	15	at Rs 625 per pukhta bigha

	Total ..	43	13		16	16	

(Total 60 Bighas and 9 Biswas at a cost of Rs 36,690)

(b) Yes. The opinion of Sugarcane Botanist. The gist of the report by Economic Botanist Sugarcane is given below :—

An area of 900 Bighas belonging to the owners situated in adjoining villages of Kheri and Gargarpur was surveyed for selecting suitable sites for the sugarcane sub-station. The general topography was found to be flat. The General texture was sandyloam. There were 'Kallar" patches in the low lying areas (as are common in tract). Out of this whole area 159 Bighas and 18 Biswas (60 Bighas and 9 Biswas in village Kheri and 99 Bighas and 9 Biswas in Village Gagarpur) which was the best contiguous piece was selected on the basis of the survey.

NATIONALIZED TEXT-BOOKS

*4581. **Shri Rup Singh Phul :** Will the Minister for Education and Labour be pleased to state—

(a) whether Government are aware of the fact that the required number of copies of the nationalized text-books is not available for different schools in the State; if so, the steps proposed to be taken to remove this difficulty;

(b) whether Government are further aware of the existence of spelling mistakes and misprints in the said text-books; if so, the action taken in this behalf ?

Shri Amarnath Vidyalankar : (a) Reports of shortage of nationalized text-books were received, sometimes, from certain places and were promptly attended to. The supply position has improved of late because most of the nationalized text-books are now printed at the Government Presses. To further improve distribution of nationalized text-books, the Education Department is taking steps to set up School Co-operatives for the supply of text-books.

(b) Now that most of the nationalized text-books are printed at the Government presses, the spelling mistakes and misprints have been largely eliminated. The Press copies are being very carefully got revised to prevent the recurrence of such mistakes. The complaints generally made were with regard to earlier edition of these books.

MINIMUM WAGES FOR KILN WORKERS

*473. **Shri Hukam Singh Comrade :** Will the Minister for Education and Labour be pleased to state whether Minimum Wages for the workers of brick kilns have been fixed; if not, whether there is any proposal under consideration of Government to fix the same ?

Shri Amar Nath Vidayalankar : No.

Minimum Wages in respect of workers engaged in brick-kilns have not been fixed. At present there is no proposal under the consideration of the Government to extend the provisions of the Minimum Wages Act, 1948, to brick kilns. Moreover, service conditions of Workers employed in brick kilns are being regulated in the State by registering these establishments under the Factories Act, 1948.

ENQUIRY AGAINST OFFICIALS OF BHOGPUR SUGAR MILL

SEIZURE OF OPIUM FROM CITY KOTWALI, SANGRUR

*4463. **Pandit Ram Kishan Bharolian :** Will the Chief Minister be pleased to state—

(a) whether it is fact that some contraband opium was seized from the City Kotwali, Sangrur this year;

(b) if the answer to part (a) above be in the affirmative the quantity of contraband opium seized;

(c) the names of the officials responsible for this act and the action taken against them;

(d) whether it is also a fact that a Police constable of the said Kotwali was found murdered near Sangrur after the seizure of the opium;

(e) if the answer to part (d) above be in the affirmative whether any enquiry into said murder was held ; if so, with what result ?

Sardar Partap Singh Kairon : (a) Yes.

(b) 4 maunds, 8 seers and 28 tolas. 30 seers from three persons occupying back seat of the car No. U. S. 3224; 72 seers and 12 chhataks from secret chamber underneath back seat of the car; 6 seers and 8 tolas from one Ujagar Singh of V. Kamboh Majra Khurd and 1 maund and 19½ seers from secret chamber underneath the front seat of the car.

(c) The above Ujagar Singh disclosed that the opium recovered from his possession had been given to him for sale by Head Constable Brijinder Singh and Foot Constable Des Raj, who had recovered it from another secret chamber of the car. Both the police officials were, therefore, arrested in a case under section 9 of the Opium Act and placed under suspension. However, there being insufficient evidence against them for judicial trial, it is proposed to deal with them departmentally;

(d) No.

(e) Question does not arise.

REHABILITATION OF OUSTEES OF HARI-KE-POND AREA

*4421. **Sardar Atma Singh** : Will the Chief Minister be pleased to state —

(a) whether he received any representation for the rehabilitation of the oustees of the Hari-ke-Pond area in Rajasthan if so from whom and when and the action, if any, taken thereon ;

(b) the total number of villages so far acquired in Kapurthala and Ferozepore districts for the said pond area ;

(c) whether any agreement has been finalised or is being finalised for the rehabilitation of the oustees referred to in part (a) on land in Rajasthan ; if the latter, the time within which it is expected to be finalised ;

(d) whether any steps have been taken by Government to treat the said oustees in the same way as oustees of Bilaspur who were affected by the construction of the Bhakra Dam ; if so, what ?

Sardar Partap Singh Kairon : (a) Yes. From Sarvshri Hakim Singh, Dalip Singh and Ujjagar Singh sons of Shri Chatrat Singh, through an M. L. A. on 8th September, 1959. The issue regarding rehabilitation of oustees on Rajasthan Canal Project lands is under consideration.

(b) 7,765.25 acres in 21 villages of Kapurthala District and 5,446.53 acres in 18 villages of Ferozepore District.

(c) and (d). The matter is under the consideration of Government.

BHUPINDRA SAGAR LAKE IN PATIALA DISTRICT

*4423. **Sardar Atma Singh** : Will the Chief Minister be pleased to state —

(a) the total area of land under the Bhupindra Sagar Lake in Patiala District ;

(b) whether there is any proposal under the consideration of Government for bringing the said land under cultivation ; if so, the details thereof and the time by which the land is expected to be brought under cultivation ?

Sardar Partap Singh Kairon : (a) 271 acres (approximately).

(b) A proposal to drain off this area by constructing a link drain outfalling into river Ghaggar is under investigation but until the proposal is technically examined, and is found feasible no time limit for reclamation of the land can be fixed.

(d) whether any responsibility for the damage has been fixed; if so, on whom ?

Shri Mohan Lal. A statement is laid on the Table of the House.

Wheat damaged by rain at Hissar

28,529 bags of wheat were received at Hissar from various procurement centres from 15th June, 1959 to 1st July, 1959, for storage in Government godowns. 10,891 bags were stored in godowns before 6th July, 1959. Out of the remaining stocks 12,600 bags remained lying in the open and were affected by heavy rain on the 6th July, 1959.

2. The Director received a telephonic message from the Deputy Commissioner about this on 7th July, 1959. Two senior officers were sent from Headquarters immediately to examine the stocks and to take appropriate measures to minimise the losses. About 3,000 bags were found by these officers to be absolutely dry and wheat contained in these bags was stored in the local bins. Nearly 8,950 bags of wheat forming inner layers of the stacks were found only slightly affected and thoroughly fit for human consumption. Wheat in these bags had remained completely unaffected in colour and in the texture of the grain. Owing, however, to its some what excessive moisture, it was not considered fit for long storage. It was aired and rebagged and despatched to Roller Flour Mills for immediate milling. On the receipt of these stocks at Mill premises at the destination stations, these were got inspected by the Deputy Commissioners concerned who certified that these were quite fit for human consumption. Some of the Deputy Commissioners even got these stocks analysed from the local Medical Officers of Health before sending the requisite certificates to Government.

3. About 1,840 Maunds of wheat was rendered unfit for human consumption. This wheat was segregated and offered to Military/Civil Dairy Farms for cattle consumption. They did not agree to take these damaged stocks. A Representative sample out of damaged wheat was examined by the Public Analysts, Ambala Cantt and declared to be unfit for consumption. In accordance with the instructions of Government of India, this damaged wheat was dumped in pits in fields of Government Live stock Farm in the presence of two P.C.S. Officers.

4. The District Food and Supplies Controller, Hissar (Shri Sharnagat Singh and Inspector' Food and Supplies (Shri Daulat Ram) have been held responsible for not storing the stocks in the godowns which were available. Damage was caused to the stocks because of the negligence and carelessness on their part.

5. Shri Sharnagat Singh is a permanent Assistant Food and Supplies Officer and was officiating as District Food and Supplies Controller. He has been reverted to his substantive post and has been suspended. Departmental enquiry is being held against him and further action would be taken on the basis of the Enquiry Report.

Shri Daualt Ram, Inspector, Food and Supplies was, a temporary hand. His services have since been terminated. Security furnished by him has been withheld.

6. The loss is estimated at about Rs. 39,233.
